

The Columbian.

Published weekly, except on Sundays and public holidays. Price, 10 cents per copy. In Advance, \$2.50 per Annum.

FRIDAY, JANUARY 21, 1887.

There are too many ministers of the Gospel who mistake the purposes of a funeral sermon. As we understand it, such a discourse is intended as a lesson for the living, and is addressed to the friends of the deceased.

In last week's Sentinel the following sentence appears: "Pridding on the mercantile life was a sort of upon which the county commissioners could fatten at the expense of the people's money."

What does this mean? If it is an insinuation that the papers that have printed the mercantile list have paid the commissioners or appointed agents to do so, it is utterly false so far as the COLUMBIAN is concerned. It is true that the COLUMBIAN has offered or paid anything for the privilege, it owes it to itself and the public to tell it.

Gen. W. B. Hazen, chief signal officer of the Army died at Washington on Sunday. He was at the President's reception on Thursday evening and appeared to be in good health but he caught a severe cold on his way home, and died of congestion of the kidneys.

BEAVER INAUGURATED.

The inauguration of Gen. Beaver took place on Tuesday. There were five thousand strangers in Harrisburg. The appointments by the Governor are as follows: Secretary of the Commonwealth, Charles W. Stone.

MUST THE SENATE CONFIRM?

The question has been raised as to whether the Governor can fill a vacancy in a judicial office without the approval of the Senate. The twenty-fifth section of Article IV of the constitution of 1874 is as follows: "Any vacancy happening by death, resignation or otherwise, in any court of record, shall be filled by appointment by the Governor, to continue till the first Monday of January next succeeding the first general election."

It is expected that the Senate will act upon the proposed bill of Commerce by Railroad at 10 o'clock on Friday, but no one knew how many Senators would be found supporting that opposing the bill. It came triumphantly through by a vote of forty-three to fifteen.

Miners in Battle Array.

ORGANIZING A NATIONAL ASSOCIATION. A gigantic scheme for the general organization of all the coal miners and mine laborers of the United States under one banner is now being accomplished by the Knights of Labor.

There are two rules on the construction of constitutions that are applicable to this case. One is that when two sections are conflicting, one of which is new, and the other has already been in force in a previous instrument, the old one shall stand.

Castly Steps Out.

THE CORPORATIONS SUITS REQUESTED BY THE INCOMING ATTORNEY-GENERAL.

Attorney General Cassidy's prosecution of the commonwealth's suits against the coal and trunk line pools came to an end Saturday, and the responsibility for a continuation or suspension of the raid goes as a legacy to the new law officer of the state.

The prominence gained by Governor Risk, of Wisconsin, in the labor troubles of last May lends additional weight to his comments on the strike.

The purpose of the organization is not an immediate demand for higher wages or shorter hours, but to establish a mutual understanding for concerted action in other directions.

WASHINGTON LETTER

From our Regular Correspondent. WASHINGTON, D. C., Jan. 18, 1887. The passage of the great Inter State Commerce bill, which is the result of a popular movement, beginning twenty years ago, is the greatest event of the past week in Congress.

Now that the Anti-Mormon bill has been passed by the House, one hears a good many comments which indicate an appreciation of the severity of the measure.

employed in regions where the same kind of coal is produced, or which is shipped to the same market, are grouped together in separate districts.

The Marine band which furnishes music at White House receptions, is in high praise of the present Administration. Mr. Cleveland feeds them well and is sociable and kind to them and Secretary Whitney is a man just after their own hearts.

The grouping of Pennsylvania districts is as follows: Division 1 embraces the miners of all the anthracite coal regions of Pennsylvania. Division 2 embraces the miners of bituminous and semi-bituminous coal in the Snow Shoe, Clearfield and Broad Top regions of Pennsylvania.

The far famed Marine Band is composed of thirty-eight men, and the salaries paid them \$24 for second class, and \$21 for third class. The leader gets about \$1,000 a year.

He Fleeced the Legislators.

A man named Bennett was arrested at Harrisburg last week and held for court on the charge of obtaining money by false pretenses. He represented himself as a correspondent of the Philadelphia Press, and collected a sum of money from members of the legislature.

M. S. Quay was elected U. S. Senator on Tuesday.

C. B. Farwell will succeed Gen. Logan as United States Senator from Illinois.
