Queen Esther was presented with fine music and brilliant costumes on Wednesday and Thursday evening. It was well patronized. All the leading characters were sung and acted in a manner that would be creditable to professionals. The chorus was strong and well drilled, and the orchestra was a great addition. When all did so well it would be unfair to mention one in particular The preparation was made under the direction of Mr. L. S. Wintersteen, and to him must be ascribed much of the praise for the success of the cantata.

WITHOUT KNIFE OR FIRE Mr. S. E. Carmichael, a prominent citizen of Henrietta, Texas, writes: "I wish to tell you what Swift's Specific has done for my wife. Several years ago there appeared a splotch on the corner of her nose which gradually increased in size, and became quite painful; on washing her face it would frequently bleed. The doctors called it cancer, and advised that it be removed by knife or burning, stating that it never would do to neglect it. My wife refused to have t cut or burned, but at the same time it continued to grow worse. After a time she commenced taking S. S. S., which effected an entire cure. She used a half dozen small sized bottles. We both think there is no medicine in the world that will equal Swift's Specihe, and we would like for all sufferer's to know the benefit she has received

from it." S. S. S. cures blood diseases of this character by forcing out the poisonous erms and the poison also. A valuble book on blood and skin diseases will be mailed to all applicants free. Address.

I saw in the Sentinel last week that they wanted a daily mail from Blooms-burg to Greenwood. There is nobody wants a daily mail but Krickbaum; he thinks it will be money in his pocket, with his daily paper, and what does it amount to, only to split the party. As long as people are sat saed with the mail as it is, Krickey, when we want you to interfere in our business we will let you

An Old Man's Silly Notion-

A silly superstitious old man in Williamsport, has applied to the Sheriff of Lycoming county for the rope with which Wade the murderer was hanged some years ago. He is imbued with the superstitious idea that if he can get it and tie it around his wife's neck for a time it will cure her of fits of which she is a victim. - Milton Rec.

The old man is right. If he will tie the other end of the rope high enough she will never have another fit.

EVANSVILLE AND BERWICK.

The following were elected in Berwick township: Supervisors, Wm. Lamon, A. F. Martz; Constable, Geo W. Hostler; Overseer of the poor, H. J. Edwards; School Directors, Newman Bower, Clem Bower; Assessor. Wm. Lamon; Tax Collector, A. B. Croop; Auditor, R. H. Sitler; Town Clerk, Headly Sult; Judge of Elec-tions, S. E. Moyer; Inspectors, S. J. Moyer, D. W. Martz.

Philip Spooney came within two votes of being elected, his was a good run, and he is a popular man. Mr. Wm, Lamon has been well known in this section for many years. His return to the offices of Supervisor and Assessor is the very best practical evdence of his intelligence, and efficiency. This community is satisfied that no better or more capable man could

be selected or retained in office. C. H. Zender and wife of Berwick have returned from their Pacific Coast trip. B. C. Gilroy of Ptiladelphia is visiting friends in Berwick. Ed Hartman has received a handsome Euphonium horn from the Berwick Cornet

The revival at Evansville still con tinues in interest.

Will the new members of the town Council pledge their interest in having electric lights in Berwick.

Fred Richardson has left for Michigan to locate. Mrs. Hannah Larish has been visiting Philadelphia.

Our Literary Society will have something great on March 4th. On the 3d there will be a moral entertainment that will be attractive in Y. M. C. A.

Constable McHenry says that on election day five persons voted for him fumery, pocket books, Jewelry, stick whose ages combined make 400 years, The constable is not half that old.

Geo. Clemens has gone into the tonsorial business for himself at St. Charles. Good for George. Borough election in Berwick was

The Phi Deltas now 27 members, have begun their literary work. Vice Principal Garr, Marie Brockway and H. C. Hinkle, 92 are a committee on program. Something good may be expected from our High School. Our schools are getting along first rate. The time will soon be here when our girls and boys will receive a good education without going from home. Why shouldn't Berwick have a first class high school equal to any in the state. Prof. Richardson is a finelly educated gentleman, and is universaly popular in and out of the schools, Berwick has never been favored with a teacher superior to him. Our schools are in the ascendency and we hope they will continue to progress till the curriculum will be ample to give a scientific and classical education comparing favorably with our academies and seminaries elsewhere. A number of Miss Bessie Clewell's school mates made a birth-FEBRUARY 13. Citizens B. & L. day party for her recently. Many fine presents were given and refreshments enjoyed-

The Berwick Cornet Band gave a pleasing entertainment in the Opera House lately. This is one of the best bands of the state.

I had the pleasure to hear Mr. E. J. veiling for veils by yd. Crapes and Bowman of Berwick deliver an oration black shawls. on the evening 22nd of Feb. Subject 'Washington and our Country". Muddy roads and side walks prevented many from attending. The house was pretty well filled. Mr. Bowman is an excellent orator and gave us a first class oration. He expects to talk at Evansville in the near future. Go one and all to hear him. More anon.
