You say he would, anyway, whether it came from Jacobs' or not. Yes, he might, but it pleases him better, and our Bread, Cakes, Pies, Ice Cream, Candies, &c., will please you better than any you can secure elsewhere. **ANNIE WALDEN, WHO MURDERED HER HUSBAND, RECEIVES THE FULL PENALTY.**

Annie Walden, who shot and killed her husband, was last Friday sentenced to prison for life in New York. In reply to the Judge's question if she had anything to say why sentence should not be passed she said: "Yes, sir; I have something to say. I have not had a proper trial at all. I think I have been grossly treated. My witnesses were not subpoenaed, and my case has not been represented as it should have been at any stage. Mrs. Green and some of the other witnesses perjured themselves in nearly everything they said about me. I certainly think I am entitled to a new trial."

Judge Ingraham said he thought the jury had dealt very mercifully with her considering the evidence, and declined to consider a motion for a new trial.

**To Cure a Horse of Balking.**

A RECIPE GIVEN AS INFALLIBLE BY A MOUNTED POLICEMAN.

An officer of the police detail said recently: "When I was a mounted policeman I learned of a most humane and kind method of curing a balky horse. It not only never fails, but it does not give the slightest pain to the animal. When the horse refuses to go take the front foot at the fetlock and bend the leg at the knee joint. Hold it thus for three minutes, and let it down and the horse will go."

"The only way in which I can account for this effective mastery of the horse is, that he can think of only one thing at a time, and having made up his mind not to go, my theory is that the bending of the leg takes his mind from the original thought. There have been some barbarously cruel methods resorted to to make a balky horse go its way, such as filling the mouth with sand, severely beating the horse or, as in one recent case, cutting out his tongue. The human societies would have their hands full to care for all these cruelties to animals. If they only knew, the owners of horses would adopt my treatment, and there would be no trouble with the erst-while troublesome balky horses." *Animal Friends.*

When not properly cared for, loses its lustre, becomes crisp, harsh, and dry, and falls out freely with every combing. To prevent this, the best and most popular dressing in the market is **Ayer's Hair Vigor**. It removes dandruff, heals troublesome humors of the scalp, restores faded and gray hair to its original color, and imparts to it a silky texture and a lasting fragrance. By using this preparation, the poorest head of hair soon

and beautiful. All who have once tried Ayer's Hair Vigor, want no other dressing. Galbraith & Starks, Druggists, Sharon Grove, Ky., write: "We believe Ayer's Hair Vigor to be the best preparation of the kind in the market, and will more of it than of all others. No drug store is complete without a supply of it."

"I have used Ayer's Hair Vigor with great benefit and know several other persons, between 40 and 50 years of age, who have experienced similar good results from the use of this preparation. It restores gray hair to its original color, promotes a new growth, gives lustre to the hair, and cleanses the scalp of dandruff."—Bernardo Ochoa, Madrid, Spain.

"Ayer's Hair Vigor is the only preparation I could ever find to remove dandruff, cure itching humors, and prevent loss of hair. I can confidently recommend it."—J. C. Butler, Spencer, Mass.

"My wife believes that the money spent for Ayer's Hair Vigor was the best investment she ever made, it has given her so much satisfaction."—James A. Adams, St. Augustine, Texas.

**ATLANTIC CITY.**

A BOOMING SEASON AHEAD FOR THE GREAT RESORT AND THE READING'S ROYAL ROUTE.

The popularity of Atlantic City long since reached National proportions, and it continues to grow from year to year. The approaching season promises to be the greatest ever known at this the greatest of all seaside resorts. The Reading Railroad, whose superbly magnificent line between Philadelphia and Atlantic City has become famous throughout the country as the "Royal Route to the Sea," will continue to be the principal and favorite means of getting to and from the City by the Sea. The Reading's superiority in equipment is generally conceded. Its chief advantage consists in the fact that it has the only double track line of railroad to Atlantic City. The importance of this cannot be overestimated. Not only does it insure the absolute safety of passengers, but it admits of quicker and more reliable transit. The Reading line is also several miles shorter than any other road to Atlantic City, and it runs almost as straight as the crow flies. The great "Seventy-five Minute Flyers" are the most talked of trains in America. For beauty, elegance and speed they are literally beyond rivalry and those of our readers who visit Atlantic City should not fail to experience the delight of a ride on one of these matchless trains. The summer schedule will comprise a large number of fast express trains that has ever heretofore been run on any line. Trains will start at such frequent intervals that one can scarcely fail to catch a "Flyer" at whatever time he may desire to go. The spring time table now in effect shows week day trains leaving Philadelphia at 8:00 and 9:00 a. m., 2:00, 4:00 and 5:00 p. m. Sunday morning express trains leave at 8:00, 9:00 and 10:00 a. m. Returning trains start from Atlantic City at 7:30 and 9:00 a. m., 4:00 and 5:30 p. m. week days, 4:00 5:45 and 9:00 p. m. Sundays. The "Royal Route's" Philadelphia stations are at Chestnut and South street wharves, and all Reading Railroad Ticket Offices have through tickets and baggage checks for Atlantic City.

She was the mother of eight children, seven of whom—three sons and four daughters, survive her. Funeral services will be held Saturday morning at ten o'clock.
