sixteen stone weight, jumped upon the aforesaid portmanteau and performed you remember the black fellow ?" a kind of war dance thereon, so as to enable Tom the groom and Mary the housemaid to strap and lock it ; and how, after many tears being shed by present instance ?" my father and mother, my brothers and sisters, and my maiden aunt in partieular, I was whisked away to the rail- are here in the tent."

way station in order to catch the 9:45

A. M., train for London. I will not dwell on the voyage out, because it was very much like other improbable that it would be so, for that voyages. Suffice it to say that in just 100 days we arrived at Sydney, the capital of New South Wales, and here I discovered that the favorite gold field of the day was at Ophir, near Bathurst, 145 miles up the country. Here some

tremendous finds had lately been made and people had been turning up nuggets like an Irishman shovels up potatoes. When I look back at the splendid yields of the Ophir gold fields in those days, I cannot help ejaculating : "O fer such times at Ophir to come o fer

oring them into his tent ? At last, again In due time, after a fortnight's weary however, I did sink into a disturbed, journey in an ox cart, which also conunrefreshing slumber, and was afflicted tained my cradle, my pick and shovel, by a frightful dream, in which I fanmy tent and other camp requsites, as cied that one of my next door neighwell as my personal luggage, I arrived at the gold fields, having picked up bors was kneeling on my chest and cutting my throat from ear to ear. more strange oaths on that short jour-ney than I had heard during the whole My dream had in fact some slight foundation, for I was awakened by a hanging up in that corner ready for to-rough hand shaking me by the shoul morrow's pie. Ah ! ha ! ha ! he has portion of my previous life. Drivers say that bullocks will not go der; and my eyes, on opening them, rested on the roughly bearded face of the very man I had been dreaming without a lot of swearing, and I cer-tainly believe that, after they have become accustomed to it, they will not of. budge an inch for any gentler language. I was about to scream "Murder!

I will tell you a very good yarn bearfor I thought that my last hour had ing on the point. ome ; but, glancing around, I saw that There was once a back country squatit was broad daylight, and that the fel-low was merely asking me for a match ter who married a religious wife from to light his pipe with. This I imme-diately gave him and he went away the nearest township, forty five miles distant, and on one or two days later he sent down his largest wagon and ox team to convey his fair bride and with a muttered expression of thanks. That day, instead of going to work. her bag and baggage to his station. "Now, Tom," said he to the team-

ster, "the mistress is very particular; succeeded in reaching it. I had to out of my own pocket if you will keep so, for the life of you, you mustn't let an oath out of your mouth all the way wait a very long time before I was granted an audience, but when I was home. If you don't once offend her ushered into the presence of the dread ears with your usual bad language, I'll functionary and told him as succinetly as possible the circumstances of the ing laughed at was the general dread, case and how I bad heard the rascals I stood in the worst position of the give you five sovereigns on your re-The man readily promised compli-

confess their numerous crimes, and par- trio. ticularly their last murder, the proofs ance with the desire, and promptly set out on his journey He got to the township all right, for he threw his colof which were within their tent, the enthusiasm of the Commissioner onial curses right and left with his was fully aroused, and he felt as anxusual volubility, and the beasts under- jous for their capture and punishment stood the language only too well. On as myself. He suggested that two possible. And as for this new chum," the return journey, however, when the newly made wife was on board, the well armed, should come to my tent ease was very different. In vain Tom that evening on the pretense of paying halloed at the top of his voice. The me a visit as old acquaintances, and language he now addressed to them that after it was dark and the murdermight have been Hindustani or Saners had turned in for the night we should rush into their tent and secure scrit for aught they knew to the contrary, and when night came on they them. had only accomplished nine miles since This was a very feasible plot and I heartily entered into it. So I minutely described the position of my tent, and, the morning.

The next day it was just as bad, and to make it more easily discoverable, I promised that a bright red pocket handkerchief should be hanging to at length they came to a hill, up which they would not go. "Crack ! crack !' went the whip, and Tom's voice was used with Steutor-like effect, but still some conspicuous part of it, as though all was of no service ; the oxen were to dry ; and, having made all these ar-

abdurate. rangements, I took my leave. At last Tom, seeing that moral peraday, cap in hand, and humbly asked: t o'clock in the afternoon, and after a short fore legs, and pressing you tightly hasty meal, not wishing to lose a whole "Please, ma'am, will you give me

day, I went to my claim and set to for their strong hind legs, which is armed eave to swear at them there oxen ? for a three hours' dig. Strange to say, I with a terribly long, strong and knife had not been at work five minutes shaped spur, and rip you right down hey will never move till 1 do." when I came across a very little nugget with it, causing almost instant death. Seeing the necessity of the case, the lady at last consented. The effect was and a few minutes later picked out an- When hunted with dogs the "old man
