THE COLUMBIAN AND DEMOCRAT, BLOOMSBURG, CHUMBIA COUNTY, PA.

THE COLUMBIAN BLOOMSBURG, FRIDAY, JULY, 22 1881

PUBLIC SALES.

John Michael, administrator of Peter Michael, will sell real estate on the premises in Mifflin township on Saturday, August 6th. "Mine heat" Tubbs, of the Exchange Hotel, drives a trotter now-s fine brown mare.

The Daily San has removed its office to the Exchange Block, over Gross' saloon.

Bass fishing is improving and many of fish taken are of good size.

Bandy's clam bake at Oak Grove on Monday afternoon was a pleasant and well conducted gar. It is a sheer waste of time to comment affeir.

the

Drivers of trotting horses now speed their animals at the fair grounds, thereby improving the track and their horses also,

Mr. Samuel B. Shultz has withdrawn from the contest for Associate Judge and taken his name from the list of candidates.

Miss Julia Ropert, we regret to know, is a sufferer with sciatic rheumatism, and is confined to her bed.

Parasols this season are as varied in form, material and decorations as any other part of a woman's wardrobe effects.

If correspondents would sign their names to all communications, we would not be compelled to empty our waste basket so often.

James Commons, who lives at the ferry, has a large number of celery plants in the very best do not, is that when the lickets were printed condition, which he offers at 25 cents per hun-

It is stated that cucumbers boiled in essence of Jamaica gingar, are very wholesome. The what they believed to be full tickets. community has been anxiously awaiting a discovery of this kind, for lo, these many years.

Fishermen are catching seven-pound salmon in the West branch of the Susquehanna, if the newspapers are to be credited. Such fish as those are well worth the attention of anglers.

Comets are as plentiful as blackberries this year, and are losing interest as curiosities. A man in Michigan has just discovered a new one, only visible now through a telescope.

Prothonotary Krickbaum went to Wilkes-Barre on Tuesday, to attend the convention of county officers in that city. Constable Harris went also, to attend the meeting of the county detectives.

Bertram Fortner caught a black bass in the river near Catawissa, last Monday, that weighed four pounds, two ounces. This is the largest fish of the kind taken this season, in this vicinity.

A very dangerous counterfeit of the silver dollar is now in circulation. The workmanship is excellent and likely to deceive, but the metal used is of a lighter color than the genuine.

"Malt Bitters are the best 'bitters,"" "They promote sleep and allay nervousness. "Best liver and kidney medicines sold." "They knock the 'chills' every time." "Best thing for nursing mothers to be had."

The only way to avoid confusion at a fire is for every man to obey his superior officer. The Fire Board should enforce the rules of the Department in case any officer of a company coun-Engineer in charge.

There are numbers of young girls in this town who need looking after. Decent people who sleep with their windows open these warm nights, are compelled to hear their indecent language, as they promenade the streets late at

night with their male companions. We know the names of some of these parties, and unless they are more particular about what street corner they select for their loud and vulgar talk, we shall publish them.

Certain candidates have sent out tickets for the coming delegate election, upon which the names of Cyrus B. McHenry for Associate Judge, and Henry C. Hess for County Com-

neither of the gentleman named had announced himself as a candidate. This explanation is due to those who have in good faith circulated,

> TO THE DEMOCRATIC VOTERS OF COLUMBIA COUNTY :

Since the publication of my card in last week's CLLUMBIAN, I have learned that a report is in irculation to the effect that I have withdrawn as a candidate for the office of Register and Recorder. This I deny, emphatically. I am

now and shall remain a candidate until the Convention. I therefore ask your support. M. F. EYERLY.

The senior editor of the Greensburg Argus, some time ago, found several of his chickens lying dead, and proceeded to investigate the cause. Clinging to the neck of one of the fowle, was a huge bug, resembling a locust. A nest containing thousands of these monstrous bugs was subsequently found and the creatures

destroyed. Since that time the chickens have thrived. This is another of the marvels of 1881 The total amount of money collected for

the Fourth of July was \$223 50. The hotel bills, printing, bands, &c., amounted to \$174.08. The balance of \$49.42 was divided between the three fire companies to reimburse them in part for their expenses in entertaining the three visiting companies. We are in

formed that each of our companies expended over twenty dollars for lunches and other necessary expenses, which are legitimately paid out leading colleges. Has five graduating courses: of the fund instead of being borne by the company treasuries.

Gracious, here's another day fixed or the dostruction of the earth, and them that dwell The Commercial College has no superior, pro therein. November 15th is the date, and those who have faith in the prediction will of course termands or refuses to obey the orders of the see to it that their houses are in order for the Laws of Business, Political Economy, &c. Charles Jones was tried in Court some three years ago for neglecting to provide for his family. He was convicted and sentenced to pay a certain sum at stated times. This he failed to d) and left the county. Recently he returned and was arrested on Friday last for not complying wih the order of Court. He is at present in the county jail-s very good place for him. per gallon.

In this issue of the COLUMBIAN the name of Cyrus B. McHenry is announce 1 as a candidate for Associate Judge. Mr. McHenry is well and favorably known throughout the county, is a man of integrity and capability, and would, if elected, administer the duties of associate judge with perfect satisfaction to the people and with credit to himself.

On Thursday morning of last week, a passing engine on the Lehigh Valley railroad ignited an old powder bouse, belonging to Dr. Bast, of powder there. No further damage was done than the destruction of the powder house. The concussion was felt for several miles.

