Danville Asylum.

A PATRIOT REPRESENTATIVE INVESTIGATES CHARGES MADE AGAINST IT. DANVILLE, July 11.-A series of articles has recently been published in the Williamsport Breakfast Table exposing alleged abuses in the asylum for the insane at this place. A representative of the Patriot visited the institution a day or so ago and was shown through the different wards and after making the closest scrutiny failed to discover anything that would show either a laxity or undue severity in the management of the poor inmates confined therein.

A Refractory Rector.

THE EPISCOPAL CHURCH CONTROVERSY, which has grown out of the High church teachings of Arthur Ritchie, pastor of the Church of Ascension, Chicago, and which has already served to draw out a letter of protest from the bishop of the diocese, and another sensational feature added to it Sunday, Rector Ritchie, at the morning service, announced that at the conclusion of the service a requiem mass would be said for the soul of Daniel Fountain, who was drowned in Lake Michigan in the latter part of May. The announcement of a requiem mass was apparently a protest against the Romanism as a protest even the parishioners of the Church of the Ascension to rebel who had hitherto stood by the pastor, and one-half of the congregation left church. In the meantime, at the request of the widow of Daniel Fountain, the celebration of the mass has been postponed a few days. It is believed that the bishop will be compelled to order the trial of the pastor for the infringement of the Church rules.
