DEMOCRATIC STATE CONVENTION.

THE LARGEST EVER HELD IN THE STATE.

Cleveland for President.

The Democratic State Convention convened at Harrisburg Wednesday, April 13, at 12 o'clock noon. The convention eclipsed anything ever held in the state, both in regard to numbers and enthusiasm. There seemed to be a general opinion that the convention would be one that would present the name of not only a successful candidate for the nomination but one that would be a winner in the November election. The representative democrats were early in securing rooms at the lately remodeled hotels. The Democratic State Central Committee secured rooms and made the Commonwealth Hotel their headquarters. Hon. Grant Herring reached Harrisburg Monday evening, and took rooms in the Commonwealth and soon entered into conference with Secretary Harty and Attorney General Hensel, William A. Wallace and J. M. Guffey representing the anti-administration people took rooms at the Bolton House. Tuesday morning William Krickbaum, Rohr McHenry, Dr. F. W. Redeker and Robert Buckingham, Esq., went to Harrisburg; Wm. Krickbaum and the two delegates took rooms at the Bolton House, and Robt. Buckingham at the United States. On the noon train County Chairman Townsend, J. K. Bittenbender, together with the remaining three delegates, A. D. Seely, Thomas Boran and Jess Rittenhouse, started for the Capitol. The three delegates took rooms at the Bolton House, while County Chairman Townsend and J. K. Bittenbender went to the Commonwealth. At four o'clock the Congressional District Delegates composed of Northumberland 7, Columbia 5, Montour 2, and Sullivan 1, went into a committee room for the purpose of electing two delegates to the National Convention. Upon a call of roll the result was as follows: C. H. Dickerman of Northumberland received 5 from Columbia, 2 from Montour, 7 from Northumberland and 1 from Sullivan, total 15, being the entire delegation; Wm. Krickbaum of Columbia, received 5 from Columbia, and 3 from Northumberland, total 8; Peter McCann of Montour received 2 from Montour, 4 from Northumberland and 1 from Sullivan, total 7. C. H. Dickerman and Wm. Krickbaum having each received a majority of the votes cast were declared the delegates elected. Immediately after supper the senatorial district, composed of Lycoming 7, Columbia 5, Montour 2, and Sullivan 1, went into committee and selected J. F. Streibly of Lycoming as member of committee on credentials; Dr. F. W. Redeker of Columbia, as member of committee on rules; and Ambrose Farrell of Sullivan as member of committee on organization. A motion was made by a member from Lycoming county that Hon. Grant Herring be unanimously endorsed for delegate at large to the National Convention. Upon call for vote, three of the delegates from Columbia county refused to vote, notwithstanding that they were instructed at the late committee meeting, by a vote of 12 to 19 to vote for Senator Herring.

The evening was one of bustle and confusion, occasioned by the meetings of the various congressional and senatorial delegates. There was much wire pulling on the part of the twenty-four different persons who were contesting for eight places as delegates at large to the National Convention. About 2 o'clock a. m. we received the intelligence that the Administration had slated Hon. Grant Herring as one of the delegates-at-large and assured him that he would be selected. It was a worthy selection as will be seen by the large vote he polled from the various districts.

At twelve o'clock, noon, the large hall was crowded, and Chairman J. Marshall Wright, called the meeting to order, stating that he was ready to receive nominations for temporary chairman. Immediately Hon. F. F. Beltzhooven of Cumberland was chosen. Upon taking the chair he gave a powerful address, outlining what would be the work of the convention, and eulogizing the public record of Ex-President Grover Cleveland and Governor Robert E. Pattison. Whenever he mentioned the name of Cleveland or Pattison, cheer after cheer rent the air regarding his speech. At half past one the names of committees on credentials, rules and organization were

