## News Itoms

Railroad trains are being experi-mented with in regard to besting, but no ne scems to have just the right thing. A number of cars on the New York roads are heated by steam, but when the engine is detached the cars become as cold as a barn. The heat wanted is a steady one, and one that can be de-pended on to be around when wanted.

The goosebone said that we would cotton Handkerchiefs, just as have winter weather in November, and we have bad it. Its further predictions indicate a hard winter all through. Heavy storms during the Christman Heavy storms during the Christmas holidays.
