

A PEAL OF BELLS.

At a meeting of the Vestry of St. Paul's P. E. church on Tuesday evening, the following was adopted:
 Whereas Paul E. Wirt Esq. has offered to place a peal of bells in the tower of St. Paul's church at his individual expense.
Resolved—that the Rector, Wardens and Vestry members of the parish desire to record their grateful recognition of Mr. Wirt's liberal gift, which they accept in behalf of the congregation.
Resolved—that this action be entered on the minutes, and that a copy be sent to Mr. Wirt.

For influenza, soreness of the throat and tickling irritation with constant cough, Kemp's Balsam is an immediate cure. Large bottles 50c and \$1. At all druggists.

CHURCH ITEMS.

Scott Township S. S. Institute was held in Espy M. E. Church, Tuesday afternoon and evening, September 15th 1891, with Mr. J. S. Grimes, Pres. in the chair.
 The Devotional services were conducted by Rev. A. R. Glaze, the same person was elected Secretary, and Mr. David Whitmore Treasurer of the convention.

Opening remarks were made by the Pres. stating the authority and the object of this district Institute, and also the nature of much of the Sabbath School work done.
 The question, "What is Christian benevolence, and the best way to cultivate the spirit of Christian giving?" was opened by Rev. C. L. Sones, and the discussion continued by Rev. R. W. Whitney.

"Primary class work" was discussed by Miss Eva Rupert of Bloomsburg. "The relation of the S. S. to the Home" by Rev. Whitney. The management of the S. S. by Mr. M. I. Low of Lime Ridge. Home to home visitation by A. W. Spear, Secretary of the Co. Convention, and closing address by Rev. Glaze.

Music was furnished by the union of the three church choirs of Espy. It was a splendid and profitable convention. All performed well their parts, and to this must be attributed the success of the convention. We trust that many have been influenced by the convention to consecrate themselves more heartily to S. S. work.

The North Branch Conference of Susquehanna Synod (Lutheran) will convene in Christ church, Buckhorn, Monday evening September 28th, opening sermon preached that evening by Rev. J. H. Weber, D. D. Sunbury. Conference will continue through Tuesday the 29th and Wednesday A. M. the 30th. Tuesday evening will be devoted to S. S. work. "The superintendent," "The teacher," and "The scholar," will be discussed. All are invited to be present at this meeting of Conference.

I Am an Old Man.

Shall be 75 years of age next June, and for the last six years have suffered from general debility and old age. At times I could not get out of bed without help. I commenced to take Sulphur Bitters. In a week I felt stronger and got a mighty fine appetite. I still continued their use, and to-day I walked over three miles without feeling tired, something I haven't done in five years before Sulphur Bitters is a right smart medicine. —George Brown, Keokuk, Iowa. 9-18-21.

Happy Hoosiers.

Wm. Timmons, Postmaster of Idaville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: "Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life. Only 50c. a bottle, at C. A. Klein's Drug Store."

Just how an alterative medicine cleanses the system is an open question but that Ayer's Sarsaparilla does produce a radical change in the blood is well attested on all sides. It is everywhere considered the best remedy for blood disorders.

NORMAL SCHOOL NOTES.

The same steady growth that has characterized the school for the past five years, is again manifest, and we have full twenty-five more boarders than at this time last year.

The present Senior class has completely eclipsed those of former years, and starts off with ninety-seven members, and there are still a few Juniors of '91 who contemplate entering the class.

The Junior class in all its divisions, numbers about eighty-five, besides many preparatory students, and the Model School is well up in the eighties.

Our large family make great daily inroads upon the commissary department of the school, and the resources of the new Steward and Matron have been heavily taxed, but they have in every particular, proved themselves more than equal to the occasion.

A more studious and contented, and yet withal, joyous and happy body of young people than ours we believe it hard to find. Among our number is a young man from North Carolina, and a letter has just been received from a young lady in Kansas who will likely be here in a few weeks, having chosen our school as the best place to prepare for Wellesly college.

A visit to the laundry discovers the fact that several pieces of the very latest machinery have been purchased and are in operation, which simply means greater care and better washing of the four thousand pieces of clothing in the weekly wash.

Several students who have been in attendance at other leading normal schools of the state, say that this school is far ahead in the board, washing and other accommodations furnished while at the same time the rates here are lower.

The Students Lecture Course for '91-'92 will open on Oct. 26 with the magnificent company entitled the "Ariel Thomas Combination."

This splendid combination has been secured after much effort and at great expense and we believe the citizens of Bloomsburg have in these people a treat richer than any they have ever before enjoyed. Mr. Thomas is said to be the purest and most irresistible humorist on the American platform. The famous orator John R. Clark of New York City will deliver his great lecture "To and Fro in London."

Leland T. Powers who delighted the people of Bloomsburg two years ago with his presentation of the thirteen characters in Dickens' David Copperfield will this year give a similar presentation of David Garrick. Mr. Powers made his reputation in "David Garrick," and he was secured for the Students Course on the only night in the year when he could be secured. His charges are high, but we want the best.

Mrs. H. E. Monroe will be secured to give her lecture on Prominent People in Public Life, and will with her stereopticon throw upon the canvas the portraits of the men who are now foremost in American politics, while at the same time, she will give facts and incidents of value and interest about each person so represented.

The fifth entertainment of the course will probably be by Lu Cake and Miss Meade. There is some slight delay about fixing the date, so they are not announced positively yet, but it is reasonably certain that they will come. Last winter they were on the institute programme at Sunbury, and carried away the honors of the season.

Reserved seat tickets for this entire course will be \$1.50.

