MESSES. EDITORS :

In my former article I argued that we tral Pennsylvania conference of the M. E. should get rid of all low politicians. By Church met at Williamsport, Wednesday low politicians I mean men who will enter morning at 9 o'clock. The following from into a personal canvass. I do not think the Williamsport Gozette & Bulletin gives

that I intimated that we should reform the counties embraced in the district, the politicians. The man who would contemmembership, Sunday school scholars and plate an undertaking like that I should value of church property : consider a fool. The labors of Hercules

value of church property : "The conference is divided into five dis-tricts, viz : Williamsport, Danville, Harris-burg, Juniata and Altoona, with a presid-ing elder over each. The territory occu-pied by the body includes the counties of Bedford, Blair, Huntingdon, Clearfield, Centre, Clinton, Cameron, Sullivan, Ly-coming, Union, Sayder, Northumberland, Montour, Columbia, part of Luzerne, York, Adams, Cumberland, Franklin, Perry, Ju-niata, Fulton, Mifflin and parts of Schuyl-kill and Dauphin. The charges are about equally divided into circuits and stations, the circuits being much smaller than for-merly and consisting often of four of five churches. The conference represents a lay membership of 41,000; clerical, about 230. Its church property aggregates al-most \$2,000,000, and contributed during the conference years 1852–3 for benevolent would be nothing in comparison to a task like that. It is hard to reform old sinners, but to reform practical politicians impossi ble. Ask me how to reform them and I will ask you how to reform the devil. When a dog is hydrophobic, we kill him to prevent him from doing mischief-the only way to prevent a politician from doing mischief is to kill him. Who can kill him? The upright citizens, there are enough, can blot him out of existence by simply asserting their manhood. I recognize the fact that those men who go from
