THE BEST
APERIENT

In modern pharmacy is, undoubtedly, Ayer's Cathartic Pills. Except in extreme cases, physicians have abandoned the use of drastic purgatives, and recommend a milder, but no less effective medicine. The favorite is Ayer's Pills, the superior medicinal virtues of which have been certified to under the official seals of state chemists, as well as by hosts of eminent doctors and pharmacists. No other pill so well supplies the demand of the general public for a safe, certain, and agreeable family medicine.

"Ayer's Pills are the best medicine I ever used; and in my judgment no better general remedy was

Ever Devised

I have used them in my family and caused them to be used among my friends and employes for more than twenty years. To my certain knowledge many cases of the following complaints have been completely and permanently cured by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colic. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint required, would be found an absolute cure for the disorders I have named above.—J. O. Wilson, Contractor and Builder, Sulphur Springs, Texas.

"For eight years I was afflicted with constipation, which at last became so bad that the doctors could do no more for me. Then I began to take

Ayer's Pills

and soon the bowels recovered their natural and regular action, so that now I am in excellent health."—Wm. H. DeLacelle, Dorset, Ontario.

Dr. J. B. Neal gave an interesting talk before the V. M. C. A. last Sunday afternoon on the subject of the customs and habits of the Chinese. The Dr. referred more especially to their practice of surgery. The climate of the Chinese is almost similar to that of our own country. They have fruit in abundance, except peaches. The Dr. expects to have a college erected by the time he returns. He has graduated a number of medical students who go out practicing medicine after our custom and who also taught the Christian religion, that they may spread it among those whom they visit in their practice of medicine.

These extra fine animals are offered to discriminating purchasers because of the death of their late owner. 154

Don't fail to see "Si Plunkard," the laughing cyclone. Si brings with him a band all dressed up as farmers; they are the pride of Fairview, and Si's idea of a band. He says he can lead them right down the middle of the road, mud knee deep, and all they have to do is to tuck their trousers inside their boots. Don't fail to see and hear him.

Would you rather buy lamp chimneys, one a week the year round, or one that lasts till some accident breaks it?

Common glass may break or not the minute you light your lamp; if not, the first draft may break it; if not, it may break from a mere whim.

Tough glass chimneys, Macbeth's "Pearl-top" or "Pearl-glass," almost never break from heat, not one in a hundred.

Where can you get it? and what does it cost?

Your dealer knows where and how much. It costs more than common glass; and may be, he thinks tough glass isn't good for his business.