There's danger in a cough—more than ever when your blood is "bad." It makes things easy for Consumption. But there's a cure for it in Dr. Pierce's Golden Medical Discovery. A positive cure—not only for Weak Lungs, Spitting of Blood, Bronchitis, Asthma and all lingering Coughs, but for Consumption itself in all its earlier stages. It's reasonable. All these diseases depend on tainted blood. Consumption is simply Lung-scrofula. And for every form of scrofula and blood-taint, the "Discovery" is a certain remedy. It's so certain, that its makers guarantee it to benefit or cure, in every case, or the money is refunded. With a medicine that is certain, this can be done.

There's a cure for Catarrh, too, no matter what you've been led to believe. If there isn't, in your case, you'll get \$500 cash. It's a bonafide offer that's made by the proprietors of Dr. Sage's Catarrh Remedy. There's risk in it, to be sure, but they are willing to take the risk—you ought to be glad to take the medicine.

Consumption Cured!

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W. A. NOYES, 820 Power's Block, Rochester, N. Y. mar-6-19

TWENTY-SEVENTH ANNUAL CONVENTION OF THE PENNSYLVANIA STATE SABBATH SCHOOL ASSOCIATION.

The convention will be held in Bethlehem, Northampton county, Tuesday, Wednesday and Thursday, September 29 and 30, and October 1, 1891, having been postponed one week at the urgent request of the local committee of arrangements.

The first session will be held Tuesday evening at 7:30, in the Moravian church, where delegates should report immediately upon their arrival. Each county is entitled to ten delegates, and each city of 10,000 or more inhabitants, to ten additional. By action of the convention at New Castle, 1890, associations not auxiliary to the inter-denominational work, in counties not containing such auxiliary association are not invited to send ten delegates each.

All delegates will be entertained by the Christian people of Bethlehem, and should promptly advise Rev. G. A. Schwedes of their purpose to attend.

The Central railroad of New Jersey, the Lehigh Valley, Pennsylvania, Philadelphia & Reading and Baltimore & Ohio railroads have granted excursion rates to Delegates and others attending, who will receive orders for tickets by applying to Rev. G. F. Scott, No. 442 Powell street, South Bethlehem, naming the roads over which they will travel.

The programme as arranged is an excellent one, and will well repay attendance from all parts of the State.

It is hoped that the unavoidable change of date will not prevent any from attending who had arranged for the original date, and that many others may also be enabled to be present.

By order of the Executive Committee.

Dyspepsia

Makes the lives of many people miserable, and often leads to self-destruction. Distress after eating, sour stomach, sick headache, heartburn, loss of appetite, a faint, "all gone" feeling, bad taste, coated tongue, and irregularity of the bowels, are some of the more common symptoms. Dyspepsia does not get well of itself. It requires careful, persistent attention, and a remedy like Hood's Sarsaparilla, which acts gently, yet surely and efficiently. It tones the stomach and other organs, regulates the digestion, creates a good appetite, and by thus overcoming the local symptoms removes the sympathetic effects of the disease, banishes the headache, and refreshes the tired mind. "I have been troubled with dyspepsia. I had but little appetite, and what I did eat distressed me, or did me little good. In an hour after eating I would experience a faintness, or tired, all-gone feeling, as though I had not eaten anything. My trouble, I think, was aggravated by my business, which is that of a painter, and from being more or less shut up in a room with fresh paint. Last spring I took Hood's Sarsaparilla—look three bottles. It did me an immense amount of good. It gave me an appetite, and my food relished and satisfied the craving I had previously experienced." GEORGE A. PAOB, Watertown, Mass.

Turn On The Light.

Up to the time of the hearing before Judges Fell and Gordon on the charges against Auditor General McCamant, the recent exposures of corrupt practice in office related only to officials in Philadelphia. Late Treasurer of Bardsley and the Mercantile Appraisers only were proceeded against criminally. In those exposures the people outside of Philadelphia therefore have not taken the intense interest that must be excited by the charges now made affecting the office of the Auditor General of the State. At the recent hearing before the two judges it was developed that District Attorney Graham is in possession of most damaging proof of official unfaithfulness. The evidence consists of book entries and checks made by Bardsley, and letters written by Auditor General McCamant and Mr. Livsey to Bardsley. Bardsley in the criminal proceeding refuses to answer any questions relating to these checks and entries; declaring that his "self-respect and regard for his family" forbid his making any further disclosures. Auditor General McCamant the only witness to the facts can not be called as a witness against himself, and hence, as a legal prosecution, the proceeding falls for the time being. Now, however, let the People of Pennsylvania have the facts. Let the suspected State officials be arraigned before the bar of public opinion. What are the accounts and entries in Bardsley's hand writing which he refuses even to look at in court? Let the public see the McCamant and Livsey letters—all of them.

While the law permits the Auditor General to be silent in a legal proceeding, the people whose servant he is, have a right to demand that he shall speak. Did Mr. McCamant receive \$7154.42 from Bardsley, as shown in his accounts? If so where did the money come from, and what was it paid for? What say you, Mr. Auditor General? What were the "favors you received" from Mr. Bardsley for which you thank him in your letters, corresponding in date with the mysterious Bardsley check stubs? Did District Attorney Graham present to Judges Fell and Gordon all of the McCamant letters he had before him?

The people of the state are entitled to know all that can be known on the question of the integrity of the state officials. If it be true that the corruption that has overwhelmed the public service in Philadelphia extends to State officials, the people have a right to know that fact, and to know it now. Let there be neither concealment or delay in this matter. Speak out, gentlemen.
