Mrs. Rose Terry Cooke, the cleverest chronicler now writing of rural life in New England, has written a new novel called "Steadfast."

Mrs. Mary A. Livermore is preparing a re-ply to Ouida's artic's in the last number of The North American Review arraigning "the sex" as weak and inferior. Queen Victoria's last work, "More Leaves,"

has been translated into Gaelic, and its author has ordered a comfortable edition for distriution in the neighborhood of Balmoral. Col. George W. Williams, the author of the "History of the Negro Race in America," is arranging for the publication of his "Military History of the Negro Troops in the War of

Henry George lives in a substantial looking house on Pleasant avenue, just above One Hundred and Twentieth street, New York. He is in the business of publishing his own works at 18 Astor place.

A dozen years ago Saxe was a stalwart broad-shouldcred, active man of 60. To-day he is a decrepit invalid, the victim of chron melancholia, never leaving his apartment and tottering from his bod to his easy chair hardly ever opening a book and shunning converse even with the members of his own

port, Kurrachee, from whence he starts for the rect of his overland journey. In his last letter he states that he is in splendid health and has before him a straight read, 1,330 miles long, leading through Delhi, Agra, Lucknow and other important cities to Cal-

ABOUT WOMEN

Mary Anderson is 28 years old. Mrs. George W. Childs is in poor health. The mistress of the White House wears a

No. 334 shoe. Chili has granted to the widow of Vice-Admiral Lynch a pension of \$6,000 a year. A woman at San Jose, Cal., the other day rave her husband \$5,000 to leave the state. Aunt Susie Grubbs, an old lady of 85, took

There are eight women physicians in Phila-delphia who have each an annual practice of over \$20,000, Mrs. Sherwood, writing from Aix-les-Bains

The residence of Mrs. Mark Hopkins, in process of erection at Great Barrington, Mass., will cost nearly \$3,000,000.

The only surviving child of Noah Webster is Mrs. Jones, of Bridgeport, who carries her 82 years with good health and vivacity. Mrs. Sunderland, of Washington, because of the brilliancy of the precious stones she wears, bears the title of the Diamond Queen.

Miss Mary Anderson is going to give four performances in October at Dublin for the benefit of the Charleston earthquake sufferers. The Queen of Naples is a proficient horse-woman. The London Truth says she ran a horse in a steeplechase at Baden-Baden re-

Queen Dona Maria Pia, of Portugal, shares with her sister-in-law, the queen of Italy, the distinction of being regarded as "the best dressed woman in Europe.

It cost a fashionable lady who was sojourning at Saratoga this summer \$500 for doctors' bills for attendance on a pet dog which was taken sick.—Albany Argus.

"The epitome of a woman's life at Saratoga is comprised in the phrase, 'mashes and smashes,' "a pretty Jowess is represented by The New York Sun as saying.

"Mark my word for it," said an elderly lady of Brockland, N. Y., "there's going to be a war. All these boy babies that have been coming along lately means something. The Queen of Spain is said to be suffering from pulmonary disease, which is making alarming progress. The affection is similar to that which caused the death of King Al-

Mrs. William Astor, it is said, will never again reign as a leader of New York society. Her affliction has taken such an unfavorable turn that she is precluded from again appear-

Mrs. Cleveland's Washington protographe declares that next to the president's wife, Mrs. Senator McDonald is the handsomest woman that ever came into his establishment

Queen Victoria will take her drives about Decside in a carriage the principal interior decoration of which consists of the rose, the thistle and the shamrock interwoven in vari-

ous fantastic forms. Miss Varina A. Davis, the youngest daughter of Jefferson Davis, is visiting Richmond for the first time since she left it, as a babe, with her parents, on the eventful night when it was evacuated by the Confederate army. She was once called the "Daughter of the Confederace,"

of the Confederacy,' "Angular writing," says The Philadelphia Press, "is now very fashionable with ladies whose epistolary efforts consist of invitations and their replies. If you receive a particularly square-shouldered, two-words-to-n-line-writ

ten note, be happy; it is the latest style, and can be read at forty paces without glasses. A Washington belle announced the breaking off of her engagement with a young army officer in a novel way. She issued invitations for a luncheon to a few of her most intimate friends. The centerpiece of the pretty spread table was formed of a mass of biossoms, in the

midst of which, heavily draped with crape, rested the young officer's photograph,

A 7-year-old girl was drowned in a pan of milk at Howe island, Canada, a few days ago. A bit of paper stuck to the wheel of his baggy, and fluttering as it revolved, attracted the attention of James Wood, of Portland, Me., just as he stopped to get out. He picked it off, and found it to be a 81 bill.

J. M. Means, of Liberty, Mo., has a 40-yearold clock that is a perfect baremeter. Just before a rain the bell, usually of a clear and distinct tone, tells the hours in a tone so dull and muffled as to be hardly audible. It never

Nick Farber, of Columbus, Esmeralda coun ty, Nevada, went to bed a few evenings ago, and when he awoke in the morning he found his jaw dislocated. How it happened no one

A white convict recently escaped from a A white convict recently escaped from a gang working on the Georgia Midland rali-road. A bloodhound was put on his trail and afterward found manueled to a tree with the convict's shacides. Two new degs were started after him, and when they caught him he made friends with them, and traded them to a negro woman for his dinner. He has not been caught

CHURCH NOTES.

The new mayor of Shanghal, China, is a ative Christian. The government of Japan has forbidden lecturing against Christianity.

