DEMOCRATIC CONVENTION.

The Democratic convention which met at Harrisburg on the 28th ult. and placed in nomination such able men have planted at the very foundation of the canvass the elements for success. The old leaders gave way to the demands of the young men and have action of the Dam scratte county convention.

the Reform element. In 1880, Pattison received a majority of 13,593 in Philadelphia over Jeffries the Republican candidate.

Chauncey F. Black, the candidate for Lieutenant Governor, is a son of Judge Black. He is now a resident of York county, but was born in Somerest county. Like Pattison, he is but a young man, full of force and enthusiason. His name full of force and enthusiasm. His name of adds strength to the already strong ISAACA DEWITT, of Greenwood, as a candidate

Silas M. Clark, for Supreme Judge, is from Indiana county. He is confronted by a large Republican majority in his own county, but his independent and reform ideas will add to his party wotes many from the majority party. WILLIAM BRYSON, of Centralis as a candidate
His connection as a member of the Confor member of the Legislature, subject to the stitutional convention, where he exhibi-ted strong reform principles will strengthen him in the canvass.

Mortimer F. Elliott, of Tioga county —Senator Mitchell's home—is named for Congressman at large. He is also a young man, was with Clark in the Constitutional convention and worked along side of Stewart and others in their work of reform. He will hold his party together in that independent district and will greatly increase the vote.

the candidate for Secretary of Internal Affairs. He was nominated for the Affairs. He was nominated for the same position in 1878, and ran ahead of his ticket. Like all others on the ticket he is a young man and has a record untarnished.

office.

Second. We protest against the spoils system; it is a prostitution of the offices of the people, so that they become the mere perquisites of the politician.

Third. We denounce all repudiation, state and federal, because it is dishonest and destructive of that public mortality upon which are founded the existence and perpetuity of our free institutions; it should be made odious, and the political party that aids it with alliance and abets it with office deserves public condemnation.

Fourth. We denounce spoliation of the state treasury and immunity by pardon of those convicted of crimes whose acts are flagrant subversions of official trusts and wrongs done the people.

Ammoniated Super-Phosphate, made chiefly from Slaughter House Meat and Depots, in Philadelphia, it is a folly to pay out money for the old fashioned High Cost Fertilizers, which other manufacturers persist in holding at prices varying from Thirty to Forty Dollars

The past season, everywhere, has clearly shown, that the low cost Ammoniated Super-Phosphate paid the best on Wheat and Grass. The day for high cost Manures has passed. The ex-perience of good farmers, who look closely at First Cost and Results, have proved that those costing \$25 PER TON, OR LESS, with a reasonably good Analysis of free Phosphoric Acid AND AMMONIA, have paid them by far the best. There is abundant evi lence of this and from farmers who don't simply guess at what they are

In the four years of the use of Baugh's \$25 Phosphate, there has not been a single reasonable report of unfavora ble action on any crop, and this is a testimony in itself more than volumes of certificates.
