Ex Vice President William A. Wheeler is now living an invalid at his home in Malone, N. Y. He is said to be but the mere wreck of his former self ; his eyes are sunken and dull, and his complexion sickly. His relatives studiously keep him from either public or social assemblages. He clings tenac-iously to his physician, Dr. Gay, who is in almost constant attendance. If the latter defers his stated visits but for an hour, he is sent for at once. Not a night passes that the physician does not attend and assist the sufferer to procure a semblance of sleep.

Ex President Arthur was buried on Monday, the services being held at the Episcopal Church of the Heavenly Rest, New York. No escort but the guard of honor composed of artillery-men of the regular army and marines was permitted, and the obsequies were conducted in the simplest manner possible. For this the American people should be thankful. The death of prominent men has come to the an oceasion for great display, and an extravagant expenditure of public money The relatives of the deceased displayed good taste in refusing to permit the burial to be made an occasion for a grand jubilee.

WASHINGTON LETTER

[From our Regular Correspondent.] Washington, D. C., Nov. 23, 1886. Yesterday was the day of ex-President Arthur's funeral, and all of the Executive Departments were closed and the clerks had holiday. The United States Supreme Court adjourned from Friday until Tuesday for the same reason. All of the public building in Washington are draped in black for the dead ex-President and flags are authorities. There was occasional rec displayed at half mast. Thanksgiving Day. The occasional observance of a day of thanksgiving, formerly recome ed by the civil authorities, was not un usual in Europe, and such a day was observed in Leyden, Holland, Oct. 3, 1575, the first anniversary of the deliverance of that city from siege. In 1608 the Pilgrim church, exiled from England, went to Holland, and remain-ed there till 1620, when it sent off the Mayflower colony to New England. After the first harvest of the colonists at Plymouth in 1621, Gov. Bradford eent four men out fowling, that they of fasting and prayer was appointed on account of drought. Rain came abundantly while they were praying, and the governor appointed a day of thanksgiving, which was observed with religious services. The Charlestown records show a similar change of fast Ireland. In June, 1632, Gov. Wiathrop, of the Massachusetts Bay colony recommended a day of thanksgiving on account of action of the British privy council favorable to the colonies, and invited the governor of Plymouth colony to unite with him. There is record of the official appointments of days of thanksgiving in Massachusetts Bay in 1633, 1634, 1637, 1638, and

A Great Victory A Terrible Case of Scrofula Cured by

Hood's Sarsaparilla

"In the winter of 1879 I was attacked with Scrofula in one of the most aggravating forms. At one time I had no less than thirteen large as one time to make the sea than thereet large absesses over and around my neck and threat, continually exuding an offensive mass of bloody matter disgusting to behold, and almost intolerable to endure. It is impossible to fully describe my sufferings, as the case was complicated with Chronic Catarrh. After three years of misers, busine how the test of three years of misery, having been treated by three physicians, I was worse than ever. Finally, on the recommendation of W. J. Huntley, druggist, of Lockport, I was induced to try Hood's Sarsaparilla. And now, after having taken twelve bottles, within the last having taken twelve bottles, within the last twelve months, the scrotilous eruptions have cutirely ceased, and the abscesses have all disappeared, except the unsightly scars, which are daily becoming 'smaller by degrees, and beautifully less.' I do not know what it may have done for others, but I do know that it may case, floods Sarsaparilla has proved an effective specific indeed. As an evidence of my gratifude I send these facts unsolicited, and I am ready to verify the authenticity of this cure, by personal correspondence with any one who doubts it." Charlies A. H. J. CLARK & SON, BLOOMSBURG, PA. THE CHANCE OF A LIFE-TIME.

CUT THIS OUT.

A LIFE-SIZE CRAYON PORTRAIT, FRAMED, COMPLETE, FOR \$15.00. Being desirous of placing our work more fully before the pubic, and after much thought and deliberation, we have resolved to make a certain number of our Elegant Life-size Crayon Portraits, including an elegant gold frame, for the exceedingly low price of \$15,00. We intend to have at least one of our Life-size Crayon Portraits in every city and village in this country, and to introluce them we will make one of our \$30,00 Crayon Portraits for he person who will bring or send this advertisement and furnish us a good photograph or other small picture, from which they desire a Portrait to be made. Nearly every family possesses the small picture of some friend, deceased or living, whose memory they cherish, and a good portrait of whom they would value as a priceless gem. The uncertainty of life admonishes all that do not possess a Portrait of their darling boy or girl, or of Father or

ourney, that this matter should no longer be neglected. The Oportunity is now Offered You

Mother, Wife or Husband, who may be nearing the end of life's

o get absolutely without charge, except moderate cost of frame an elegant Crayon Portrait that will never change or fade. The chance of obtaining one of the number is now offered to you. Remember we guarantee satisfaction in all cases, or in other words; the Crayon Portrait will be a perfect likeness, enlarged from the small picture furnished to us; therefore, try and secure as good and clear a picture as possible, for much depends upon its correctness. If at present you have no suitable picture to copy from if you will call upon us we can aid you very much in getting one that will certainly make a good Crayon Portrait, as the lights and shades of the small picture, if sharp and clear, will so appear in the Crayon Portrait.

After a certain number have been placed before the public in he above gratuitous manner we will then charge \$30,00 for every Crayon Portrait made by us, framed. You are invited to call and examine our Portraits before giving an order to us, and in case you reside so far away that you can not conveniently call, perhaps you have some friend that would examine our Portraits and

Frames and report to you. Our sole object in making these Crayons on the above terms being to introduce them into families where they can be seen by friends that may want a Portrait made after the time that our gratuitous offer has expired. We earnestly value and covet your patronage, and we mean no intrusion in submitting our special offer for your consideration, believing that your good judgment will prompt you to inspect our work and give us at least ONE order. Be careful and preserve this advertisement as it possesses a val-

ae in Fine Crayon Work of at least \$30,00. This advertisement must, in every case, accompany the order, either in person or by etter, as the case may be. Where parties have to order by mail we will send the ortrait framed, C. O. D. by express, subject to examination, and if not satisfactory in every particular, it costs you nothing. Therefore, you take no risk in getting a cheap, inferior Portrait. Par-

ticular attention given to orders received by mail.

N. B. This advertisement must be presented on or before Jan. st, 1887; after then the regular price will be charged.
