VOLUME TWENTY-ONE.

With last week's issue the COLUM-BIAN completed its twentieth volume. The first issue as a Democratic newspaper was on January 4th 1867. It owned by a stock company, and was under the editorial management of Col. J. G. Freeze. On February 15th, 1867 Capt. C. B. Brockway became associated with him, and soon afterwards the stock was bought up by the latter, and he took entire charge. In Jan-uary 1869 the Bloomsburg Democrat was purchased by Mr. Brockway and consolidated with the COLUMBIAN. The paper changed hands several times until October 1879, since which time it has been controlled by the present owners. For twenty years the COLUM-BIAN has been a staunch, Democratic paper. We are deeply grateful for all past favors, and we respectfully solicit a continuance of the confidence and support of the party, and in return, we promise that every effort will be put forth to make the COLUMBIAN better than in the past. So long as the present management continues it will stand by the party organization, it will denounce treachery when discovered, it will disbolts, and its efforts will not courage be directed towards the political preferment of the editors rather than the good of the party. Governor Pattison's Measage.

The Governor's message was pre-sented to the Legislature on Tuesday. It is very lengthy, and deals with all the leading questions of state interest, It suggests the repeal of the act authorizing borrowers to contract for the payment of taxes on loans ; that moneys received from licenses should go into the county treasuries ; a revision of the P. Young, in which he spoke about tax laws; recommends a law abolishing the needs of a central high school in fees and fixing salaries for the Attorney each district and reducing the number General and Secretary of the Commonwealth ; the abolition of the poll tax ; ed having the public school building the erection of a fire-proof building for the state library; the amendment of ing in some fence corner as many now do. He said he believed in compul-Health ; the more expeditious hearing of capital cases in the Supreme Court ; books, skilled teachers and technical legislation with reference to the sale of intoxicating liquors ; revision of the license system ; restraint upon divorces. It gives a history of the Soldiers' han Schools difficulty, and of the suits begun by the attorney general against corporations to enforce the provisions of the constitution. In osing the Governor says :

This is the last communication which it will be my privilege to transmit to the General Assembly. Impressed with an earnest desire to leave no effort untried, and no information uncomnunicated that will aid in advancing the public weal and perfecting our fabric of Government, I have set out my views at considerable length. Failing Health.

Falling rieatth. Ten years ago my health began to fail. I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervous-ness. I tried various remedies pre-scribed by different physicians, but became so weak that I could not go up stairs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever. - Mrs. E. L. Williams, Alexandria, Minn.

E. L. Williams, Alexandria, Minn. I have used Ayer's Saraaparilla, in my family, for Scrotula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded. — W. F. Fowler, M. D., D. D. It would be impossible for me to de-scribe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. It was under the care of various physicians, and tried a great many kinds of medicines, but never obtained more than temporary re-lief. After taking Ayer's Sarsaparilla for a sliott time, my headache disap-peared, and my stomach performed its ulaties more perfective. To-day my health is completely restored. - Mary Harley, Springfield, Mass.

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla. It tones and invigorates the system, regu-lates the action of the directive and assimilative organs, and vitalizes the blood. It is, without doubt, the most rehable blood purifier yet discovered. --H D. Johnson, SS Atlantic avenue, Brooklyn, N. Y.
