When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

FAMINE IN NORTHERN HUNGARY.
TWENTY THOUSAND INHABITANTS IN ONE COUNTY IN A STATE OF DISTRESS.

London, Mar. 2.—A famine prevails in Northern Hungary and 20,000 inhabitants of the county of Arva are in a state of distress equaling that prevalent in Russia. The government will not relieve the sufferers because they are of the slave race.

German newspapers in Pest indignantly protest against this inhumanity and demand that the sufferers be relieved and provided with corn for the spring sowing.

The plague of breaking lamp-chimneys is abroad in the land. There are two sorts of chimneys; brittle and tough. Ninety-nine in a hundred are brittle. The worst are imported from Germany. The best are Macbeth's "Pearl-top" & "Pearl-glass."

Two sorts as to workmanship; fine and coarse. The fine are Macbeth's "Pearl-top" and "Pearl-glass." The coarse are rough and out of proportion; misfits and misshapen; they do not make a good draft; they smoke.

Two sorts as to glass; transparent and gray. "Pearl-top" and "Pearl-glass" are clear, fine and tough—not tough against accident—tough against heat.

Call for "Pearl-top" or "Pearl-glass" chimneys.

GREAT STRIKE IMPENDING

Over Four Hundred Thousand Miners to Quit Work.

NEARLY A MILLION AFFECTED.

The Coming Action of Coal Miners in Great Britain—They Will Make a Great Fight Against Reduced Wages—

LONDON, Feb. 29.—It is now estimated that the immense number of 460,000 miners will cease work in a fortnight in their efforts to prevent the masters from putting into effect the scheme to reduce wages.

The only miners who stand aloof from the movement are those in South Staffordshire and East Worcestershire.

It is estimated that close to 1,000,000 men will feel the effects of the miner's struggle.

The agitation is due to the action of mine owners in Wales and Cumberland, who gave an intimation of their intention to reduce wages on the sliding scale principle, owing to the decline that had occurred in the prices of coal. The men refused to accept a reduction and declared that the mine owners must make the consumers pay.

Affairs in Durham are being watched with great interest, as it is understood that if the men come out they will attend the great London Conference of March 16.

The feeling throughout Yorkshire, Lancashire and Derbyshire is very earnest, colliers at many of their large meetings having voted in favor of standing out for a fortnight without applying to their respective associations for funds.

MOB LAW IS FEARED.

The Indianapolis Street Car Troubles Break out Again.

INDIANAPOLIS, Ind., Feb. 28.—The city was practically at the mercy of the striking car drivers and their friends. A mob of 10,000 men filled the streets. They stoned the cars and threw a dozen or more of them from the tracks.

There were but 110 police available and they were unable to cope with the mob.

INDIANAPOLIS, Feb. 29.—The street-car strike riots are resumed. At 10.10 this morning two special policemen were assaulted by a mob of 2,000 people.

They were pummeled over the head and had to seek shelter.

Last night President Frenzel said the running of the cars must wait until the police had sufficient force in readiness to meet the mob.

The Board of Public Safety had only about two hundred men of the extra police summoned, and only about one hundred of these had been sworn in.

THE LOUISIANA LOTTERY.

A Report that it will Carry on a General Gambling Business in Nicaragua.

PANAMA, Feb. 24.—The report that the Louisiana lottery had secured a perpetual franchise from the Government of Nicaragua has been confirmed. The headquarters for the concern will be at Greytown, and branch offices will be established at every Central and South American capital and at the city of Mexico.

The lottery will be operated on a more gigantic scale than ever.

The place will be made a second Monte Carlo and a large castle will be erected to accommodate the lottery and other gambling games. Hotels will be fitted up to make Greytown an ideal winter resort for Americans and Europeans. Lines of palatial steamers will be run between the Isthmus and New Orleans, New York and London.

Ex-Gov. Conway Burned to Death.

LITTLE ROCK, Ark., Feb. 29.—Ex-Gov. Elias N. Conway was burned to death yesterday morning in his own residence, a small one-story frame building on Scott street, which was also consumed. It is supposed that he was asleep at the time. He was very old and feeble and lived alone, not allowing any one else to sleep on the premises.

Ex-Gov. Conway was born in Tennessee in 1812, but had lived in this State since 1833, being one of the pioneer settlers.

Married Through Prison Bars.

SHOALS, Ind., Feb. 29.—Susie Currens put her hands through the bars of the jail here yesterday, clasped those of her fiancé, William Finch, and thus they were married. The sheriff then started with Finch to the Jeffersonville penitentiary to serve two years for larceny. They had been engaged three years. The girl is heartbroken.

A FORTUNE

Inherited by few, is pure blood, free from hereditary taint. Catarrh, consumption, rheumatism, Scrofula, and many other maladies born in the blood, can be effectually eradicated only by the use of powerful alternatives. The standard specific for this purpose—the one best known and approved—is Ayer's Sarsaparilla, the compound, concentrated extract of Honduras sarsaparilla, and other powerful alternatives.

"I consider that I have been SAVED

several hundred dollars' expense, by using Ayer's Sarsaparilla, and would strongly urge all who are troubled with lameness or rheumatic pains to give it a trial. I am sure it will do them permanent good, as it has done me."—Mrs. Joseph Wood, West Plattsburgh, N. Y.

Dr. J. W. Shields, of Smithville, Tenn., says: "I regard Ayer's Sarsaparilla as the best blood medicine on earth, and know of many wonderful cures effected by its use."

"For many years I was laid up with Scrofula, no treatment being of any benefit. At length I was recommended to give Ayer's Sarsaparilla a trial. I did so, and

By Taking

about a dozen bottles, was restored to perfect health—weighing 230 pounds—and am now a believer in the merits of Ayer's Sarsaparilla."—James Peaty, Mine Host, Breckenridge Coal Co. (Limited), Victoria, Ky.

"My niece, Sarah A. Losee, was for years afflicted with scrofulous humor in the blood. About 18 months ago she began to use Ayer's Sarsaparilla, and after taking three bottles was completely cured."—E. Caffall, P. M. Losee, Utah.

The Early Democratic County Conventions in Pennsylvania do not indicate that Hill is in it. Delegates to the State Convention were elected in Clinton and Cumberland counties on Saturday all instructed for Cleveland, and a convention will be held in Monroe county to-day, at which Cleveland delegates will undoubtedly be elected. As these three counties are widely separated portions of the State their action may be accepted as indicative of the general sentiment of the State Democracy. There is little doubt that the Pennsylvania delegation will be practically a Cleveland delegation, with a leaning to Pattison if a dark horse should have to be entered for the final heat. —Times.

Isaac P. Hand Esq. of Wilkes Barre was last week elected a member of the board of trustees of Lafayette College at Easton. Rev. A. H. Hand, D. D., was for more than twenty-five years a most efficient and respected trustee of Lafayette, and it may be emphatically and truthfully said that the honor has worthily fallen from father to son. John W. Hollenback has been one of the most generous and capable members of the board, and it is understood that Mr. Hand is to assist him in watching the interests of the college in this region.
