An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderluj curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W. A. Noves, 820 Power's Block, Rochester, mar-6 1y.

Taken in By All-

The oyster is most innocent: There's naught more free from sin, And hence the reason why so oft We see it taken in.

Allow me to add my tribute to the efficacy of Ely's Cream Balm. I was suffering from a severe attack of influenza and catarrh and was induced to try your remedy. The result was marvelous. I could hardly articulate, and in less than twenty-four hours the catarrhal symptoms and my hoarseness disappeared and I was able to sing a heavy role in Grand Opera with voice unimpaired. I strongly recommend it to all singers -Wm. H. Hamilton, Leading Basso of the C. D. Hess Grand Opera Co. 12-11-2t.

It is a curious circumstance that none of the magazines or papers, especially devoted to fiction and stories ever publish the weather reports.

"What's the matter with you? You don't look well."

"Sea sick. I've just had to pay a bill of \$60 extra for my wife's week at the shore."

Cold Waves

Are predicted with reliable accuracy, and people liable to the pains and aches of rheumatism dread every change to damp or stormy weather. Although Hood's Sarsaparilla is not claimed to be a positive specific for rheumatism, the remarkable cures it has effected show that it may be taken for this complaint with reasonable certainty of benefit, Its action in neutralizing the acidity of the blood, which is the cause of rheumatism, constitutes the secret of the success of Hood's Sarsaparilla. If you suffer from rheumatism, give food's Sarsapasilla a fair trial; it will do you good. 12 11-4t.

"Don't use a calendar?" "No. I can only too well tell every day and week and month of the year by the date of the bills I receive."

What was it, John,

That made your face so free and clear from pimples, said his sweetheart. Why, don't you know, Eva? For over a year I took everything I could think of without helping me, then I bought two bottles of Sulphur Bitters, and now I haven't one pimple on my face. It is the best blood cleanser I ever saw. 12-11-2t.

The readers of the COLUMBIAN will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the dis-ease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimo-

nials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. 12-18-4t.

pure alcohol to make Wolff's Acme BLACKING. Alcohol is good for leather; it is good for the skin. Alcohol is the chief ingredient of Cologne, Florida Water, and Lay Rum the well known face washes. We think there is nothing too costly to use in a good leather preservative.

Acme Blacking retails at 20c. and at that price sells readily. Many people are so accustomed to buying a dressing or blacking at 5c. and 10c. a bottle

that they cannot understand that a blacking can be cheap at 20c. We want to meet them with cheapness if we can, and to acaplish this we offer a reward of &

for a recipe which will enable us to make WOLFF'S ACME BLACKING at such a price that a retailer can profitably sell it at 10c. a bottle. . We hold this offer open until Jan. 1st, 1893.

THE PARSS has the best possible organization

The Perss has the best possible organization to secure news from the most important sources, and with nearly 800 correspondents in Pennsylvania, New Jersey and Delaware, the State and near-at-home news is covered with a routine and carefulness and attention to detail not even attempted by any other paper.

The Perss has also the best of correspondents in all the great cities of the United States, as well as from each and railroad experts in Chicago and the west, who keep the paper more than abreast with events.

The columns of the Sunday Perss are enriched by contributions from those whose names are written high in our lists of great authors, novelists, essayist, as well as from men of high rank in public life. The best outhors know that the best audlences are the readers of the Dailly, Sunday, and Werkly Perss.

In politics The Perss knows no other innster than the people and the past year has seen, as has been seen before, the marked fact that it is subservient to no political boss. It has no political ambificions to foater, but looks after the interests of its readers, and delivers itself upon the issues of the day in a manner both frank and fearless, letting the facts speak for themselves and evaning no issues but meeting them all on the basis of fair play to all men at all times. Its pages know no distinction and the rights of one classover another are neither recognized nor supported.

JENNIE. "How is it, Kate, that you always seem to catch on to the last new thing? Do that I may, you always seem to get ahead

without any teacher; you came to the rescue when Miss Lafurge deserted her Delsarte class so suddenly, and certainly we are all improving in grace under your instruction; I heard you telling Tommy Eames last evening how his club made mistakes in playing tascball; you seem to be up on all the latest 'fads,' and know just what to do under all circumstances; you entertain beautifully; and in the last month you have improved so in health, owing, you tell me, to your physical uniture exercises. Where do you get all of your information from in this little out-of-the way piace?—for you never go to the city."

KATE: "Why, Jennie, you will make me rain. I have only one source of information, but it is surprising how it meets all wants. I very seldom hear of anything new but what the next few days bring me full information on the subject. Magic? No! Magazine: And a great trensure it is to us all, for it really furnishes the reading for the whole household; father has given up his magazine that he has taken for years, as he says this one gives more and better information on the subjects of the day; and mother says that it is that that makes her such a famous housekeeper. In fact, we all agree that it is the only really FAMILY magazine published, as we have sent for samples of all of them, and find that one is all for men, another all for women, and another for children only, while this one suffs every one of us; so we only need to take one instead of several, and that is where the ceaneany comes in, for it is only \$2.00 a year. Perhaps you think I am too lavish in my praise; but I will let you see ours, or, better still send to cents to the publisher. W. Jennings Demorest, 15 East 14th Street, New York, for a sample copy, and I shall always consider that I have dene you a great favor; and may be you will be cutting us out, as you say we have the reputation of being the best informest family in town. If that lee say, it is Demorest's Family Magazine that does it."
