Some one has said that a bargain is an article sold under its real value. Some advertisers are not believers in this theory or are as economical of the truth as they are with their bargains.

But "an honest tale speeds best being plainly told." This is our purpose in offering Wall paper bargains. They are bargains because they are as we represent them, full length, full weight, bona-fide goods.

We know one instance of a bargain in wall paper which after it was on the walls lead pencil marks showed through. Whose was the bargain?

Come and see us before buying elsewhere.

W. H. BROOKE & Co.

At a meeting of the Pennsylvania delegation to the Democratic National convention held last Monday in the Sherman House, Chicago, Chairman Hensel made a short address and Senator Grant Herring offered a resolution instructing the chairman to cast the solid vote of Pennsylvania for Grover Cleveland until he shall be nominated for President of the United States or the delegation shall instruct otherwise.

He had hardly finished reading his resolution when Delegate Collins, of Bellefonte, pushed his way through the crowd, and made a hot speech against casting a solid vote for Cleveland. The caucus was held with open doors, and the violent language of Mr. Collins created some little excitement, which soon quieted down. When he got through Delegate John T. Lemhan, of the Twelfth district moved that the name of Grover Cleveland be struck from the resolution and that of Robert E. Pattison, of Pennsylvania be substituted.

Secretary of the Commonwealth Harry, who was in the caucus as proxy for Charles J. Young, of the Fifth district, made a very politic speech in which he declared that it would not do to push forward Governor Pattison so long as Cleveland was a possibility. The State Convention had instructed its delegation to vote for Cleveland, he said, and he insisted that those instructions should be carried out to the letter.

Our Old Fire Company.

"That was a gay old company that we belonged to, Joe, away back in '68, when you and I ran with the machine." Do you remember that big fire in Hotel Row, one freezing night, when fifteen people were pulled out of their burning rooms and came down the ladder in their night clothes; and how 'Dick' Green brought down two 'kids' at once—one in his arms, the other slung to his back? Poor 'Dick'! He got the catarrh dreadfully, from so much exposure, and suffered for it five years or more. We thought once he was going into consumption, sure. But, finally he heard of Dr. Sage's Catarrh Remedy, and tried it, and it cured him up as sound as a flint. I tell you, Joe, that catarrh remedy is a great thing. It saved as good a man and as brave a fireman as ever trod in shoe leather."

IT PAYS

To be cautious in the choice of medicines. Many are injured by trying experiments with compounds purporting to be blood-purifiers, the principal recommendation of which would seem to be their "cheapness." Being made up of worthless, though not always harmless, ingredients, they may well be "cheap;" but, in the end, they are dear. The most reliable medicines are costly, and can be retailed at moderate prices, only when the manufacturing chemist handles the raw materials in large quantities. It is economy, therefore,

To Use

Ayer's Sarsaparilla, the valuable components of which are imported, wholesale, by the J. C. Ayer Co. from the regions where these articles are richest in medicinal properties. "It is a wonder to me that any other than Ayer's Sarsaparilla has a show in the market. If people consulted their own interest, they would never use any other; for it is not only the best, but, on account of its concentrated strength and purity, it is the most economical."—James F. Duffy, Druggist, Washington St., Providence, R. I.

Dr. A. L. Almond, Druggist, Liberty, Va., writes: "Leading physicians in this city prescribe

Ayer's

Sarsaparilla. I have sold it for eighteen years, and have the highest regard for its healing qualities." "Although the formula is known to the trade, there can be no successful imitation of Ayer's Sarsaparilla. Without having the enormous facilities of the J. C. Ayer Co., it is impossible for other parties to put together such valuable ingredients, at the low cost of Ayer's."

Dr. G. C. Osceola, Lowell, Mass.
"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
Dr. J. F. Kitcheloe, Conway, Ark.
"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. Archer, M. D., 111 So. Oxford St., Brooklyn, N. Y.
"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
