LADIES' WINTER COATS & DOLMANS.

We take especial pride and pleasure in calling attention to our stock of these goods. It surpasses all we have offered in the past, and we have good reason to believe is not equalled in America. The garments are all manufactured expressly for us in the most careful manner from the latest styles, which styles are in most cases confined to us alone.

This superb stock is now on exhibition and sale. The prices will be found surprisingly moderate.

We also show a wonderful line of

MISSES' AND CHILDREN'S COATS.

All made in the highest style of the art by the same Foreign makers, and not to be surpassed for style, fit and carefulness of manufacture.

So great are the attractions in this department the present season that a little later we shall probably have a demand that will tax all our resources, although we have made every possible preparation therefor.

We advise our friends to make their selections now.
