There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incur. able. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the Market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly upon the blood and mucous surfaces of the system. They

The Philadelphia Press is making a vigorous fight against the return of Senator Cameren to the United Stat s Senate, on the ground that he is not acting with the republican party in opposing the Federal Elections bill which is now the leading measure of that party in Congress. Many republican newspapers in the state are following the lead of the Press. The Republican is a defender of Cameron and denounces the Press. As our contemporary is in fayor of the Force bill, we cannot see how it can consistently support Seastor Cameron, who is openly opposed to the passage of that measure. Under the circumstances, the democrats would rather see Cameron in the senate than any other republican in the state.
