BLOOMSBURG, PA.

FRIDAY, JUNE 20, 1890.

President Harrison will visit Mt. Gretna on July 24th during the state militia encampment.

Congressman Scranton has been renominated by the republicans of Lackawanna county without opposition.

Montour county has instructed its delegates to the Democratic state convention to vote for Pattison.

The republican state convention will be held in Harrisburg next week Wednesday. The delegates from this county are J. C. Brown and C. E. Geyer. Our guess is that they will vote for Delamater.

The Doylestown *Democrat* has changed hands, Gen. W. W. H. Davis the veteran publisher, retiring from the paper, and is succeeded by the Doylestown Publishing Company. The announcement is made that there will be no change in the politics of the paper, and that it will battle in the future, as in the past, for *tariff reform.*

Judge Pennypacker of Philadelphia has delivered an important opinion on the rights of hucksters in connection with the trial of John Bradley, a banana peddler, against Martin Pfeiffer for assault and battery. Bradley went into Pfeiffer's store to sell some bananas, when he was struck over the head with the spoke of a wagon wheel by the defendant after he had refused three times to leave the store. "Hucksters have no right to force themselves on house holders, and if they do they are trespassers," Judge Pennypacker said. "Where a huckster is a trespasser a householder is entitled to put him out."

The positive announcement has been made that Senator S. P. Wolverton of Sunbury will be a candidate for the congressional nomination in this district. He is a man of marked ability and is well known through this county. We have no direct information as to Senator Buckalew's intentions, but have heard repeated rumors, some of them coming from those who ought to know, that he will not be a candidate for a third term. The warm friendship existing between these two distinguished gentleman, leads to the belief that the reports are true. In this event, we do not know of a more available candidate than Mr. Wolverton, nor one who would represent the district more satisfactorily.

The latest announcement in Democratic circles is that Chauncy F. Black of York county, has decided to retire from the contest for the Democratic nomination for Governor, and that he will use his votes and influence in favor of the nomination of Ex-State Chairman William U. Hensel, of Lancaster county.

Ex-Chairman Hensel has been repeatedly spoken of as a possible compromise candidate between the Wallace and Pattison forces. He will start in the race with thirty votes, made up as follows: Ten from York, nine from Lancaster and the remaining eleven from Berks, Lebanon and Philadelphia counties.

Neither Black nor Hensel are classed as favorable to either Wallace or Pattison and the friends of the ex-chairman are determined to try and land the prize for him.

The latest analysis of the preferences of the Philadelphia delegation for governor is as follows: For Wallace 29; for Pattison. 18; doubtful, 17, with 8 seats contested. Only 56 of 64 delegates from Philadelphia will have a voice in the appointment of the committee on contested seats. It is stated that Congressman Maish has been offered the nominatian for lieutenant-governor, but the delegation from York county is composed of earnest supporters of Chauncy F. Black for the gubernatorial nomination and they will not permit any suggestion like that just mentioned to tempt them from their loyalty to Mr. Black. They are not men who will engage in any huckstering for minor places on the ticket.

Thus far the following named counties have instructed for Pattison: Lawrence, Warren, Cambria, Montour, Delaware, Chester and Tioga, represented by twenty-one delegates and giving about 10,000 republican majority. The delegates elected from Cambria and Montour (democratic counties) are, however, personally friendly to Wallace. There are 374 delegates in the state convention.

WASHINGTON LETTER.

(From our Regular Correspondent.)

Washington, D. C. June 16, 1890.

Paradoxical as it may appear, the recent extreme warm spell seems to have cooled public interest in the proceedings of Congress, and thinned out that body to about the required number to constitute a quorum and transact business. The old adage that "he who can wait will eventually get anything he desires" was never better demonstrated than by the action of the present Congress. The old hands, the queen bees, the old shepherd dogs of the flock, have acquired to a great extent what they had panted for, and are now dozing amid leafy bowers along the sea. While the public is anxious to have all discussion dropped is the opportunity for the mediocrity of the national legislation to approach the second table and reduce the surplus. The action is comparatively unnoticed uncared for and unsung. Many millions of dollars are appropriated every day, with a brief word of explanation made by the members in charge of a bill regarding its contents. When the members of either House are sufficiently aroused, they direct their shafts of wit and sarcasm at the other branch respecting its want of deliberation in passing bills and appropriating the public funds. They are equally guilty however. The House has charged the Senate with passing bills at the rate of 120 per minute. Its record in passing public laws has been shown to have exceed this rate, but wasn't as fast as that of the House. The private bills are usually disposed of on evening sessions, when they are usually dumped like a load of coal in a bunch. The republicans of Congress seem to break up camp, and were perfectly regardless of the furniture. They have certainly acted in a manner this session that would justify such a feeling of despair on their part. They have planned for the appropriation of enough money, this session, to pay the National Debt. After they go out, at the next election, they will probably try to raise a sentiment against their successors on account of a lack of money to discharge public obligations and individual hopes, created by the gang last discharged.

