The movement to put Northumberland, Union, and Snyder in a judicial district by themselves, with two judges, who would be Rockefeller and Bucher. if they could be elected, does not appear to be popular in Northumberland County. A meeting of thirty members of the bar of that county was held the other day, when the proposed district was denounced, and a committee appointed to go to Harrisburg and protest against any such information. Northumberland, being a separate district, does not want any other counties attached. It will not be long before the county will have reasonable claims to two Judges of its Own.

CONSUMPTION.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering. I will send free of charge to all who desire, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W. A. Noves, 820 Power's Block, Rochester, N.Y. mar-6-1y

Never mind! Never mind what the people say, it is a fact nevertheless that the Popular News Agent, has added to an already well selected stock of Games, Books Novels, &c., wall paper, beautiful designs and at very reasonable prices. Call and examine, just a few doors below Market street.

#### Deafness Can't Be Cured-

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless inflammation can be taker out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that we cannot cure by taking Hall's Catarrh Cure. Send for circulars, free.
