Diphtheria is raging in various parts of the State and appears to be spreading rapidly. No cases have been reported in this neighborhood, so far as our knowledge extends, but parents cannot be too watchful of their children, should the dreaded disease make its appearance. Teachers in public and private schools ought to pay strict attention to the subject, and should examine any child found to be suffering from diphtheria. The disease is dangerously contagious and in a crowded school room will spread like wildfire. The only safe plan is to refuse to admit scholars who have any symptoms of diphtheria.

OPERA HOUSE!! TUESDAY NOVEMBER 5th. BURGESS Widow Bedott Comedy Company!!

THIRD SUCCESSFUL YEAR OF THE ONLY AND ORIGINAL Neil Burgess

SUPPORTED BY GEORGE W. STODDART, in his own dramatization of WIDOW BEDOTT! AND A CAREFULLY SELECTED COMEDY COMPANY.

G. W. STODDART, MANAGER. FRED BURGESS, BUSINESS MANAGER. Popular Prices, 25, 35 and 50 cents.

On Sunday last, information was lodged with H. P. Foster, a justice of the peace in Catawissa, charging Fred Gulin, Samuel Jones Jr., Stanley G. Ellis, Charles Brown and Daniel Geiger Jr. with malice-mischief.

The prisoners, all of whom are minors, were intoxicated on the previous night and damaged the property of sundry persons. Warrants were issued and the young men were arrested.

These arrests will doubtless be productive of good results, in that they will make the saloon keepers cautious about selling liquor to improper persons, and will tend to stop disorderly and drunken behavior on the streets of Catawissa.

On Monday Mr. John Gulin, father of one of the boys, obtained a warrant for the arrest of Fred Smith who sold the boys liquor. He was held in \$200 bail, but his bondsmen subsequently surrendered him.

When he was arrested, brought to this town and turned over to Sheriff Hill. He was afterwards taken before Judge Elwell who admitted him to bail in the sum of \$200.

Press Gulin, one of the boys arrested, was bound over to answer the charge of representing himself to be of age, Sheriff's bookkeeper being the prosecutor.

HOLMES & SCHUYLER STOVES.

Cold weather is near at hand and already many are looking around for stoves. The manufacturers have been over-crowded with orders, and it is almost impossible to get them.

We have already received several and are daily adding to our stock. Owing to the universal satisfaction the Argand has given we still keep it as our leading base heating stove, and if you wish to see a perfect beauty call and look at this year's pattern; a little high in price it's true, but in this age the people demand handsome stoves and the more handsome they are the more they cost.

We have a variety of other very nice stoves at prices within the reach of all. The Gold Medal is the largest and handsomest base heating stove for the money brought to this town. In 1879 we introduced Spear's new Silver Moon Heater for heating two or more rooms and owing to the great satisfaction they have given, our trade has steadily increased on them. We warrant every one to give perfect satisfaction and have got to hear the first word of complaint or take one back.

For ease of management, economy of fuel, great draft and radiating powers, they stand without an equal. Our long experience together with that of Mr. Isaiah Hagenbuch, who has charge of our Stove and Tinware Department, has enabled us to study the wants of the people and make our selections accordingly. We cordially invite all in want of Stoves to give us a call before purchasing elsewhere, and examine our stock which we shall consider no trouble to show you. Stove repairs of all kinds furnished to order, grades and fire brick for the common cook stoves constantly on hand.
