BLOOMSBURG, PA. FRIDAY, FEBRUARY 7, 1890.

The sympathy of the whole country will go out towards Secretary Blaine and his family in their sad bereavem nt. In little more than a month a brother of Mr. Blaine, a sister of Mrs. Blaine, Walker Blaine, the favorite son, have died, and on Sunday last Mrs. Coppinger, eldest daughter of the Secretary died at her father's house in Washington. Secretary Blaine is prostrated by

While Secretary Blaine's daughter was lying dead in Washington the wife and daughter of Secretary of the Navy Tracy lost their lives. The residence of Mr. Tracy burned on Monday morning, and Mrs. Tracy was killed by jumping from a window, and the daughter was burned to a crisp. The Secretary is suffering from the effects of inhaling smoke.

At the recent meeting of the State Editorial Association at Harrisburg J. Irvin Steel, editor of the Ashland Advences, was elected President for the ensuing year. Mr. steel is one of the coldest members of the organization and has helped to make it what it is. He is a gentleman of education, delight is a gentleman of education, delight, ful manners, good looks, and of course being an editor is necessarily possessed of great wealth. While honoring him, the Association has honored itself in selecting as its presiding officer, one so capable and worthy.

As no business is done in the Sulli-date for the office of County Superintendent, and van county courts on the first day of the term until three o'clock in the afterthe term until three o'clock in the afternoon owing to the fact that the President Jadge cannot get to Laporte until that time, the Dushore Review wants the associates to charge the grand jury and have all the routine work done by the time the Judge arrives. There are some things that associate Judges are very useful for, but to charge the grand jury requires a wide knowledge of the law that associate Judges do not ordinarily possess. It may be different in Sullivan county.

awfully when I told her what to do for those horrid pimples with which her face was covered. She now says if you want a pink and white complexion with a nice clear smooth skin, you must use that best of all blood purifiers, Sulphur Bitters.

HOOD'S

JUDGE M. W. JACKSO N.

On Monday last Mordecai W. Jack on Monday last Mordecal W. Jackson of Berwick was appointed by Gov. Beaver an associate judge of Columbia county, to fill the vacaucy caused by death of Judge McHenry. Judge Jackson took his seat on the Bench on Wednesday. He was born in 1815 in Berwick and has always resided there. By his business management he built up a large indrusty' now known as the Jackson & Woodin Manufacturing Company, and has accumulated a fort-une. He is a republican and a member of the Methodist church. His fitness for the office is undoubted though his term of service will be brief, expiring with the present year.

The Moutana Robbery.

The decision of a partisan Court in Montana may make the Republican Legislrture "legal," but it does not make it rightful.

The merits of the case were not passed upon by the Court. It simply decided that the certificate of the State Canvassing Board is prima facie evidence of membership in the Legislature. The State Canvassing Board threw out the vote of the Silver Bow District because it had the temerity to give a large Democratic majority. There wasno charge of fraud, no proof of illeg ality. If the miners of the Silver Bow District had voted the Republican ticket there would have been no con-test and no disfranchisement. But seeiug an opportunity to gain five members and elect two United States Sen ators by the simple process of throwing out this district, the pupils and emis-saries of Dudley and Quay "put up, that job. The Republican State Re-turning Board executed it. Mr. Har rison's Republican Court has sustained

This is the whole story. It is a clear case of the Republican stealing a State which they failed to carry. And the beneficiaries of this robbery have the monumental impudence to pose as the chosen champions of honest elections and the exemplars of political moral - World.

Constables Terms.

JUDGE ROCKEFELLER, AT SUNBURY, SAYS THEY SHALL SERVE THREE YEARS.

Judge Rockefeller was consulted by attorneys from Shamokin in regard to the terms constables shall serve. He said he meant them to serve three years and will swear in no other constables even if they are elected, and will hold to that unless he is reversed by the Supreme Court. He has not given it as an opinion, but says he will rule that way until reversed by a higher

Sourt.

He was then asked how it affected the high constable of Shamokin, and replied that he had sworn him in for three years. One consultation, however he decided that the high constable was a borough officer and the law did not affect him and that he would reconsider or recall the three years' commission granted. This will settle the question of the terms of constables for this county, at least until the Supreme Court decides the question.
