February, each township will elect a tax collector who will collect all the taxes for his district. The collector of county, school, poor and road taxes by one person will place a large amount of money in the collector's hands. It is important, therefore, that no one be selected for this office except men who are active, honest, industrious and com-petent. To give it to any one simply petent. To give it to any one simply as a political favor would be a great mistake unless he possesses these qualifications.
