EDITOR OF COLUMBIAN:

Feeling that some apology is due our friends from Bloom, as well as other portions of this county and Luzerne, who did us the honor of participating in the Democratic Jubilee on Friday, November 14th, in Berwick, for the rudeness and raffish treatment received at the hands of a portion of the Republican party of this town, and not repudiated, we regret to say, as far as we can learn, by any considerable number of the other portion.

We do most sincerely apologize for having subjected them, by invitation, to the insults, jeers and venomous speech of the drunken mob, who did what they could, but failed, thank God, to lette fro, bring about bloodshed, and forever disgrace the good name which this town and community has heretofore deservedly won.

OFFICEHOLDERS.

The office held by the Kidneys is one of importance. They act as nature's sluiceway to carry off the extra liquids from the system and with them the impurities both those that are taken into the stomach and those that are formed in the blood. Any clogging or inaction of these organs is therefore important.
