JOHN R. HERRING.

One of the saddest deaths that has oc corred in this town for a long time is the of John Reece Herring, son of county treasurer G, A. Herring, who died on Monday at 12 o'clock, at the age of 22 years. He had been ill for sometime, and while his disease was known to be incurable, his death was not looked for so soon. When it came it was peaceful and appar-

ently paintess.

W. H. BROOKS & Co's. doah, Schuylkill Co. His father moved to At the annual meeting of the Muncy Bloomsburg when John was a little child Valley Farmer's Club, held in Hughesville, He attended school at the Normal and in H. H. Rutter was elected Assistant and 1885 he entered Lafayette College at Easton, and graduated in 1889, taking one of the nonors on commencement day. During siety will be held on the Fair Grounds at his Senior year he was editor-in-chief of

the "Lafayette," a bi-weekly published in Friday and Saturday, October 8th, 9th, the Interest of the college. He was a member of the Chi Phi Fraternity, and the Franklin Literary Society. In 1889 he was

registered as a student at law in the office of Ikeler & Herring, and since his gradua-Monday. A change has taken place in the tion he read law with his brother Grant Herring Eq. until the 28th day of last November, when he was taken sick and meyer Secretary. These gentlemen will was confined to the house until his death. Everything that could be done for him was their well known executive ability it can done, and the best medical advice sought, safely be predicted that a bright future is but in vain.

The deceased was a young man of correct habits, unblemished character a quiet gentlemanly disposition, and possessed of more than ordinary ability. Fully equipentered the arena until the fell destroyer. death, claimed him as its own, and the hopes of the family and friends for a useful and brilliant career, have been dashed to the ground. Such is life; such is death.

PROPER ROAD LAWS.

FICULT TO PRAME.

COUNTY AND TOWNSHIP SUPREVISORS.

nake radical changes in the making of

roads and collecting of taxes, by educa

tion, by showing them by actual demon

stration that it will be advantageous and

hanges. This can best be done by the

oads on the most important highways in

each township, selecting the worst por-

tions of such roads for such improvements

Seeing such roads and using them in com

parison with poorly made mud roads will

APPRECIATION COMES TARDILY.

"This is well shown in the Cassatt road

n Montgomery county, as also in a short

tretch of about eighty rods of macadam

nade in one of the townships of Union

county some fifteen years ago. The por-

told, of only four dollars per lineal rod, or

\$1,280 per mile. The supervisor who con

structed the road was voted out of office

the following spring, as might have been

supposed. But to-day, fifteen years after.

with not one dollar spent on this section

since, this road is considered the most

economically constructed in the whole

township, and the supervisor now receives

the credit due him at the time. Roads on

to be made should be properly located, and

changes contemplated should be made be-

MACADAM'S SYSTEM THE BEST AT PRESENT.

"But is the macadam system to be the

coad in the twentieth century? I think

not, The Applan Way, running from

Rome to Capua, has been in use for 2200

years, and the macadam, a cheaper form,

has been in use for 100 years. Surely the

gentus of the tweptieth century will devise

better plan. It this improved road be a

steel rail resting on a steel tie, like the

street railways of our cities, or whatever

form is likely to be adopted, all work

done should be such as will be suited to

the new roads, and probably nothing more

nearly fills this requirement than the

macadam system. But whatever is done,

let us go as fast as education of the peo-

ple will warrant. If they are edu-

cated to demand good roads, they will

some; if not, it will be difficult to get

Man's Flattery of Woman.

I would also advise young women not to depend for happiness upon the flatteries of men. It is a poor compliment to your sex that so many men feel obliged in you presence to offer unmeaning compliments Men capable of elegant and elaboratet conversation elsewhere sometimes feel called upon at the door of the drawing-room to very handsome one covered with figured drop their common sense and to dole out sickening flatteries. They say things about your dress, and about your appearance that you know, and they know, are false. They say you are an angel. You know you are not. They tell you that "you are looking stogularly beautiful this a universal expression of regret at the unevening," when you know very well that timely death of so estimable a young man, thet remark is only a; commonplace one . stricken down in the bloom of youth. Some men think that a conversation with a The family have the warmest sympathy of woman is interesting only as it is dotted and spiced with flatteries and meaningless compliments. Determined to tell the truth in office, and store, and shop, they consid BILL TO SUIT ALL PARTS OF THE STATE DIF. er it honorable to lie to a woman. The same thing that they told you on this side John A Gundy, of Lewisburg, Ps., as of the drawing-room, three minutes ago they said to some one on the other side of Chairman of the State Board of Agriculthe drawing room. Oh, let no one trample ture s Committee on Roads, gives his idea of how to obtain better highways in the on your self-respect. The meanest thing
