Bloomsburg, Pa.

ORDINANCE NO. 36.

ORDINANCE NO. 30.

Providing for the appointment of a sanitary committee, and regulating the use of sewer and connections therewith.

Be it ordained and enacted by the Town Council of the town of Bloomsburg, and it is hereby enacted by the authority of the same.

SECTION 1. That it shall be the duty of the President and Town Council immediately after the passage of this ordinance, and annually thereafter, at their first or second meeting after their election, to elect or appoint a sanitary committee, to serve one year, or until their successors are appointed to consist of three citizens of said town, whose duty it shall be to look after the sanitary condition of the town, and report to the superintendent of sewers, with suggestions or directions for improving and remedying any defect.

SECTION 2. That it shall also be the duty of the said President and Town Council in like manner to appoint a superintendent of all sewers and the sanitary condition of said town of Bloomsburg, for the term of one year, or until his successor by appointed, to receive reports from the sanitary constituent, the carries of the same, to superintend the laying of all sewer connections, or ask for in structions from the said president and town council.

SECTION 3. That whenever any portion of the SECTION 3. That whenever any portion of the

being completed, the couled shall, by resolution declare the same open for public use and connections therewith.

SECTION 4. That no connection with said seweshall be made by any person, in any other mannethan as provided by this ordinance or amendment hereto made, and the same shall be under an subject to the direction and control of the super intendent of sewers.

SECTION 5. When the sanitary committee shall deem any privy, cess-pool or house drain, locate on any property fronting on any street, on which a public sewer shall be open for use, to be a not sance or a danger to the inhabitants of the house or others, and if in their judgment, the said on mattee shall direct the superintendent of sewer to cause written notice to be given the owner o agent having charge of the property, or tenant forbidding the curliner use of said privy, cosspec or housestrain, and requiring the house to be drained by connection with the public sewer in accordance with the provisions of this ordinance and upon default of said owner, agent or tenant after thirty days from the service of such notice he or they shall pay a penalty of not less than on dothar for each day's default.

SECTION 6. It shall be unknown to construct and use any cess-pool on property fronting on an street, alley or court, or any portion thereof, it tersecting any street on which public sewers shall have been labt, after the same shall have been pened for public use.

halt.

No privy vault or cess-poot shall be conced in any manner with the public sewers, and a caused to be used they should be thereughly oscilout and fined with fresh cards.

### Council Proceedings.

Council met on Friday evening, July 24,

pursuant to adjournment, the president and Messrs. Moyer, Hagenbuch, Rosenstock and Sharpless, members present. Upon motion of Hagenbuch and Moyer, the Solichor was instructed to make the best possible terms with the Bloomsburg Gas Co., with reference to reduction of in-

terest and stay of execution upon their claims upon which suit was instituted. Building permit was granted H. V. White & Co., for the erection of a grain house along the south side of the D. L. & W. railroad. Permission was also granted G. B. Martin, to erect a pair of Fairbank's scales in front of his shop and within the imits of the Lightstreet road, he to remove the same upon thirty days notice, whenever it shall appear that the location of said scales obstructs the travel on said road. The ordinance to regulate the sewers and sanitary condition of the town as

sidered and unanimously adopted. On motion adjourned Resolutions of Condalenc

reported by the committee was then con-

Committee At the regular meeting of Espy Lodge No. 681 I. O. of O. F. held Aug. 1st, 1885, the following preamble and resolutions WHEREAS, It has pleased the Almighty

> death from amongst us, our well beloved as a member, therefore be it Resolved. That while we lame at the death of our esteemed brother, we humbly bow in submission to the decree of Divine providence, believing that He is an allwise ruler and that His decisions are right and

> Resolved, That that in this dispensation of our Father, we feel called upon to renew our diligence to work in the cause of humanity, knowing the certainty of death and the uncertainty of life. Resolved, That we sincerely and affecfamily and friends of our deceased brother, and express a hope that he who tempers the wind to the shorn lamb, may sooth them in their sore affliction and comfort them in their bereavement.

Resolved, That the charter of the Lodge be draped in mourning, and the members be requested to wear the usual memorial badge for thirty days, also Resolved. That a copy of these resolu-tions be sent to the family of the deceased; a copy spread on the Lodge journal and that they be published in the county papers at bloomshure.

At present writing we are having plenty of rain, and the summer crops are looking Mr. Andrew Ikeler, proprietor of the Stillwater flouring mills, is a very sick man. He is afflicted with a compfli-cation of diseases, and his advanced age
