CLEVELAND IS THEIR CHOICE.

The Ex-President Heartily Endorsed by the Delegates to the Syracuse Convention.

CHICAGO DELEGATION INSTRUCTED TO VOTE AS A UNIT.

SYRACUSE, May 31.—Delegates to state conventions do not, as a rule, turn out so early on convention day nor in so good condition as was this morning the case with those who are here to attend the anti-Winter convention.

Exactly on the tick of noon a shout went up from near the doors. Every one had turned backward to learn what the commotion was. Quickly ex-Mayor Grace and John D. Kernan were recognized, and as they came down the aisle side by side there came out rousing cheers.

Mr. Fairchild named John D. Kernan, of Oneida county, for temporary chairman. During Mr. Kernan's speech the fact became more and more apparent that the body he addressed was in a temper of demonstration.

REPUBLICAN PARTY DENOUNCED.

Following is the platform: "We the delegates of the Democratic party of the state of New York assembled in convention at Syracuse, declare that the most urgent necessity of the Union is a radical reform in the administration of the federal government.

from the oppressive tariff taxation so long endured, the Republican party, through its "billion dollar congress" enacted appropriations amounting to five hundred millions annually.

PRESENT DEMOCRATIC HOUSE.

of representatives without the concurrence of the Republican senate. It turned a magnificent surplus into an imminent deficiency. It went to lengths of class legislation before unheard of by enacting its McKinley bill.

MCKINLEY TARIFF CONDEMNED.

"We denounce the McKinley tariff; we declare that a tariff is a tax; that all taxation is a burden; that it should never exceed the necessities of a government wisely and economically administered.

upon the government by supplying, in practically unlimited amounts the money with which an electorate may be corrupted and popular government destroyed.

upon the government by supplying, in practically unlimited amounts the money with which an electorate may be corrupted and popular government destroyed.

"We approve the use of both gold and silver as money and we demand that all dollars, whether gold or silver, shall be equal in value to each other in fact as well as by declaration of the law.

NECESSITY OF PARTY ORGANIZATION.

"We demand the repeal of the Sherman silver law of 1880 as an obstruction of international bi-metalism and because it is rapidly bringing this country to silver mono-metalism with all of its attending evils.

CONFIDENCE IN CLEVELAND.

"The Democratic party retains unshaken confidence in the ability and integrity of Grover Cleveland and in his devotion to public duty; he is the choice of an overwhelming majority of the people of New York, and the country may rely with confidence on his ability to carry the state triumphantly in November.

the presidency the national convention will carry out the almost unanimous wish of the party and best consult the welfare of the country.

The denouncement of the mid-Winter convention was greeted with tremendous applause. The reference to Grover Cleveland as being able to carry New York state also moved the convention to its feet and brought on a storm of applause.

WASHINGTON LETTER.

WASHINGTON, May 30, 1892.

Mr. Harrison is the first, and it is hoped that he is the last President who ever personally took charge of the canvas to get himself renominated, and it is only since the Blaine boom assumed such dangerous proportions that Mr. Harrison so far forgot his dignity as to do so.

Since assuming command Mr. Harrison has instructed his fighting men to hit every Blaine head that comes up, and his supporters are now openly threatening that if they cannot nominate Harrison they can at least prevent the nomination of Blaine without a struggle so bitter that he cannot accept without practically confessing that his February letter was but a shrewd move toward getting the nomination.

Representative Stevens, of Massachusetts, has constructed a tariff bill, covering the metal schedule, which is the result of many consultations with his democratic colleagues on the House Ways and Means committee.

Representative Hatch's motion to take up the anti-option bill, notwithstanding the decision of the democratic caucus that the appropriation bills were to have exclusive right of way until they are all disposed of, received the solid support of the republicans of the House and enough democratic votes to make a tie vote on the motion.

Representative Johnson, of Indiana, has been heartily cursed, on the quiet, by the republican leaders for having given away the sentiments of Mr. Harrison on the force bill.

The Senate will give the country some silver talk for a while, but for just how long it would be difficult to say, in the discussion of Senator Stewart's free coinage bill, which was some time ago adversely reported by the Finance committee, and which is to come up to-morrow as the "unfinished business".

Mr. Blaine is again at his Washington residence, but is not doing any talking, at least that is what the favored few who get to see him say. He listens and smiles, but says not a word that can by any possible twisting be made to give even the slightest indication of how he regards the efforts that are being made for him, or whether he will accept if they are successful in getting him nominated.

Secretary Elkins is suiking. He was to have gone to Rochester with Mr. Harrison, but at the last minute he refused positively to go.

From a national standpoint it would have been difficult for the Governor of Virginia to have selected a more satisfactory successor to the late Senator Barbour than Gen. Eppa Hunton.

Judge John H. Orvis, of Bellefonte, does not have a high opinion of the value of Tammany's advice. Though one of the leading Democrats of the State, he was not a candidate for delegate to the National Convention and will not go to Chicago.

Blood poisoned by diphtheria, the Grip, typhoid fever, scarlet fever, etc., is made pure and healthy by Hood's Sarsaparilla.

There is a mistaken impression abroad that "Tales From Town Topics" although clever, bright, witty and not unrequently wise, are a little too much akin to modern French literature to be proper reading for a serious people.

Ricketts, lying on the line between Sullivan and Wyoming counties is at present the frontier post of the army of lumbermen that are fast subduing what was, but a few years ago, an almost unexplored wilderness.

Peculiar

Many peculiar points make Hood's Sarsaparilla superior to all other medicines. Peculiar in combination, proportion, and preparation of ingredients, Hood's Sarsaparilla possesses the full curative value of the best known remedies of the vegetable kingdom.

Hood's Sarsaparilla

Is Peculiar to Itself. Hood's Sarsaparilla accomplishes cures hitherto unknown, and has won for itself the title of "The greatest blood purifier ever discovered."

The best thing to do is this: When you're suffering from Sick or Bilious Headaches, Constipation, Indigestion, Bilious Attacks, or any derangement of the Liver, Stomach, or Bowels, get something that relieves promptly and cures permanently.

They're the smallest, for one thing (but that's a great thing), and the easiest to take.

They're the best, for they work in Nature's own way—mildly and gently, but thoroughly and effectively.

They're the cheapest, for they're guaranteed to give satisfaction, or your money is returned.

What more can you ask? But don't get something that the dealer says is "just as good." It may be better for him, but it's pretty certain to be worse for you.
