Chairman Barnum, of the democra tie national committee, spent Saturday in this city, in consultation with pro minent democrats. He reports the

They will call on th President this week.

Judge Thurman left for home Fri day evening. While here he spent several days with the President Oak View. After the 4th of March the old Roman will again take up hi residence in Washington.

Postmaster General Dickinson confined to his house with a severe cold, contracted during his recent trip West.

The bill placing Gen. Alford Pleas anton on the retired list of the army with the rank of major, has been pas ed by the House and Senate, and now in the hands of the Prosident. It is feared, however, that its passage will be of little benefit to the genial cavalryman, as he is lying dangerously ill in this city.

Chief Justice Faller, during his first week, made a marked impression on the large number of distinguished lawyers in attendance upon the ses- Ru sions of the Supreme Court, by his dignified bearing and manners.

A Year's Work Done in Ten Days. From the Chapiain of Exeter College, and Hough-ton Syria Prizeman, Oxford.

The quality is sterling and with-

out a fault. The styles and

patterns most select.

From the Chapithin of River Conlege, and Hough-ton Syria Prizeman, Oxford. Dear Str .--In April, 1883, while thinking of tak-ing orders in September, I suddenly received notice that my ordination examination would be held in a forthicht. I had to break up my home, and, as a consequence I nad only ten do days in which to prepare for the Exam. I should recommend a year's preparation in the case of any one so utterfy upprepared as I was: but your system had so strengthened my natural memory, that I was able to remember and give the gist of any book after reading it once. I therefore read Lightford, Protor Harold Browne, Mosheim, &c., &c., ance, and was successful in every one of the nine papers. The present Bishop of Edinburg knows the facts, for he lent me the books. Faithfully yours, (Rev.] JAMES MIDDLETON MACDONALD, (M. A.) To Prot. A. Loisette. Coll. Exon. Oxon., Sept. 55,
