THE advantage of using an article that is pure and always uniform, is, you are certain of having the same satisfactory results. Eight prominent Professors of Chemistry, of national reputation, have analyzed the IVORY SOAP, and the variation in each is so trifling that the quality of the 'IVORY' may be considered reliably uniform.

A WORD OF WARNING. There are many white soaps, each represented to be 'just as good as the Ivory', they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for 'Ivory' Soap and insist upon getting it.
