The case has been pending for several years, and volumes of testimony have been taken, Mr. Wirt bearing the burden of the defense.

This gives him a clear field, and after so thorough and hard fought battle, it is scarcely probable that any one else will care to go over the same ground again. In the afternoon the Grand Jury 1e-

In this case the petition set forth that there are 100 freeholders residing within the limits, and 76 of them signed the petition, making three-fourths, a large proportion In the Benton application a few months ago, there was a strong doubt raised by the opposition as to whether a majority of the freeholders were in favor of a borough Nothing more will be done with the Millville borough matter until September court, and in the meantime exceptions may e filed.
