Thus you have, up to sons of chiefs or princes, but really the time of the flood, or at least up to and actually what they are called, and ger Agent, Philadelphia. the days of Noah, a continuous though brief history of the Adamites and the higher than man and distinct from Detroit Free Press

him. And, finally, that the Nephilim are properly "Fallen ones" and not giants, if the word is taken as relating simply to stature, and that the word Adam," being the genealogies, ignores translated "mighty men," "men of renown," is gibborim, and that the gibriages of the sons of God with the came in and said :

the presence of the Lord he went still further east. Thus during the fifteen bundred years following reaching my sons of God. As if we were to say, hundred years following, reaching up "The sons of God married the daughvalley, on the waters of the Tigris and word of incredulity the further remark it rested, and near where the human race began its eventful history, thence a second time it mathematical parts and it will stand thus:

If we now read over the history of the Cainites as it is given we shall were born unto them, that the sons of that their women play an important second, that they were society people,

their names imply; they had arts and arms; they had music and poetry; they had cities and society. On the other hand, the Adamites, so far as we are told anything about them, seem to have been altogether agriculturists, living segregated lives, having neither herds nor cattle, neither cities nor work and toil of our hands, because of the ground which the Lord hath curs-

two great rivers, grew and increased these two so nearly related, and yet, in some respects, so widely separated families, for fifteen hundred years and until the flood of waters came.

off by the flood; and of the millions which these fifteen hundred years had hrought forth only eight souls should be preserved ? Was it because these two families entered into a closer relationship than that of mere descent,

The temptation, the fall, the curse and borim are the offspring of the marhuman history and to this vagabond daughters of men. driven out of Paradise he went east-is used, in my judgment, to designate those renegade, degraded, fallen an

> ters of Adam," and in answer to a is made, "There were fallen ones, Nephilim, in those days." Fallen, renegade sons of God, giants, perhaps, in wickedness, who by violence seized and took or by fraud seduced away the wives and daughters of the sons of Adam including the descendants of Cain, and styled their enforced intercourse marriage. Here, then, we have ample material for all the conditions of this great problem. Let us construct

sons of Adam began to multiply on the face of the earth and daughters God-there were fallen ones on the earth in those days-saw that the daughters of the sons of Adam were fair, and they took them wives of such of them as they chose. And after landlord make?" these marriages when these sons of God came in unto their wives and they bare children unto them, the same be came gibborim, mighty men which were of old, men of renown."

THE SONS OF GOD.

as manure, for decorative purposes, It seems too plain for argument that and in the preparation of a cheap imithese Nephilim, whoever and whattation of marble; but it is now found ever they were, were the cause of this that they cannot be better util zel disturbance. Were they angels, were than by being thrown in quantities they other created beings, higher or into the sca where they make the best lower, from heavenly places ? or were possible foundation for new oyster they spirits cast out of heaven and who escaped with Satan from hell? The designation seems to be of an Order. In Job, those who come in regular course of daty to present them-selves before the Lord are the sons of oysters will then be dropped upon the God, and Satan came also in the midst same spots. Experiments have proved of them. In antedilavian times the phrase uniformly used in speaking of these earth-visiting heavenly intelli-tredible extent, and in so brief a period of them. In antediluvian times the gences is "Sons of God." Afterwards, as two years each empty shell will as a mere messenger, "the angel of the have from thirty to forty young oys-Lord appeared unto Hagar," and un ters attached to it.