The House silver bill has been reported back favorably from the Finance committee to the Senate, and offered as a substitute, by Mr. Morril, for the Senate Bill. It contains important amendments that materially alter it in a direction unsatisfactory to the free coinage men. The provision making the certificates legal tender is struck out; also that making certificates redeemable in bullion at the option of the Secretary of the Treasury; and the section providing that when the market price of silver is $1.00 for 371¼ grains of silver, it shall be lawful to receive bullion for coinage, and the purchase of bullion be suspended. He was followed by Mr. Everts who gave a very interesting review of the history of silver legislation. He said that in 1873 the two metals, gold and silver were on a parity, and had been since 1803. That no trade or law of nature had broken that parity, but it had been accomplished by the "wit and wisdom of man". That in 1873 Congress, while in a hypnotic condition, had passed the law demonetizing silver, which eventually reduced it 30 per cent in value. Mr. Vance followed him in denouncing that act of Congress and said that the tariff laws had contributed further in spreading bankruptcy and ruin amongst the farming community.

Speaker Reed, last week, announced the appointment of Mr. Mills of Texas to the committee on rules. He notified the Speaker that he declined to serve. His friends say that his refusal to serve on a committee with the Speaker is based upon personal grounds. The peculiar rulings of the Speaker during the present session, and his utter disregard of the ordinary courtesies due the minority has provoked a feeling of unfriendliness on the part of Mr. Mills that would make service on the same committee distasteful to him.

A caucus of the republicans will be held on about the 18th, to consider suggestions to be offered by the special committee now struggling with the subject of federal elections. A bill will undoubtedly be provided containing the supervisery provisions and the worst features of the bills introduced by Messrs Rowell, Lodge and McComas.

The conference of the anti trust bill has been rejected and another conference ordered with instructions from the House committe to recede from the House amendments.

Edward K. Valentine, the republican nominee has been elected Sargeant-at-Arms of the Senate.

The House devoted the most of Saturday in paying tribute to the memory of the late Samuel J. Randall. The principal oration was delivered by Mr. O'Neil of Pennsylvania, who was followed by many others in unstinted praise of the late statesman.

The New Trans-Continental Route.

VIA THE

CHICAGO, MILWAUKEE & ST. PAUL R'Y

AND THE

NORTHESAN PACIFIC R R.

Commencing Sunday, June 15, 1890, there will be established a through line of *first-class* vestibuled Pullman sleeping cars running daily between Chicago, Milwaukee, St. Paul, Helena, Montana, Spokane Falls, Tacoma and Seattle, Washington, and Portland, Oregon, making the fastest time to and from all points on Puget Sound and the North Pacific Coast, and affording an excellent through route for passengers destined to California points.

West bound trains will leave Union Passenger Station, corner Adams and Canal Streets, Chicago, daily at 5:30 p. m., arriving St. Paul 7:00 a. m., Fargo 4:55 p. m., Helena 1:15 a. m., Spokane Falls 5:00 p. m., Tacoma 10:50 a. m., Seatle 11:45 a. m., Portland 6.30 p. m.,

These trains will carry all classes of passengers and will also provide the finest dining car service between Chicago and the Pacific Coast. Trains of all lines from the East arrive in Chicago in ample time to make connection with the 5:30 p. m. train from Chicago.

In addition to the foregoing. special Pullman sleeping cars for the famous Yellowstone Park will be attached to these trains, thus affording during the summer months a direct through car line to the "wonderland" and the Lake Park region of the Northwest. Time 48 hours to Mammoth Hot Springs Hotel.

The advantages to be secured by purchasing through tickets via a route composed of such favorably known and well established lines as the Chicago, Milwaukee & St. Paul and Northern Pacific Railways must be apparent to all first class travelers.

For sleeping car reservations, through tickets, time tables and further infomation apply at City Office of Chicago, Milwaukee & St. Paul R'y, at No 207 Cark St., or at Union Passenger Station, Chicago, or address F. A. Miller, Ass't G. P. A., M. & St. P. R'y, Chicago, Ill.

