MORTIMER F. ELLIOT. Three Fine Young Men.

A proud man was Mr. Abel Leonard—pride of his house and everything in it.

For forty years he had no partner in business, and for half that time he had accustomed himself to look upon his daughter Belle as a girl.

At a great mass meeting of the Democracy at Elmira, when Gen. McClellan was present, Elliot was literally carried upon the shoulders of his auditors.

At the next day, Abel Leonard sent down word that he was ill, and did not make his appearance on that or the day following.

After the talk with the old gentleman, there followed a very interesting scene in the parlour.

DR. J. B. MARCHISI'S CATHOLICON. A POSITIVE CURE FOR FEMALE COMPLAINTS. This remedy will act in harmony with the female system.

"You don't say so! What luck!" "Good, I should think, only she has put me off a week," added Evan.

"Not from so proud a girl as Belle Leonard. Still, you can help me."

"I'll do my best," replied Evan, "but I don't know how to do it."

"I'll do my best," replied Evan, "but I don't know how to do it."

Secrets of Fishermen. HINTS THAT MAY OR MAY NOT HELP HIM WHO GOES FISHING.

Fishermen are superstitious and they are weatherwise. As prophets the old men of the trade are.

To tell some of their secrets in confidence to our discreet readers probably may do no harm.

Some old weather prophets who live on the coast carefully rub their hands upon flag poles or fence rails.

A west or northwest wind is a good fishing wind, but unless it behaves itself and keeps quiet it is no favorite among boatmen.

Most people know what a shoulder crab is, but few know what a "comer" is. A comer is a crab that is thinking of becoming a shedder.

It is a pleasing sight to see George T. Bushnell, of Norwich, Conn., feed his shad-broods, which are confined in a shallow tank and kept from emigration by artificial feeding.

Don't say "no" to your girl. Don't say "yes" to your girl.

Don't say "no" to your girl. Don't say "yes" to your girl.
