To Visit California and Mexico via Pennsylvania Railroad.

No new feature ever inaugurated by the Pennsylvania Railroad Company attracted such universal comment and attention as the series of tours run early this year to the far Pacific Coast, and now that another series is announced for 1892, not only covering the Pacific Coast but an individualized tour to Mexico, the land of the Aztec. is further illustration of the wonderful growth of the personally conducted system of traveling and the progressive move of this world-famed railroad. Each tour will be limited to a certain number of passengers, who will travel in a Pullman vestibale train, furnished with the luxurious appointments of the richest home, with ladies' maid, stenographer and typewriter, library, bath and barber, and smo'ting and library rooms, and an observation car-in truth an exact reproduction of the famous Pennsylvania Limited. The first tour leaves New York January 13th, and speeds directly to the Pacific Coast via St. Louis, Kansas City, Las Vegas, and Santa Fe The second tour, the Mexican, leaves February roth, running direct to the City of Mexico via Cincinnati, Mammoth Cave, Birmingham, Montgomery, and New Orleans, with incidental stops en route. The third, February 24th, runs directly to New Orleans via Cincinnati and Mammoth Cave, and thence, after the Mardi Gras festivities, to the Pacific Coast. The fourth and fifth, both through Californa tours, will leave March 24th and April 20th, respect-

The inauguration of this service last year was the theme for universal com-ment, and the warmest credentials of praise bear testimony to the high standard and perfection of every detail promoting the comfort and enjoyment of the tourists.

Such an opportunity has never been presented before to the people of the East of thoroughly seeing the vast domain of the country they so valiantly boast of, as well as such an opportunity of visiting the interesting land of the Aztec, replete with ruins garlanded with mythical lore. The rates for the round trip are exceptionally low, and include not only all necessary traveling expenses en route to the Pacific Coast and return, but also side trips to the attractive resorts in California, and several carriage and stage rides of interest. This applies as well to the Mexican tour, where the objective point will be the city of Mexico and side trips made from there, the rate including every necessary expense as well as

Itineraries presenting the full details of the tours are in course of preparation, and will be issued at an early day. In the mean time more detailed information may be secured by addressing Geo. W. Boyd, Asst. General Passenger Agent, Philadelphia, Pa.

Deafness Can't Be Cured-

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that we cannot cure by taking Hall's Catarrh Cure. Send for circulars, free.

The man who owns a railroad never gets half as much joy out of it as the one who travels on a free pass .- The Ram's Horn.

With Ely's Cream Balm a child can be treated without pain and with perfect safety. It cures catarrh, hay fever and colds in the head. It is easily applied into the nostrils and gives immediate relief. Price 50 cents.

My catarrh was very bad. For thirty years I have been troubled with it-have tried a number of remedies without relief. A druggist advised Ely's Cream Balm. I have used only one bottle and I can say I feel like a new man. I make this voluntary statement that others may know of the Balm.-J. W. Mathewson, (Lawyer), Pawtucket, R.