NO SUITS.

AGAINST THE SOUTH FORK FISHING AND HUNTING CLUB.

PITTSBURG, June 12.—An Ebensburg, Pa., special says: Notwithstanding the fact that over a year has elapsed since the flood at Johnstown, in which thousands of lives were lost and millions of dollars' worth of property destroyed by the bursting of the South Fork fishery and hunting club, no suits, either criminal or civil, have been brought against the club in the Cambra county court, as threatened just after the terrible disaster. A short time after the flood a fund was raised in Johnstown for the purpose of making a test case against the club in the courts here. The case was placed in the hands of severel Johnstown attorneys and the legal aspect of the case considered by them, but nothing was ever done. It seems highly improbable at this late day that the club will ever be prosecuted, at least by the sufferers in Cambra county, for maintaining the fatal dam.

When I Was Sick!

My room looked like a drug store, I had so many bottles in it. The more I dosed the worse off I was Finally, I paid my doctor and told him he needn't come any more. I was troubled with Chronic Rheumatism, and couldn't get out of bed alone. Six bottles of Sulphur Bitters cured me.—*Benj. Fitch, Adams House, Boston* 6-20 2t.

Impure Blood

A Pennsylvania Railroad Man Tells of a Remarkable Cure of Scrofulous Humor—Read It.

Mr. Ruby, who makes the following statement, is a well known railroad man, running on the Pennsylvania Railroad between Columbia, Penn., and Philadelphia:

"I feel that I wish to tell what has been done for us and our little boy by Hood's Sarsaparilla. He is now six years of age, and, until a short time ago, has ever since birth been a terrible sufferer from scrofulous humor. Sores would appear on him and spread until they were as large as a dollar, and then discharge, only to be followed by others, so that the larger part of his body was one mass of sores all the time. The scrofula was especially severe on his legs and back of his ears and on his head. His hair was so matted that combing was sometimes impossible. His ears became so thin that we could see through them, and were actually

AFRAID THEY WOULD DROP OFF.

His legs were so bad that sometimes he could not sit down, and it was impossible for him to run about and play like other children. Frequently when he tried to walk, his leg would crack open and the blood start from different places. The humor had a very offensive odor, and caused intense itching, so that at night we had to tie his hands in mittens or stockings to prevent his scratching and tearing himself. We cannot tell

HOW THAT POOR BOY SUFFERED

for nearly five years, nor how his terrible condition distressed us. We did all we could to relieve him. Two or three physicians agreed in calling it scrofulous humor, but did not effect a cure. We tried salves and ointments and other things but without benefit. At last I decided to give him Hood's Sarsaparilla, as

MY DRUGGIST RECOMMENDED IT.

In about two weeks the Sarsaparilla began to have effect. The sores commenced to heal up; the flesh began to look more natural and healthy. Then the scales came off and all over his body new and healthy flesh and skin formed. When he had taken two bottles he was entirely free from sores, having only the scars to show where they had been. These are gradually disappearing. The little fellow was

FULL OF GRATITUDE

to Hood's Sarsaparilla when he found it was curing him, and he would call for 'My medicine' when the time came for him to take it. We are unable to express our thanks for the good Hood's Sarsaparilla has done our little boy." HARRY K. RUBY, Box 356, Columbia, Pa.

A Later Letter

From Mr. Ruby states that his son is now in perfect health, has no trouble from the humor, which is entirely cured. He has many inquiries about the recovery of the boy, and advises all who suffer with such diseases to try Hood's Sarsaparilla.

What Can be Added

To the above statement to make more emphatic the evidence of the cleansing effect of Hood's Sarsaparilla upon the blood? It would seem to be the positive duty of all who suffer from any disease or affection caused by impure blood, to at least give Hood's Sarsaparilla a fair trial. Its many wonderful cures have won for it the title of "the greatest blood purifier ever discovered."

Every Confidence.

"Among the few proprietary articles I recommend to customers Hood's Sarsaparilla is one in which I place every confidence. My patrons seem to have the same confidence, judging from its sale, which is more than all the other blood purifiers together." G. B. LITTLE, Druggist, Greensburg, Pa.

Mr. H. E. Yorks, who has been teaching near Williamsport for the past year, returned home Monday evening to spend his vacation and look after the trout.

The funeral of Charles Roberts, which took place here on Tuesday of last week, was very largely attended. His age was 22 yrs., 4 mo., and 14 da.

