

The Columbian.

G. E. Elwell, J. E. Bittenbender, Editors. BLOOMSBURG, PA. FRIDAY, OCTOBER 11, 1889.

Hon. E. A. Bigler, democratic candidate for State Treasurer, will be in Bloomsburg on Saturday.

HUSBAND AND WIFE. Among the decisions of the Supreme Court filed on Monday at Pittsburgh, was one in the case of Small vs. Small, from Franklin county. The question involved was whether, under the Married Woman's Property Act of 1887 the wife can sue her husband directly and in her own name for money received by him from her separate estate. The Court answers it in the negative. The phraseology of the act upon this point leaves it in some doubt, and Judge Mitchell says: "This Court is led to say now, as it has said with marked emphasis heretofore, that so great a change in the policy of the law upon a subject that may come home to every household in the land should not rest on inference or implication from general words, but should appear by the explicit and unambiguous mandate of the Legislature, and when the change is made, if at all, it should be done in such form as to guard against the possibility of injustice in regard to past transactions."

Democratic Society of Pennsylvania. The General Assembly of the Democratic Society of Pennsylvania of which Chauncey F. Black is President will meet at Philadelphia on Oct. 15, and 16, inst.

The following distinguished gentlemen are fully expected to be present at the Mass Meeting of the Oct. 16, at the "Academy of Music." Ex-President Grover Cleveland, Speaker John G. Carlisle, Gov. Leon Abbott, Hon. Wm. L. Wilson, West Virginia, Hon. Wm. C. Whitney of New York, Governors Jackson of Maryland, and Biggs of Delaware, Hon. W. C. P. Breckinridge of Kentucky, Hon. Wm. L. Scott, Hon. W. E. Russell of Boston, Colonel Robert P. Decher, Hon. Chas. Krumpholtz, Hon. W. U. Hensell, Mr. Elliott P. Kissner, Hon. Samuel J. Randall, Hon. Robert E. Wright, Hon. Richard Vaax, James M. Beck and other distinguished gentlemen of the great Democratic party.

A general invitation is extended to all Democrats, now is the time to meet for an interchange of views concerning future plans and purposes of this organization, and to promote a general feeling of fraternal interest among the Democratic Societies, and Associations in all parts of our State. The Pennsylvania Central, Philadelphia and Reading, and their several connections, have declined to sell excursion tickets to all deputies, representing Democratic Societies, etc. Secretaries are requested to make requisition upon Major John D. Workman, Secretary Democratic Society, for ticket orders.

List of officers and members, with names of deputies, should be transmitted to the Secretary without delay.

WASHINGTON LETTER.

(From our regular correspondent.) Washington, D. C. Oct. 7, 1889. Ex-Postmaster General Hutton has created a sensation by printing in his paper the time, place, and even the price, for which a list of the questions to be asked at an examination held in this city by the Civil Service Commission was furnished to a party here. The list was furnished by an employee of the commission, who is a brother-in-law of Commissioner Lyman, and to clerical matters he has printed a letter from ex-Commissioner Edgerton to President Harrison, written last April, containing the same charge. A congressional investigation is now a foregone conclusion even to the Commissioners, at least the new ones—Messrs. Roosevelt and Thompson—admit that such an investigation is necessary and Hutton claims to be prepared to produce other things equally as damaging against the methods that have been used by the commission. Every one is wondering why President Harrison did not at once order an investigation upon receipt of Mr. Edgerton's very plain letter. Such things scarcely belong to the Civil Service Commission in getting from Congress the largely increased appropriation which will be asked for at the coming session.

There is no truth in the sensational statements sent from here to the effect that the representatives of Chili refused to attend the organization of the Three Americas Congress because they did not wish to vote for Mr. Blaine as President. The only reason that Chili was not represented was because delegates, who is to serve with Senator Don Yanes, the Chilean minister here, has not arrived with his own and the ministers credentials, and without them the minister although here, could not sit in that body. This statement is made by the minister.

Washingtonians are out doing themselves in entertaining the quarter of a million strangers now here in consequence of the triennial Conclave of the Knights Templars. Every one seems determined to show that strangers are better treated here than in any other large city in the world. The town is as lavishly decorated as if it was an aggregation times our public schools give holiday, and the stores and banks will close as far as possible to-morrow, to enable everyone to see the largest parade of Knights Templars that ever took place. The President has caught the Washington spirit and will hold a special reception to-morrow night for the Knights and their ladies. The Knights are already enthusiastically in favor of Washington as the place for the World's Exposition of 1892 as we know they would be.

The new Commissioner of the Land Office holds in a decision made a day or two ago that a strict construction of the law requiring an actual residence to be established on a home stead entry will in six months from date of entry should not be taken in the cases of those settlers that give evidence of honest intention to comply with the law.