Protestant religious meetings in Paris wer last year attended by 450,000 people. A Chinese Sunday school will be opened shortly in an Episcopal church in New York. The Methodist church in Canada now numbers 1,700 ministers and nearly 200,000 members.

The Baptists of the northwest have sent two of their colored brethren as missionaries to the Congo.

In January, 1888, the Church of England will celebrate the centenary of its establishment in Australia. The gospel is preached in the United States in fifteen different languages by members of the Lutheran church.

The Rev. Sam Jones will conduct a five weeks series of revival meetings at Boston

ome time this fall. A Presbyterian church built of petrified wood is one of the curiosities of Mumford, Monroe county, N. Y. Rev. Dr. Beard, pastor of the American church in Paris, says the outlook there for the

future is most encouraging.

The Methodist mission in Utah has received

during the last year 168 members, sixty-one of whom have been Mormons. Dr. Lansdell, the English missionary, dis-tributed in one year no less than 56,500 bibles among the exiles of Siberia.

The annual meeting of the New England Congregational Sunday school convention will be held in Hartford Nov. 16 and 17. Over 84,000 of the Sunday school scholars of the Methodist church in Canada are pledged abstainers from intoxicating liquors. It is rumored that the pope has inaugurated measures in this country for paying off the debt of \$4,000,000 of the late Archbishop

Established church of Scotland has 564,445 members; Free church, 329,541 members, and the United Presbyterian church, 177,517

The Advance tells of a Methodist church in

The new cathedral of Ballarat, Australia is to be built on the present site of Christ church in that city. It is to be of stone, and the cost is not to exceed £35,000, exclusive of

tower and spire. Remains of the ancient church in North Africa are at last coming to light. A large Christian basilica has been discovered near Philippeville, in Algeria, and a Latin epitaph recording the martyrdom of Digna—prob-ably in the persecution under Diocletian.

The last report of the international com-mittee of the Young Men's Christian associa-tion shows the startling fact that 75 per cent. of the young men of this country are never seen inside of any church; that only 15 per cent of them are regular church goers, and that but 5 per cent. are communicants.

At the close of the services in a camp meet-ing recently held by the Winehennarians, as they call themselves, members of the "Church of God," at Mt. Sewickley, thirteen men and of God," at Mt. Sewickley, thirteen men and dinesteen women sat down in front of the pulpit and removed their shees and stockings. One of the men then removed his coat, put on a white apron and washed the feet of his twelve brethren and one of the women did the same thing to her eighteen sisters. Then the man and the woman had their feet washed in turn, after which a general hand-shaking and kissing took place.

German photographers have succeeded in cerman photographers have succeeded in photographing a projectile in course of its flight, and some of these photographs show the head of condensed air which precedes every shot. It is said to be this "head" which prevents even skillful riflemen from hitting an empty egg shell when hung on a long thread. The air blows the shell out of the way of the buildt.

Goethe's house in Frankfort is now visited by all tourists who pass through that city. Among the recent additions to the curiosities stored in it is a Punch and Judy box which used to amuse the poet as a child.

ITEMS ABOUT INDIANS.

They say that Geronimo is a Mexican and not an Indian.

Twenty-five young Chippewas have been sent to school at Denver, Col., from Neche,

In a single day an Indian family of Pierre, D. T., spent the entire proceeds of the sale of their farm for trinkets.

The working of the typewriter is a great curiosity to the Indians who appear in the Bismarck (D. T.) court as witnesses.

Red Cloud, the great Sloux Chief, says:
"So long as the Great Father knows that
we cannot earn our own living he will give
us rations and blankets, but if he thinks we

know how to take care of ourselves we shall get nothing more from him. What we want is white men to plant our corn. Warriors don't work." Red Cloud has a long head.

NATURAL HISTORY NOTES.

Chick-chick-er-re-kee

ASK YOUR GROCER FOR IT. ASK YOUR DRUGGIST FOR IT.

Prevents Roup, Prevents Gapes, Prevente Cholera, Prevents Egg-Eat-Ing. Prevents Laying Soft Eggs, Makes Hens Lay.

IT IS NO POWDER. IT IS NO MEDICINE.

It Sells for Five Cents Per Pound, in Boxes.

Chick-chick-er-re-kee (poultry food and preventive of disease for poultry), the great egg food, produces eggs recolliquinty, and is good for the health of the fowling. It is the first article of its kind ever Patented in the United States, Canada and England. Try it, it costs only five cents per pound. It is no powder. Chickens will est it. That ought to convince you that it is good. If your Grocer, Druggist, Hardware or Country Storekeeper will not get it for you, send me one dollar, and I will ship you at wenty-pound how by freight, or one hundred pounds for five dollars. A large box will cost you no more freight than a small box. Attend to your poultry, if you want to make a profit out of them, just the same as you attend to your land. Unless you manure your land it will not pay you. Just so with poultry, you must give them something besides feed. They must have material to answer for grinders, and material for the egg. If you feed Chick-chick-er-re-kee (egg food) every day you will never have any sick chickens, and your hene, will lay eggs when otherwisthey would not. You will never do without it after a fair trial. Do not pay twenty-five or fifty cents a pound for medicine to feed your your type when you can get a better arisle from your type when you wan get a better arisle from your tree with the same and the cents a pound. Don't he a claim; try it. Manufactured in the United States only by Chick-chick-er-re-kee (poultry food and pre-
