THE COLUMBIAN.

Entered at the Post Office at Bloomsburg, Pa

BLOOMSBURG, FA. FRIDAY, APRIL 1, 1892.

GREENWOOD.

We have very muddy roads in this section at the present time.

Harry Heacock who has been working on Frank Reece's saw mill is sick with Pleurisy.

The Farmers are busy working up wood for summer use.

Quite a number of Farmers will change places this week. Charles Wright moves on Mrs. Frank Kline's farm. Geo. Brunstetter on the W. B. Mather & Bro. farm, Wm. M'Bride on the E. J. Albertson farm, Harry Shoemaker on the Mrs. James Patterson farm, now occupied by Isaiah Kline who moves on one of Jackson's large farms near Berwick. He expects to drive farming on in a large scale, useing four teams. We wish him success, as a good neighbor and likewise a good Farmer. He has two grown daughters and three grown sons and expects to do the work within his family.

J. F. Bogert who has been working at the Barber trade at Williamsport for the last eight years, moves on the Joseph Lemon (Deceased) farm near Rohrsburg this spring.

J. W. Evans has just got his chopping and saw mill completed, and is now running it to full capacity.

O J. Merrel was compelled to kill one of their horses a few days ago, caused by a kick from another horse which ended in the breaking of its leg.

That young man from Pine summit who comes to Greenwood on Saturday does not return until Monday morn- Renewer. ing. I guess it is love sick.

John C. Parker has completed a chopping mill and is running it a couple days each week.

Henry Parker is busy getting stone and lumber on the ground where he expects to build a large and commodious barn next summer.

Geo. Miller was away a few days a go on a business trip, purchasing a new Traction Engine which he expects to run his separator with next had to be pulled around by horses his office in the Sentinel building every they call on him for he understands receive applications for loans.

Vanderslice Esq. is summer, instead of the old one that authorized to receive applications at Any one having thrashing they want done next summer, will be satisfied if urdays from 7 to 8:30 p.m. Will also Shares \$100 each. Cost of stock \$1.00 per share. Dues 75 cents per share per month, maturing guaranteed stock in about 7 years, and non-guar-anteed in about 61 years. You can take any number of shares from one up. One share will mature \$100. Five shares, \$500 and ten shares \$1000. On each ten shares and up. If applicant undergoes a satisfactory Medical examination a guarantee is given that in the event of death, the full \$100, on each share will be paid in cash at once, and in the case of a borrower, the morgage be canceled and the home left free to the wife and little ones. Women can hold shares in their own names.

BERWICK AND VIGINITY.

Nescopeck and Berwick look like a moving panorama, or floating junk shop. Old and new furniture on wheels seeking new homes and shelter.

Williams, the popular vendue sales man of Bloomsburg, visited Berwick on Saturday last and finished up a sale of the Dan'l. Sult estate. Williams is busy everywhere, and is one of the best salesman along the Susquehanna.

Ten nights in a Bar toom was one of the best shows of the season. Clark's recent lecture is highly spoken of as the closing of our lecture course. Many have moved and many are going to move.

A few friends had recently a pleas-ant time at the home of Dr. and Mrs. F. P. Hill, the occasion of their 6th wedding anniversary. Mrs. Mans-field has just returned from N. Y. with a heavy line of millinery goods and engaged the services of an excellent milliner there.

A number of our fine young ladies gave a leap year party in P. O. S. of A. hall recently.

B. K. Bells, J. M. Fowler, carpen-ters and E. P. Wolf, painter have been doing some fine work at the Cross Keys hotel transforming the interior of the old bar room into a tonsorial room and cigar room and the old siting room into a bar room, aside from the imitation of brick on the outside. This work recommends the boys to long jobs this spring and summer. Work comes to them on wheels already prepared to be executed.

The last great attempt of one of our citizens is to sit strad lle on another man's whiskers.

Prof. Wolf, of Wyoming Seminary is happy—a bouncing boy of 14 avoirdu-pois. Several weddings to b oom this spring. Emanuel Frantz is putting an addition to his home. Dr. Jekyl and Mr. Hyde will be presented in Opera House Monday Evening April 11th. Jos. Schain has recently returned from N. Y. buying goods. W. W. Hanly recently returned from New Orleans and the South after a protracted visit. F. E. Brockway has returned from the land of flowers. The west end of town has recently lost by the process of death a supufluous lot of dogs that have gone to the canineland whence no dog returns. Nescopeck is on the look up, new homes going up every where. Chas. Williams the owner and former proprietor of Susquehanna house, sports a magnificent team, a chance for somebody to make a fine purchase.

