I feel it my duty to say a few words in regard to Ely's Cream Balm, and I do so entirely without solicitation. I have used it more or less half a year, and have found it to be most admirable. I have suffered from catarrh of the worst kind ever since I was a little boy and I never hoped for cure, but Cream Balm seems to do even that. Many of my acquaintances have used it with excellent results.—Oscar Ostrum, 45 Warren Avenue, Chicago, Ill. 2-5-2t.

A Great Offer for the Ladies.

Common sense and good judgment are the qualities for which our American ladies are noted. When they find any article which will add to the comfort of their homes or to their personal appearance they speedily adopt it, being quick to discover the superiority of the new over the old. It is to this trait that the firm of A. McDowell & Co., owes the wonderful success of their French Fashion Journals among American women. Whenever these Journals are critically examined their superior merit is at once recognized. They not only give the styles one month earlier than the American Fashion Journals; but the variety, originality, and practicability of those styles lift them so far above all others, that they

The Baltimore incident, the president's demands and message, and the dangerous tension of the relations between the two governments, have been the sole topics of conversation in all circles.

The younger and hotter-headed portion of the public continues to in-

DESPERADOES IN OHIO.

Seven Men Take Possession, but the Conductor Saves the Train.

NEW BREMEN, Ohio, Feb. 1.-The train crew on an extra through freight train on the Lake Erie and Western Railroad had a thrilling experience Saturday evening. Just as they were pulling out of Portland, seven desperate looking men boarded the caboose and took possession, defying the entire crew. They made prisoners of the brakemen and ran the train to suit themselves. While going through Fort Recovery the conductor through Fort Recovery the conductor dropped a note which stated their predicament and instructed the operor to telegraph shead to Celina police assistance.

When the train pulled into Celina it was brought to a standstill, and the outlaws were arrested. Their bold action created consternation among the crew, as a freight train was only a short distance ahead of the extra, and a collision seemed inevitable.
