

A Talk With a Dude. A NEW YORK REPORTER INTERVIEWS THE DUDE—WHAT A LIFE IS ANSWAY—AN INTERESTING TALK.

From the New York Sun. At high noon a youth emerged from the Brunswick and stood for a moment in the brilliant blaze of the May sun...

The youth did not seem interested in anything. Men who passed glanced at him somewhat contemptuously, or with half sneers...

Presently another youth swung around the corner. He was a counterpart of the first, and his attire was precisely similar...

"How are you, my brave boy?" "Oh, I'm all right, and you?" "I'm all right, and you?" "I'm all right, and you?"

"I beg your pardon," said the reporter. "Oh, I'm all right, and you?" "I'm all right, and you?" "I'm all right, and you?"

"The youth started, sharply at the reporter for an instant, and then resumed the air of indifference as he said 'Well.'"

"What is a dude?" "A dude," answered the youth slowly, "is a gentleman. A cad can never be a dude..."

"What is a dude?" "A dude," answered the youth slowly, "is a gentleman. A cad can never be a dude..."

Dressed Beef. HOW CATTLE ARE BREEDING AND INCREASING IN THE TRANSIT FROM THE WEST.

The St. Louis Railway Register says: "The business of raising cattle on the great plains of the West has grown enormously during the last ten years..."

The receipts for the year for general purposes were \$208,411. Of this amount, \$23,000 was received for books and on Purchase account...

The number of copies of the Literature issued during the year is 1,666,532. The issues of the Society during six years amount to forty-two millions, eighty-three thousand, eight hundred and sixteen...

Commenting on the above the Harrisburg Telegraph says: "There are reasons why beef slaughtered in the West will never be permitted a monopoly of the Eastern markets..."

A Successful Year. The Managers of the American Bible Society have just presented their sixty-seventh Annual Report.

During the previous year of the his- tory of the Society have so many pages of the sacred word been issued; and only a single year—the last of the great- est war—ranks the one just added to the number of volumes distributed.