Some thing is the matter with the oats, but what it is seems only to be a matter of conjecture around here. Some say the cold weather is the cause of its dying while others attribute it to the green lice which we notice are very full. Be it what it may the oats at present looks as if it would be a failure.

We notice a P. S. to "An Open Letter" in last week's *Sentinel*, It alludes to some subject proposed by us in the THE COLUMBIAN of May 30. We are pleased to learn that they have not remained unnoticed but we wish it distinctly understood, if it was not stated plainly enough at that time, that we will not take the time nor space to enter any controversy on the subject of prohibition. God's word is plain enough for us. We only asked "Fair Play" a few questions, the answers to which we thought would interest the public generally. That is the object we had in view, and although we would so much like to write our opinion, yet we never could see any good come from such personal contests, we will deny ourselves even the commencement of them. "Mark", however will expect space to vindicate himself, should he deem it necessary and proper at any time.

The Directors increased the wages of the school teachers so that it is not necessary for them to teach for $12 a month and "board around" as we have heard they formerly did in this part of the county.

The festival on Saturday afternoon and evening was the most successful one ever held in this place. The total receipts were over a hundred dollars leaving about seventy-five dollars net.

Rev. S. P. Boon delivered an interesting and instructive sermon here on Sunday evening. His text was Ps. 106, 15. Rev. Boon believes in preaching the Gospel as he finds it recorded in the Bible, without clothing it in language to "tickle" the ear merely, but preaches it in such a way that it must touch the heart, or be of non effect.

A Newspaper Family.

Will A. Steel has become a partner with his father, J. Irvin Steel, in the publication of the *Evening Telegram*, of Ashland. Harry G. Steel, another son, continues as local editor on the same paper. Charles E. Steel, another son, is editor and publisher of the Minersville (Pa.) *Free Press*, and two more of the brothers are associated with him. This makes a father and five sons all doing creditable newspaper work at one time. If there is another family that can beat this record, let us hear of it. —*Printer's Circular*, Philadelphia.

FROM PHILADELPHIA.

Pretty Good for a Man of 56.

The following is from Mr. John Hines, manufacturer of enameled dies, who has carried on business in Philadelphia since Oct. 9, 1850, and whose testimonial in favor of Hood's Sarsaparilla is certainly worthy of consideration.

"One year ago I was laid up sick with pneumonia for 14 weeks. When I got over that, my feet and legs swelled, were very much inflamed, and caused me much suffering. The doctor said I had gout, which I did not believe. I tried a number of cures, of no avail. Then some one asked me to try Hood's Sarsaparilla. I did so. I took it three times a day, before meals. Before I had taken one bottle I began to improve. I took in all five bottles, which cured me and made me feel well otherwise. I have had no return of the affection. Can walk ten miles every day, which is pretty good for a man 56 years old. I feel grateful for the good Hood's Sarsaparilla has done me, and have used my influence with a number of people to try it, and so far with satisfactory results." JOHN HINES, 40 North 30th Street, Philadelphia, Penn.

Cancerous Sore.

"About 7 years ago I had a cancerous sore on my nose, which grew to be very troublesome and offensive. I concluded to try Hood's Sarsaparilla, and after using two bottles the sore disappeared and healed up entirely. It has been cured for two years with no appearance of its returning. I am now in my eightieth year and enjoying good health. I feel it my duty to recommend Hood's Sarsaparilla to all persons suffering from similar troubles. Be sure to get Hood's." JOSIAH HARVEY, Delmont, Westmoreland Co., Penn.

Confirmatory Statement.

"The above certificate is from Josiah Harvey, insurance agent, a gentleman well known throughout Westmoreland county. His statement in regard to the sore and cure performed is correct." Z. ZIMMERMAN, Druggist, Delmont, Penn.

N. B. If you decide, from what you have heard or read, to take Hood's Sarsaparilla, do not be induced to buy any other.

HE is very much delighted. While in Philadelphia recently he called on E. O. THOMPSON, the well known Clothier and Importer, No. 1338 Chestnut St., (opposite the Mint), and bought an elegant Black Fancy Cheviot Suit for $13. 50. Such a suit would have cost him Twenty Dollars at home. Had he not been in the city he could have sent his name and address on a postal card or in a letter and received by return mail samples of various cloths, also simple guide for taking his own measures, free of charge. Any one can order from Mr. Thompson by mail with the same satisfaction as by calling in person.
