#### BUSINESS NOTICES.

Williamsport, Pa., Decs 21, 1893.

John, H. Phelps, Scranton, Pa., Dear Sir-I feel it my duty to inform you how much good you have done me through your Rheumatic Elixir. I have been a very bad sufferer with Inflammatory Rheumatism for over two years, half of the time not able to walk without crutches or canes. I have used three bottles of your Rheumatic Elixir. I pronounce myself entirely cured of rheumatism when all other remedies and treatment failed to give relief. And I am in better health now than I have been for years. I hope your circulars with their wo-lerful testimonials, will reach every sufferer with that terrible disease, rheumatism, and may encourage them to give the Rheumatic Elixir a thorough trial. I can recommend the Rheumatic Elixir with great confidence.

I am respectfully yours,

J. H. Asnold. A DUTY I OWE.

Rheumatic Syrup Cb:

Wolcott, N. Y., Sept. 25th, 1882.

Gents—I think it my duty to recommend your syrup for rheumatism, dyspepsia and sick headache. I have been troubled with dyspepsia for several years; have tried every remedy recommended, and physicians have failed to give me any rehef. Had to be careful what I ate, for I was almost crazed with pain after meals. And Had to be careful what I ste, for I was almost crazed with pain after meals. And for ten years or more have been a great sufferer from Rheumatism. It finally settled all over me. The pain was so severe I could'nt endure it, and could get, nothing to relieve me. My arms I could not move; was confined to my bed, and I was completely discouraged. Finally my husband thought I had better try Rheumatic Syrup. As a last resort I told him to get a bottle. I had no faith in it, but was compelled to do something, for I could not endure the pain. I commenced taking it, and in a pain. I commenced taking it, and in a short time it began to help me. Have been taking it six weeks and am now doing my taking it six weeks and am now doing my own housework, and can safely recommend it as a sure cure for Rheumatism or Dyspepsia. Any one troubled with either of those dreadful diseases can be cured by using Rheumatic Syrup. I know it is a sure cure for either. Any one is at liberty to corre out with me in regard to the merits of our wonderful medicine.

Yours respectfully, Mrs. O. A. HANCHETT.

The coming year will be notable. Congre

struggle for a quarter of a century. Europe, in the opinion of the best informed, trembles out the eve of a great war.

With auch an outlook a live newspaper which prints all the news and tells the whole truth about it is more than ever a necessity. Such a howspaper is The Philadelphia Phiess. Telegraph wires in its own office place it in instantaneous communication with a corps of over five hundred news gatherers distributed all over the civilized world. The special daily cable service which it shares with the New York Herald covers every place of activity in European life. No paper excels it in all the elements which go to make up a broad, full, complete journal.

Besides being a complete newspaper, The Werkly Priess has several apocal features which put it at the top. The Agricultural Diparathent, earlieded by constant contributions from the foremost writers in various branches, gives the practical things that people want to know on the farm and in the garden. The HELPING HAND FOR WOMEN Or Home Department, edited by Mrs. Kate Upson Clark, is full of heformation, hints and happy thoughts for every wife, mother and head of a household.

A great feature of the coming year will be the highly valuable letters of Josenpu D. Werks on Wages of Working men, the general conditions of Labor and the Cost of Living in Europe as compared with America. Mr. Weeks, who had charge of this subject for the Census of 1880, has made it a life study, and has been abroad this year conducting a special investigation. His letters will give the facts as to earnings in all the various industries, the purcless and other matter for the little folls, stories and pastimes for adults and children,
