SELECT STORY. LOST AND FOUND. 'But you do not care for him?'

'I will make him; remember this on the first day of the season.'

'You are no longer, Miss Neville, one of those who are not fond of flowers?'

'Yes, passionately,' said Florence, 'but I have lost mine. I am sorry for it, but I shall not find another so beautiful.'

'Will you allow me to endeavor to supply its place with this?' was the instant reply.

'Do you know the language of flowers, Miss Neville?'

'No,' said Florence, 'but it must be very pretty; do you know it, my lord?'

'I am afraid you are fatigued,' said the Earl, but he did not offer to lead her there.

'Oh, no, not much,' replied Florence; 'but the rooms are very warm; it is impossible to dance and still more to breathe—particularly here.'

'The conservatories are cool,' said the Earl, but he did not offer to lead her there.

'Oh, no, not much,' replied Florence; 'but the rooms are very warm; it is impossible to dance and still more to breathe—particularly here.'

'The gallop in Gustave aroused the Earl from a reverie.

'Are you too much fatigued to join in the gallop, Miss Neville?'

'I am going to seek in Italy the happiness which is denied me here.'

'No,' replied the Earl; 'I am going to seek in Italy the happiness which is denied me here.'

'I am going to seek in Italy the happiness which is denied me here.'

'I am going to seek in Italy the happiness which is denied me here.'

'I am going to seek in Italy the happiness which is denied me here.'

posals than myself, for I had given him up. Art failed, my dear Emma, and nature gained the day in his case.

Why Workmen Strike. The popular reason for the strikes in different parts of the State is a decrease on part of the workmen for higher wages.

How Uncle Sam Gave em "Fits." After having been "passed" by the Doctor, we were mustered into the service, and so made, in a peculiar sense, the sons of Uncle Sam.

Emerson's Democratic Character. Henry James, Jr., has an article on the "Correspondence of Carlyle and Emerson," in the June Century.

Nice Notions About Stable. Let your stable be well drained and sufficiently lighted. The vapors from a damp, putrid floor, and the sudden change from darkness to light, will almost certainly cause blindness.

CLEAN ENGRAVINGS.—Secure the engraving with drawing pins on a smooth board, and cover it with common salt finely powdered.

Everybody thinks that there never has been such a peculiarly backward season as this. The breath secondly takes the trouble to consult the record many precedents will be revealed.