The toy pistol ranks among the deadliest weapons of the day. The Williamsport Banner has counted during the past week, forty-three cases of wounding by these pistols, nineteen of which proved fatal. Death resulted in a majority of the cases, from lock jaw. Parents cannot be too careful to keep these dangerous toys out of the hands of their children.

The philosopher of the Philadelphia Pres remarks, "At this season of the year a dog's ail should never be twisted save in a spirit o kindness. He may suddenly develop hydrophobia and make himself too plentiful." Pershould a dog's tail be twisted, save in a spirit hydrophobic considerations?

The people of Uniontown, Fayette co. ought to be satisfied with their allowance of circus this old Tobe evidently thought he ought to be shod season. One "greatest show on earth" was there on the 14th inst., another on the 18th and yet properly proceeded to shoe him without any another is to come on the 27th. Truly, these are haleyon days for the youth of that burg. Three circuses in two weeks is a full supply for a city.

The Sanitarium is one of the pleasantest resorts we know of for invalids. The grounds are handsomely furnished, and commanding a fine done by the managers, for the convenience and pleasure of the patients.

According to an Act of Assembly the ridir g on railroad cars of any kind without paying told of small pox in Bloomsburg have cost our fare, is a penal offence, and subjects the per on cooffending to a penalty of not less than five dollars nor more than fifteen dollars, which penalty must be paid into the treasury of the school district in which the offence was committed, for the use of the schools.

The Wilkes-Barre Union-Leader doesn't like an allusion made by a Williamsport paper relative to small pox in the former city, and there-fore rises to remark quietly, that "Williamport is mad because it can't have everything, and the Gazette and Bulletin now yells out "small pox" to scare the Third Brigade encampmentaway from here, and entice it to its miasmatic, fever-tainted, grave-haunted, pesti. leptial-laden, malaris-burdened precincts. Bot the officials know what they are about, and have ordered it here."

A sportsman writes to the Philadelphia a small quantity of powder on the bitten part and ignited it. The cure proved effectual, no inconvenience or pain being felt from the

be appreciated by many who have suffered from the over-zealous or thoughtless words of attorneys striving to win in their legal battles "Witnesses often suffer very unjustly from the undue earnestness of counsel, and they are entitled to the watchful protection of the Court. In the Court, they stand as strangers, surround ed with unfamiliar circumstances, giving rise to an embarrassment known only to themselves and in mere generosity and common humanity they are entitled to be treated, by those accustomed to such scenes, with great considera tion; at least until it becomes manifest that they are disposed to be disingenuous. The heart of the Court and jury, and all disinterested manliness, spontaneously recoils at a barsl and unfair treatment of them, and the cause that adopts such treatment is very apt to suffer by it. It is only where weakness sits in judgment, that it can benefit any cause."

Most people know the benefit of lemonade be fore breakfast, but few people know how it i also. The way to get the better of a bilous system without blue pills or quinine, is to take the joice of one, two or three lemons, as the appetite craves, in as much ice-water as makes it pleasant to drink without sugar, before going to bed. ECLECTIC MAGAZINE.-The August number of the Edectic contains a number of important articles of permanent value, as well as of cur-The birthday party of the twin sisters, Miss-s rent interest. The leading article is entitled "The Sword," and is an historical essay of the Chat, and Clara Stecker, was a party long to be emembered, on account of presents, music, delsparkling and vivacious kind for which Blackood's is famous. A paper by Miss Julia Wedg cacies, and the hosts of friends who were preswood on "Froude as a Biographer" makes an ant to show their respects to these estimable nteresting contribution to the controversy over he publication of Carlyle's Reminiscence "Dogs of L'terature" is a gossipy article on the part which dogs have played in literature, and their relation to authors; and in "Boycotted," Mr. W. Bence-Jones, a landlord, gives a graph account of recent experiences in Ireland.

There are several other valuable and interest ing papers. The Editorial Departments are well fille⁴, as usual, and comprise Literary Notices, Foreign Literary Notes, Science and Art, and Misreliany, Published by E. R. PELTON, 25 Bond Street, N w York. T rms, \$5 per year ; single copy 45 cents; Trial subscription for three months, \$1

On the 1st of this month our stock of Men's and Boys' Clothing and Gents' Furnishing Goods at Oak Hall was seven hundred and forty-three thousand one hundred and seventy-five dollars and eighty-one cents.

\$ 743. 175. 81 These are the exact figures .

Where is there another such stock to select from it The old house has been remodeled. The old hands (most of them) are still there. The old principles of just and right prices, sound goods, fashionable styles, substantial finish, are strictly adhered to.

John Wanaker

Who founded the business, is at Oak Hall every day looking after things, and in all the history of Oak Hall it was

never so wide awake

to push up its high standards and drop down to lowest prices.

Me An old-time greeting to our friends everywhere, and another cordial invitation extended to come to Oak Hall.

Wanamaker & Brown,

OAK HALL.

Cor. Sixth and Market Streets, Philadelphia.

The Largest Clothing House in America.

The last new thing we have done is to open a TEN DOLLAR ROOM, where we have gathered a great lot of full Suits, suitable for dress or business, which we shall sell at \$10.

You can judge of the cheapness of our stock by seeing what we can do for \$10. W. & B.

A full assortment of Neck Wear for gen