Mrs. J. F. Opdyke of Easton, Mr. and Mrs. Martin of Beaver Meadow have been visiting in town. J. F. Opdyke spent a long service in the employ of Jackson & Woodin Manufacturing Co., rising from one position to another; was one of our efficient, and valuable citizens ; is now engaged with Mr. Smith, one of our prominent merchants in the manufacture of brushes etc., at Easton, Pa. These gentle-men have many friends in this community, who wish them every success in their new field of labors and the city of their adoption. Berwick's loss is Easton's gain. Sheriff Mourey recently called upon 13 of our citizens to serve as jurors. Should the public building bill pass the Lower House, our real estate men will make the effort for a site in Berwick for a building. Rev. and Mrs. C. F. VanGorder are holding a series of successful meet-ings in Y. M. C A. The Y. P. S. C. E. of the Presbyterian church gave a musicale lately that met with excellent success. Water in the canal and navigation at an early date. Mr. Hudson Owen who has been supervisor on the canal for many years and widely known as a business man, has gone strongly into the sale of coal. His buildings and bins are along the canal just above the river bridge, the capacity of which are very ample for storage and sale. fie proposes to open up largely this season; did an extensive business last season.

MRS. LEROY G. COVILLE.

suffering from Rheumatism. (From the Chenango Union, Norwich, N. Y).

Kind Sir:- I had been troubled for years with that terrible disease Rheumatism and last Spring, a year ago. I was confined to my bed and could scarcely move or stir. Could not bear to have any move or stir. Could not bear to have any one walk across the room or make any noise of any kind. Was also troubled with Female Weakness and was com-pletely used up. I had doctored with the best Physicians I could get, but grew worse all the time. Having read of your Remedies I at last made up my mind to try them. I had very little faith for I thought perhaps they were no better to try them. I had very little faith for I thought, perhaps, they were no better than lots of others that I had used before without any benefit. But thanks be to God and also to you, I tried them and found it to my benefit. I only took *two bottles* of your *Swamp-Root* and one of Female Remedy and used one bottle of your U & O Anointment and was com-pletely cured.

touch or return of the old complaints. I think I was better before I had taken one-half of the first bottle. I now believe and have more faith in you than any

and have more faith in you than any other doctor on earth. If this will be of any benefit to you or others, you can publish it and if need be I can prove it by more than twenty good and reliable people in this vicinity. God bless you and yours and with great respect. Mrs. Leroy G. Coville, [The preceding testimonial was set up in this office from the original letter written by Mrs. Coville. Enrous of units?]

The stock on the Merrel farm has been increasing very fast lately as they have a ewe that had triplets and a cow had twin calves

The Public schools have all closed in Greenwood.

There was a very pleasant surprise party by the Grangers of Greenwood at B. F. Battin's last Thursday and it was a complete surprise as Mr. and Mrs. Battin had gone to see their daughter at Millville that morning. After being sent for they returned and to their surprise found about fifty Grangers had taken possession and a large table spread in the dining room with cakes and apples and plenty of oysters. The after noon was spent with vocal and instrumental music and a good social chat, until about 4 o'clock when they returned to their homes thinking they had a good time. It would do well for some of those people who say the Grangers are playing out to visit some of the Granger meetings and Institutes held in Greenwood and they will change their minds about them in this twp. and if there is any of those candidates. come out to be re-elected again who promised to work to the Farmers interest equal with other interests and did not, when they come up through here reaching out their soft white hand with smiling countenance, they will have the cold shoulder turned to ward them.

A FARMER.

Mrs. Million's Ride.

When Mrs. Million goes out to ride she travels forth in state, Her horses, full of fire and pride, go prancing from the gate; But all the beauties of the is but a sigh.

For Mrs. Million is in an advanced stage of catarrh, and all the luxuries that wealth can buy fail to give her comfort. She envies her rosy waitingmaid, and would give all her riches for that young woman's pure breath and blooming health. Now, if some true and disinterested friend would advise Mrs. Million of the wonderful merits in curtain poles. of Dr. Sage's Cattarrh Remedy. she would learn that her case is not past help. \$500 reward is offered by the manufacturers for a case of catarrh in the head which they cannot cure.

This is your opportunity to secure a rofitable investment. B. F. Sharpless.
