The plague of breaking lamp-chimneys is abroad in the land. There are two sorts of chimneys; brittle and tough. Ninety-nine in a hundred are brittle. The worst are imported from Germany. The best are Macbeth's "Pearl-top" & "Pearl-glass."

Two sorts as to workmanship; fine and coarse. The fine are Macbeth's "Pearl-top" and "Pearl-glass." The coarse are rough and out of proportion; misfits and misshapen; they do not make a good draft; they smoke. Two sorts as to glass; transparent and gray. "Pearl-top" and "Pearl-glass" are clear, fine and tough—not tough against accident—tough against heat. Call for "Pearl-top" or "Pearl-glass" chimneys. Pittsburgh, Pa., GEO. A. MACBETH & CO.

IT PAYS

To be cautious in the choice of medicines. Many are injured by trying experiments with compounds purporting to be blood-purifiers, the principal recommendation of which would seem to be their "cheapness." Being made up of worthless, though not always harmless, ingredients, they may well be "cheap;" but, in the end, they are dear. The most reliable medicines are costly, and can be retailed at moderate prices, only when the manufacturing chemist handles the raw materials in large quantities. It is economy, therefore,

To Use

Ayer's Sarsaparilla, the valuable components of which are imported, wholesale, by the J. C. Ayer Co. from the regions where these articles are richest in medicinal properties. "It is a wonder to me that any other than Ayer's Sarsaparilla has a show in the market. If people consulted their own interest, they would never use any other; for it is not only the best, but, on account of its concentrated strength and purity, it is the most economical."—James F. Duffy, Druggist, Washington St., Providence, R. I. Dr. A. L. Almond, Druggist, Liberty, Va., writes: "Leading physicians in this city prescribe

Ayer's

Sarsaparilla. I have sold it for eighteen years, and have the highest regard for its healing qualities." "Although the formula is known to the trade, there can be no successful imitation of Ayer's Sarsaparilla. Without having the enormous facilities of the J. C. Ayer Co., it is impossible for other parties to put together such valuable ingredients, at the low cost of Ayer's

Sarsaparilla

It stands at the head of all similar preparations.—Mark A. Jones, 50 years a druggist, 60 Cambridge St., Cambridge, Mass. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price \$1; six bottles, \$5.
