**WALLER.**

Mr. M. S. Remly took a trip to the county seat on Saturday.

Rev. J. G. Whitmire, the new Evangelical minister, occupies Jacob Hirleman's house, on account of the parsonage being still in the possession of the former pastor.

A Grange was organized at this place last Saturday with about twenty members. Some of them, however were formerly connected with another Grange, but yet we think this is a beginning.

We are highly pleased with the appearance and contents of the paper which our neighbor town has started. Although Benton is nearer us and the Argus meets our approval, yet we would be lost without a Bloomsburg paper, and for true, bright, newsy every day reading, we want the COLUMBIAN every time.

Sickness and death seem to be increasing wonderfully in this community. Several houses have been left vacant by deaths in the past few months, and there is still a great deal of sickness yet.

Mr. Clarence Butt will superintend the Union Sunday school this summer with Mr. J. Preston Yorks as assistant.

**A FORTUNE**

Inherited by few, is pure blood, free from hereditary taint. Catarrh, consumption, rheumatism, **Scrofula**, and many other maladies born in the blood, can be effectually eradicated only by the use of powerful alteratives. The standard specific for this purpose—the one best known and approved—is **Ayer's Sarsaparilla**, the compound, concentrated extract of Honduras sarsaparilla, and other powerful alteratives.

"I consider that I have been **SAVED**

several hundred dollars' expense, by using Ayer's Sarsaparilla, and would strongly urge all who are troubled with lameness or rheumatic pains to give it a trial. I am sure it will do them permanent good, as it has done me."—Mrs. Joseph Wood, West Fallsburgh, N. Y.

Dr. J. W. Shields, of Smithville, Tenn., says: "I regard Ayer's Sarsaparilla as the best blood medicine on earth, and know of many wonderful cures effected by its use."

"For many years I was laid up with **Scrofula**, no treatment being of any benefit. At length I was recommended to give Ayer's Sarsaparilla a trial. I did so, and

about a dozen bottles, was restored to perfect health—weighing 230 pounds—and am now a believer in the merits of Ayer's Sarsaparilla."—James Patsy, Mine Ross, Breckenridge Coal Co. (Limited), Victoria, Ky.

"My niece, Sarah A. Losee, was for years afflicted with scrofulous humor in the blood. About 18 months ago she began to use Ayer's Sarsaparilla, and after taking three bottles was completely cured."—E. Caffall, P. M., Losee, Utah.

The plague of breaking lamp chimneys is abroad in the land. There are two sorts of chimneys; brittle and tough. Nine-tenths in a hundred are brittle. The worst are imported from Germany. The best are Macbeth's "Pearl-top" & "Pearl-glass."

Two sorts as to workmanship; fine and coarse. The fine are Macbeth's "Pearl-top" and "Pearl-glass." The coarse are rough and out of proportion; misfits and misshapen; they do not make a good draft; they smoke.

Two sorts as to glass; transparent and gray. "Pearl-top" and "Pearl-glass" are clear, fine and tough—not tough against accident—tough against heat. Call for "Pearl-top" or "Pearl-glass" chimneys.
