The good news comes at last that Jack Frost is driving away the yellow fever pestilence in the South.

Bloomsburg is credited with a con tribution of twenty five dollars to the Democratic National Committee. This was raised through the efforts of J. M. Clark Esq., and is only the first instalment of what will be given.

An Eloquent Speech.

The trial begins when the jury is charged with the prisoner, and that happens as soon as the jury is empan-neled and sworn. From that time he is in jeopardy, and he cannot be tried again for the same o'lense, except he be brought within the rule that has been clearly established by the Supre-me Court for many years. In the glory of triumph and the gloom of defeat it has been faithful to the principles of liberty and equality among men in the sense that they were under by the founders of the republic.