Appointments have been few, unimportant, aside from the long list of Presidential postmasters, since President Harrison came back to the white House. There are probably several things which will account for this. First and foremost is the seemingly endless hunt to find a man for Pension Commissioner that stands well with the G. A. R. which the President greatly favors, that will take the place and promise to run the office on the lines laid down by Secretary Noble.

A Suggestion that Saved My Life. I took a severe cold and suffered pain through the back and kidneys, I sent for a physician, who pronounced my case grave. A friend recommended Dr. David Kennedy's Favorite Remedy, of Rondont, N. Y., and after taking two bottles I consider myself perfectly cured.—John Davies, Rochester, N. Y. What more could be asked.

Take Hood's Sarsaparilla 60 Doses One Dollar. The chief reason for the great success of Hood's Sarsaparilla is found in the fact that it is a medicine that actually cures what it is claimed to cure. It has given to this medicine a popularity and sale greater than that of any other sarsaparilla or blood purifier before the public. Hood's Sarsaparilla cures Scrofula, Salt Rheum and all Humors. It cures Headache, Biliousness, overcomes that Tired Feeling, builds up the Appetite, strengthens the Nerves, creates up the Whole System. Hood's Sarsaparilla is sold by all Druggists. \$1.50 per Bottle. Prepared by C. L. Hood & Co., Apothecaries, Lowell, Mass.

GENERAL NEWS. Francis Hodgson Burnett, the author, is seriously ill at his home in London. Hon. Seth Low of Brooklyn, has been elected President of Columbia College. The Prohibition Amendment was defeated at the election in Connecticut last Monday.

The city of Norwich, Conn. went democratic last Monday for the first time in many years. Samuel J. Randall is reported to be very ill, and it is feared that he will not be able to return again to congress.

The State Supreme Court opened its fall session in Pittsburgh on Monday. A large number of opinions was handed down.

Mormons from Utah are flocking into Northwest Canada, taking their plural wives with them as sisters, cousins and aunts. Oregon has been admitted as a regular diocese by the Episcopal Convention in New York City. It has been a missionary diocese for many years.

James Joseph Bozle, an ex-prize of the Roman Catholic church, has been convicted of rape in Raleigh, North Carolina, and sentenced to death. He has appealed his case to the Supreme Court.

An expedition will sail from New York on Saturday to go to West Africa for the purpose of witnessing the eclipse of the sun which occurs on December 22. The party including the astronomers will number twenty-five. It will be a hazardous expedition, as the observations will be taken in the interior of Africa, about 100 miles from the west coast, in a section in fact, that has never been reached by the feet of the virulent and fatal forms.

Mrs. Robert Ray Hamilton has at last been taken to the penitentiary at Trenton, and for the next two years will wear a prison garb for stabbing the nurse, Mary Donohy. She was hysterical the first night, and kept the matron awake. The report that she had her husband again under control was not correct, as his suit for divorce is going on in New York. It is to be hoped now that the name of this notorious woman will no longer fill the newspapers.

The New State Elections. It is now settled that the Democrats of Montana have elected Toole Governor by about 800 and a majority of seven and probably nine on joint ball lot in the Legislature, thus securing the two United States Senators. The Republican select Carter to Congress by about 1,200 and the other State officers are divided between the two parties, but the exact proportion to each is not yet ascertained. The Republican party for Carter for Delegate to Congress last November was 5,128.

Washington has elected an entire Republican State ticket and Congressmen by from 6,000 to 7,000 majority with a large Republican majority in the Legislature that will elect two United States Senators. The Republican majority in Washington for Delegate to Congress last November was 7,371.

North Dakota has elected the entire Republican State ticket and two Congressmen, by from 8,000 to 10,000 majority, and a large majority of the Legislature that will elect two Senators. The Republican majority for Delegate to Congress last November was 11,489.

South Dakota has elected the entire Republican State ticket and two Congressmen by from 12,000 to 15,000 majority and a large majority of the Legislature that will elect the two new Senators. The Republican majority for Delegate to Congress last November was 14,657.

The sum total of the October elections in the four new States is the Republican holding their own in three of them, and losing Montana where they had a large majority last November.—Times

Tax Collector's Law Unconstitutional. An important opinion was rendered by Judge Archbald in which he declared the Act of June 25, 1885, providing for the election of tax collectors in boroughs and townships unconstitutional. The case came up on a rule to show cause why the County Commissioners should not be compelled to sue to Thomas J. Jordan of Olyphant. Mr. Jordan was elected tax collector for that borough. He qualified, filed his bond and took the oath of office. Then he demanded the duplicate of county taxes from the County Commissioners. They refused to deliver it to him, claiming that the Act of 1885 was unconstitutional, and he thereupon commenced proceedings.—Scranton Truth.