read and the convention took a recess of two hours. When the convention re-assembled at four o'clock the following administration ticket was circulated among the delegates. For electors-at-large Mortimer F. Elliot, Tioga; John C. Bullitt, Philadelphia; Thomas B. Kennedy, Franklin; David T. Watson, Allegheny; for delegates-at-large, George Ross of Bucks, W. U. Hensel of Lancaster, W. M. Singlerly of Philadelphia, Chas. Robinson of Lackawanna, Harry Alvan Hall of Elk, John L. McKinney of Crawford, Grant Herring of Columbia, Henry Meyer of Allegheny. When the chairman called the meeting to order there was not a vacant place to be found, all the available space, chairs and standing room was occupied—one solid mass of enthusiastic democrats. Senator Hall of Elk county, chairman of Committee on credentials read the report which had been unanimously adopted. Upon the conclusion of the report the chairman moved the adoption of the report, and the call for the previous question. A lively discussion ensued by the anti-administrationists was so weak that chairman Beltzhooven easily ruled against them, and called for the report of the committee on organization, who named Hon. George Ross of Franklin County for permanent chairman.

Mr. Ross on assuming the chair as the permanent chairman of the convention, in a masterly speech, held the close attention of the vast audience. At the close of his speech Senator M. P. Read of Philadelphia, chairman, read the following rules:

LIBERAL PENSIONS FAVORED.
We, the Democracy of Pennsylvania, in convention assembled, join with our political associates of other states in the effort to restore the control of the executive branch of the federal government to the party of the people.
We pledge anew our fealty to the principles first declared by the illustrious men who founded our free institutions and established the Democratic party to protect and preserve them.
We believe in the doctrines which have been taught and the practices which have been enforced in the administration of government by Thomas Jefferson and Andrew Jackson, by Samuel J. Tilden and Grover Cleveland.
We believe in and we declare for honest and economical administration; for local self-government, for honest money, the gold and silver coinage of the constitution and for a currency convertible into such coinage without loss; for that genuine civil service reform which recognizes public office as a public trust; for liberal but not reckless pensions, and for the speedy abatement of all forms of needless and oppressive taxation.

REFORM OF THE TARIFF LAWS.
With special relation to the pending political conditions in the country and Commonwealth, we resolve and declare:
1. That the paramount reform now demanded of the federal legislature is the reform of the tariff laws, upon the basis of the Democratic national platform of 1888, to the end that no money shall be needlessly exacted from the industries and necessities of the people; and that our industrial interests shall not be prejudiced by excessive taxation, false systems of finance, or extravagant cost of production. To this end the McKinley tariff bill should be repealed, the essential raw materials of American manufactures should be put upon the free list and a revised tariff should be adopted, with due regard for the rights of American labor and the preservation of our manufactures.
2. That, consistent with this issue and with this demand, the sentiment of the Pennsylvania Democracy is overwhelmingly for the renomination to the presidency of the man who gave to his party intellectual and political leadership and to the country a pure and elevated administration. We declare our convictions that the best interests of the party and of the country demand the nomination and
ELECTION OF GROVER CLEVELAND
as president, and we are confident that under his leadership the principles of Democracy will win a glorious victory; and, to the end that the vote and influence of Pennsylvania may be most effectively heard and felt, the delegates this day chosen are directed to act as a unit in all matters entrusted to their charge, said action to be determined by the vote of the majority of the delegates.
3. That the honest, courageous and efficient administration of Robert E. Pattison, governor of Pennsylvania, merits the approval and confidence of the people of the Commonwealth, and has the hearty commendation of the party whose standard he twice carried to victory; that his efforts to enforce the constitution and the laws are praiseworthy and patriotic, and have our unqualified approval.
4. That the action of the Republican state senate in evading the duty of pronouncing judgment upon faithless state officials was a cowardly subterfuge and a disgraceful violation of public duty.
THE DEMOCRATIC SOCIETIES.
5. That in accordance with the recommendation of the national Democratic committee, the Democratic state, county and city committees are advised and directed to further by every means in their power the organization of regular Democratic societies in every district, and the union of such societies in the Democratic society of Pennsylvania and the national association of Democratic clubs.
Resolved, That we cordially approve the action of the Democratic state central committee in selecting William F. Harty to fill the vacancy in the Democratic national committee, caused by the death of the late William L. Scott; and we hereby declare Mr. Harty to be the choice of the Democracy of Pennsylvania for the full term of membership in the Democratic national committee which begins in June next.

