## THE COLUMBIAN AND DEMOCRAT. BLOOMSBURG, COLUMBIA COUNTY, PA.

The President last week appointed Alexander McCue of New York pres-ent Solicitor of the Treasury, to-be Commissioner of Fish and Fisheries, to succeed the late Professor Baird.

When Gov. Foraker of Ohio is se ashamed of the action of his political friends that he attempts to apologize for, and explain away the insult offered the President at Wheeling, as an accident, and one of those "unfortunate occurrences" for which no one is to blame, the public may feel sure that something pretty had has been done.

If Democratic members of the G. A. R. had refused to march under the IC. had refused to march under the portrait of a republican President, and had trailed the American flag in the dust, as did the republican G. A. R men at Wheeling, Va. last week, the columns of their party organs would have teemed with denunciation of the act as disloyal and treasonable. If the organization permits an open insult to be offered the Chief Executive of the nation because he is a Democrat, the sooner it disbands, the better, for it has then become a mere political organiza-tion to be run in the interest of the vepublican party. If such things are permitted the democratic veterans should organize a loyal G. A. R. which will respect the President of the United States without regard to political par-

The difference between the soldier The difference between the soldier and the brawler who is steadily bring-ing disgrace upon the veterans of the country, was sharply defined at the re-union of the Army of West Virginia in Wheeling on Friday last. Among the street decorations for the occasion, was a large portrait of President Cleve land suspended across the street from the *Register* office on which were the the Register office, on which were the -"God Bless our President, Commander-in-Chief of our Army and When the front of the column Navy." of soldiers reached the flag, they turned from the street to the pavement and drooped their flags, exhibiting their purpose to display the utmost contempt for the President as advised by Brawl-er Tuttle. Fortunately for the credit of the veterans, the column of Encampment No. 1, of the Union Veteran L gion, of Pittsburg, came up and march-ed squarely under the banner with up-right flag-staffs and showed their selfrespect as soldiers by saluting the Cleveland banner.

The fact that a lot of brawlers were responsible for this disgraceful conduct of a few soldiers, is evinced by the crowd of fellows who met the march-

Under the swamp land law, passed by Congress in 1850, authority was granted certain States, with public lands in their borders, to drain and reclaim all swamp and overflowed lauds, preparing them for purposes of agriculture; later, acts were passed granting to the States with such lands an indemnity of \$1,25 per acre for each acre of swamp land sold by the Government after the act of 1850 and up to the date of the indemnity act of 1855.
