## PEOPLE'S VERDICT

### Cleveland and Stevenson Are Elected.

### CONGRESS IS DEMOCRATIC.

### 'Tariff Reform' and 'No Force Bill,' the Democrats Say.

A Close Vote in Many States—New York City's Vote Unprecedented—Indiana and Illinois Claimed by Both Parties. Weaver Carries the West.

NEW YORK, Nov. 9.—Grover Cleveland has been elected president, and the indications are that his plurality in the electoral college will be the largest in twenty years. His majority of the popular vote is much greater than it was eight years ago.

### DEMOCRATIC CONGRESS.

House Contains 224 Democrats and 123 Republicans.

NEW YORK, Nov. 9.—Additional returns received this morning indicate that the house of representatives in the Fifty-third congress will contain as the result of yesterday's election 224 Democrats, 123 Republicans and 7 fusionists or Farmers' Alliance.

### NEW YORK.

Overwhelming Majority for Cleveland. NEW YORK, Nov. 9.—Kings county has rolled up a plurality of 22,000 for Cleveland and Stevenson. The entire Democratic city and county ticket has been elected by pluralities of over 20,000. The five congressmen in Kings county are also Democrats. John H. Graham, the Democratic candidate in the Fifth congressional district, which is a Republican stronghold, has been elected by a plurality of 1,300.

In New York city Cleveland and Stevenson's plurality over Harrison and Reid is 79,947. The total vote cast for president was about 380,000, including the votes cast for the Socialist, Prohibition and Populist tickets.

Cleveland polled over 174,000 and Harrison over 97,000. It was a clean sweep for the Democracy and Tammany Hall. The city sends a solid Democratic delegation to the assembly. Assemblyman Timothy "Dry Dollar" Sullivan has evidently a big pull in his election district. It gave Cleveland 388 votes and Harrison 4 votes.

The Republicans made great gains in Albany because of a difference between the Democratic hosts of that city. Four years ago Albany county gave Cleveland a plurality of 1,675. This year it is 925, a loss of 850 votes.

That was almost balanced, however, by the vote cast in Allegheny county. Harrison got there yesterday 2,800 as against 3,442 four years ago, a loss of 642 for the Republican candidate.

Broom county, always a banner Republican district, gave a larger plurality for Harrison this time than before. The vote there was 2,240. In the last campaign it gave a plurality of 1,968 for Harrison.

In Cattaraugus, however, the Republicans fell off 181. It was 2,300 this time. It was in Cayuga county the Republican majority of four years ago was reduced by almost a thousand.

Then Cayuga gave Harrison 3,200, and that was cut down to 2,280. Chautauqua did the same thing, for there was a difference of just 839 in the plurality for the Republican candidate. In 1888 Harrison got there a plurality of 5,930. Yesterday that was cut down to 5,100.

In Chemung, which comprises the city of Elmira, and is the home of Senator David B. Hill, there was a gain for the Republican ticket. Four years ago Cleveland got a plurality of 570. This time the Republicans carried it by 741.

Chenango, as was general with very nearly all the counties beyond the Harlem, also showed a decline. One thousand five hundred and forty-seven was the plurality given Harrison there in 1888, as against 1,181 this year.

In Clinton county there was another falling off of from 1,547 to 450 for the Republicans.

Majority. Harrison ran ahead of Cleveland there 1,575 votes. Four years ago the Republicans carried the county by 1,270. The falling off in Dutchess was heavy. Yesterday the Republican plurality there was 431, while in 1888 it was 1,016.

Eric county, which is the city of Buffalo and the home of Cleveland, came out strong for him this time. It was carried for Harrison by a plurality of 2,069 in the first campaign between them. Yesterday Cleveland carried Eric by 1,300.

In Essex county Harrison received there a plurality of 1,850, as against 2,113 in 1888. There was about the same loss for him in Franklin, in which he got a plurality of 5,720 four years ago and 2,480 yesterday.

There were losses in Fulton and Hamilton counties that were equalled by those in Genesee, Herkimer, Livingston, Madison, Montrose, Montgomery, Niagara and Oneida.

In Oneida there was a bad loss of over 2,000 votes for the Republicans. In Ontario, Orleans, Oswego, Otsego, Putnam, Richmond, St. Lawrence, Steuben, Sullivan, Warren, Washington, Wayne, Westchester and Wyoming counties the falling off in the Republican vote from what it was four years ago was marked.

In Greene county, where Cleveland had a plurality of 34 the first time he ran against Harrison, he received yesterday a plurality of 128. Harrison had 351 votes more in his plurality in Jefferson county than he had four years ago, while in Lewis county he gained just 18. Orange gave him 16 more than before. Then his plurality in the great dairy district was 409. This time it was 425.

Remondiaer went for Harrison by 308 in 1888. Yesterday Cleveland carried it by 409. Richmond did not give Cleveland as large a plurality as it did four years ago. One thousand, six hundred and sixty-four was his plurality in 1888. This time it is 1,569. Rockland county gave a Democratic increase of 24 votes. Harrison gained slightly in Schoharie, Schenectady, Schuyler, Suffolk, Tioga, Tompkins and Ulster counties. In Seneca he had a gain of two. The Republicans predicted big gains in Seneca.