FILLING VACANCIES.

Resolved, That the Democratic state central committee of Pennsylvania is hereby authorized to fill any and all vacancies that may occur after the adjournment of the convention in the position of candidate for judge of the supreme court, of candidate for congressman at large, or candidate for presidential elector-at-large or of delegates-at-large to the Democratic national convention, by the nomination or election of suitable persons to fill such vacancies: Provided that should any vacancy in the position of delegate-at-large occur on or after June 1, 1892, then such vacancy shall be filled by the remaining delegates-at-large.

Resolved, That the delegates to this state convention from their several congressional districts be authorized to fill any vacancies that may occur in the position of district candidate for presidential elector or of delegate to the national convention.

When the chairman concluded the reading of the Rules he moved their adoption which was promptly answered. Jno. M. Garman, of Luzerne county offered a substitute to Rule 2, but after some discussion the substitution was withdrawn and the resolutions adopted.

After the adoption of the resolutions the following persons were elected by acclamation. For Judge of the Supreme Court, Hon. Christopher Heydrick. For Congressmen at-large, Thos. P. Merritt of Bucks county, and Geo. A. Allen of Erie. For Electors-at-large, Mortimer F. Elliot, of Tioga, John C. Bullitt of Philadelphia; Thos. B. Kennedy of Franklin; and David T. Watson, of Allegheny.

Then followed the only test of strength between the administration delegation and the anti-administration, when the following was placed in nomination for Delegates at large, and upon call of roll received the respective votes opposite their names:

| |
|--|
| W. U. Hensel, Lancaster, 424 |

| Jas. M. Guffey, Allegheny, 118 |
| Geo. F. Baer, Berks, 113 |

The first eight receiving the highest vote were declared elected, whereupon John M. Gorman of Luzerne moved that their election be made a unanimous vote, which prevailed.

A WORD ABOUT CATARRH.

It is in the mucous membrane, that wonderful semi-fluid envelope surrounding the delicate tissues of the air and food passage, that catarrh makes its stronghold. Once established it eats into the very vitals and renders life but a long-drawn breath of misery and disease, dulling the sense of hearing, trammeling the power of speech, destroying the faculty of smell, tainting the breath and killing the refined pleasures of taste. Invariably creeping on from a simple cold in the head, it assaults the membranous lining and envelopes the bones, eating through the delicate coats and causing inflammation, sloughing and death. Nothing short of total eradication will secure health to the patient and all alleviations are simply procrastinated sufferings, leading to a fatal termination. The Drs. have by a treatment local and constitutional, made the cure of this dread disease a certainty, and has never failed. Even when the disease has made frightful inroads on delicate constitutions hearing, smell, taste, all persons afflicted with the disease thoroughly cured.

They recognize the great principle that genius or talent, or exceptional skill in art and profession, is a great public trust to be executed for the greatest good for the greatest number, hence they call your attention to the fact of their visit to your community, and to what you may expect from their treatment. The Doctors have devoted years to the study and treatment of

Chronic and Complicated Diseases,
which other physicians failed to treat successfully. These delicate functions of the human frame, whose derangements have for centuries defiled human skill, have in many cases yielded to the patient investigation and untiring perseverance of these doctors, and thousands of sufferers from diseases heretofore pronounced incurable, have consulted these gentlemen and been by them restored to health and usefulness.

CHRONIC DISEASES OF THE EYE,

Such as Granulated Lids, Chronic Inflammation of the Lids, of the Iris, of the Choroid, of the Retina, Chronic Ulcerations, Strabismus of the Lids, Cancer of the Lids and Eye, Tris, running over the cheeks, Day and Night Blindness, Purulent or Matted Sore Eyes, Gonorrheal ophthalmia, Syphilitic Ophthalmia, Red Bloodshot, Brown ones on the Ball, Phlyctenular Ophthalmia, Opacities of Milk White Spots on the Eye, Glaucoma or Cupping of the Nerve, Amaturosis, Falling out of Lashes, Sores, Redness of Edges of Lids and Eyes, and all other diseases to which the eye or its appendages are liable, positive and rapid cure guaranteed.
