The Steam Heating Company have been considerably delayed with their boilers. The manufacturers did not finish them in time specified. The Heating Company have pushed the rest of the work very rapidly, except the erection of the building, which ought to have been finished long ago. Probably within the next thirty days the work will be completed, and it is to be hoped it will be entirely successful and the citizens take advantage of the comfort afforded by the use steam.

Tuesday evening December 22nd about fifty invited guests met at the house of D. F. Weiss to celebrate the fifteenth anniversary of the marriage of Mr. & Mrs. D. F. Weiss. A great many handsome and useful articles of glassware were given to the happy couple. The host and hostess seemed to have determined to outdo their many friends in the matter of presents and therefore gave a fine supper as any one could desire. At about 11 o'clock the party separated, all pleased with the few short hours spent together. May they enjoy their silver and golden wedding to the wish of their many friends.
