Few such exhibits as this are made in the country. None can surpass it in attractiveness, variety and interest. The almost perfect system to which the business is reduced, insures the most prompt,

careful and economical service of all patrons. The prices are beyond controversy as low as the goods can be conveyed from producer to consumer, as all methods of cheapening prices are in vogue known to the most exact business science. On moderation of prices, primarily, has the success of the house been based, and success has furnished facilities for still further lowering of prices, while giving the additional advantages of convenience, comfort and despatch in all transactions,

There is no reason why all who desire should not share in the advantages which are offered you by this great mart of fashion and
