> Ghosts are about to enjoy a tremendous "boom" in England, where a guide-book to hausted houses is on the eve of publication. "London alone," says The Globe, "it is becoming generally known, literally swarms with haunted houses. As for the rest of the kingdom, it is doubtful whether even one of the many thousand parishes is without its ghost, though it is singular that few, if any, should enjoy the possession of more than one. That serious belief in ghosts is on the increase is obvious enough to any one who remembers the score with which such personages were treated in print some fiveand-twenty-years ago."

Very marked reductions have been made in the ten thousand and one every-day and useful articles in Housekeeping and Housefurnishing Departments. Striking reductions in Fine Furniture, Bags, Satchels and trunks have had something knocked off the prices. Upholstery, Piano and Table

Covers share the same fate. Fancy Goods, Brass and Bronzes, etc., are much lower.

All packages amounting to \$100 will be delivered, freight paid, within a radius of 200 miles, during the continuance of this sale. Excursion parties from the country can club together and have their purchases delivered in one bundle. It seems quite certain that no such opportunity as this will be offered soon again.
