Montour Democrate Select Candidates

A very quiet and harmonious meet ing of the twenty-eight delegates representing the Democrats of Montour county selected their candidates and placed a full ticket in the field at Danville Monday. The only office for which any vigorous opposition was noticeable was Congress, but this was finally secured by Simon Krebs. The balance of the ticket is as follows: State Senator, J. P. Hoffa; Representative, J. K. Geringer; Associate Judge Henry Divel; County Commissioners Charles F. Rauch and Emanuel Sidler; County chairman, George Edmonson.

Lycoming Democrats. WILLIAMSPORT, Aug. 19 .- The Democratic County Convention held to-day indorsed John L. Reardon for ongress after a sharp contest. This Reardon's name had scarcely been mentioned. His only competitor was A. J. Quigley. For State Senator, W. S. Montgomery received the indorse-ment of the convention. There was a close fight for Members of Assembly. Walter E. Ritter, South Williamsport; C. B. Seely of Jersey Shore, and A. J. Kohler, of Wolf, were nominated. The other nominations are as follow: Re-gister and Recorder, C. J. Cummings, of McIntire: County Treasurer, John Heilman, of South Williamsport; County Commissioners, P. J. Eiswert and John Bubb; County Auditor, Ellis P. Moon, John T. Greenaway; Coron-

er, Dr. J. Frank Bell. The resolutions endorses Pattison and commend his record, denounce the Republicans for their action in Congress on the McKinley bill, and other matters, condemn the recent imposing the costs on the taxpayers. Devotion to the principles of Demo-cracy as demonstrated in the record of Grover Cleveland is renewed. The convention was one of the most ex-citing ever held in the county and was tinuous session from 1 o'clock in the afternoon until 9 this evening. There were eleven candidates for County Commissioner and it required over three hours' balloting to make a