### New York's Congressmen.

ALBANY, Nov. 9.—The following congressmen are elected from New York state: Republican—Eighteenth, Jacob LeFevre; Twenty-second, S. M. Curtis; Twenty-third, John M. Weaver; Twenty-fourth, Charles A. Chickering; Twenty-fifth, James S. Sherman; Twenty-sixth, George W. Ray; Twenty-seventh, James J. Belden; Twenty-eighth, Seneca E. Payne; Twenty-ninth, Charles W. Gillett; Thirtieth, James W. Wadsworth; Thirty-first, John Van Voorhis; Thirty-third, Charles Daniels; Thirty-fourth, Warren B. Hooker. Total, 13.

Democrat—First, James W. Covert; Second, John M. Clancy; Third, Joseph C. Hendrix; Fourth, William J. Coombs; Fifth, John H. Graham; Sixth, Thomas F. Magner; Seventh, Franklin Bartlett; Eighth, Edward J. DuPuy; Ninth, Timothy J. Campbell; Tenth, Daniel E. Sickles; Eleventh, Amos J. Cummings; Twelfth, W. Bourke Cockran; Thirteenth, John De Witt Warner; Fourteenth, J. R. Fellows; Fifteenth, Ashbel P. Fitch; Sixteenth, William Ryan; Seventeenth, Henry M. Bacon; Nineteenth, Charles H. Haines; Twentieth, Charles Tracy; Twenty-first, Schemmhorn—total, 21.

The only district in which the result as stated in the above table is doubtful is the Eighteenth, where the Democrats claim that Cox is elected.

### The New York Legislature.

ALBANY, Nov. 9.—Speaker Bush, in Senator Hill's county, was defeated. From present appearances the Democrats will have a majority of twenty in the Assembly.

### New Jersey.

TRENTON, Nov. 9.—Special dispatches from every county in the state show that the state has given not less than 6,000 majority to the national ticket. Though the Republicans claim to have elected Keen governor by majorities varying from 1,000 to 5,000, it is certain that Judge Werts is elected by some 3,000 majority. The State Gazette, the Republican organ of the state, concedes his election by about 5,000. For congress the Democrats have elected at least five and possibly six of their candidates. They have maintained their majorities in both branches of the legislature. The majorities below are estimated:

First district, H. C. Loudenslager (Rep.); Second district, John J. Gardner (Rep.); Third district, J. A. Geisenhauer (Dem.); Fourth district, Johnson Cornish (Dem.); Fifth district, Cornelius Cadmus (Dem.); Sixth district, Thomas Dunn English (Dem.); Seventh district, George B. Fielder (Dem.); Eighth district, John T. Dunn (Dem.). The assembly will stand—Democrats, 46; Republicans, 20.

Presidential complete, gives Harrison 11,408; Cleveland, 10,963. Plurality for Harrison, 635, a loss of 1,000 over Keen, for governor, 11,578; Werts, 18,580. Plurality for Keen, 738, a loss of 1,000 over 1888. Cornelius A. Cadmus (Dem.) is elected to congress in this district. John I. Hall (Rep.), Frank Gledhill (Rep.) and Thomas Flynn (Dem.) have been elected to the assembly.

Complete returns for Somerset county give Cleveland a plurality of 111. J. A. Geisenhauer is elected to congress for this county by 73 majority. The complete returns also give Werts, for governor, a plurality of 35. George H. Cramer (Dem.) is elected to the assembly by 67 majority.

NEWARK, Nov. 9.—The Democratic victory is a popular one in this city. The Democrats here have elected their county clerk, congressmen and eight out of their eleven assemblymen. This is a Republican gain of one assemblyman.

### Pennsylvania.

PHILADELPHIA, Nov. 9.—Harrison's plurality in Pennsylvania is 74,890, his majority in Philadelphia being 33,552. The congressional delegation includes 18 Republicans and 10 Democrats, an increase of 1 Republican, as follows: First District, Henry H. Bingham (Rep.); Second, Charles O'Neill (Rep.); Third, William McAleer (Dem.); Fourth, John E. Reyburn (Rep.); Fifth, A. J. Harny (Rep.); Sixth, John B. Robinson (Rep.); Seventh, E. W. Hallows (Dem.); Eighth, William D. Mitchler (Dem.); Ninth, C. J. Erdman (Dem.); Tenth, Marriot Brosius (Rep.); Eleventh, J. A. Scranon (Rep.); Twelfth, William H. Hines (Dem.); Thirteenth, James B. Reilly (Dem.); Fourteenth, E. M. Woomer (Rep.); Fifteenth, M. B. Wright (Rep.); Sixteenth, W. C. Hopkins (Rep.); Seventeenth, S. P. Wolverson (Dem.); Eighteenth, P. M. Mahon (Rep.); Nineteenth, F. E. Beltzhoover (Dem.); Twentieth, Joseph D. Hoeks (Rep.); Twenty-first, D. B. Heiner (Rep.); Twenty-second, John Dalzell (Rep.); Twenty-third, W. A. Stone (Rep.); Twenty-fourth, E. F. Achenson (Rep.); Twenty-fifth, T. W. Phillips (Rep.); Twenty-sixth, J. C. Sibley (Dem.); Twenty-seventh, C. W. Stone (Rep.); Twenty-eighth, George F. Krebs (Dem.); William Lilly (Rep.) and Alexander McDowell (Rep.) are the congressmen at large. The legislature will be safely Republican. This

### will practically assure the re-election of Matthew Quay to the United States senate.

INDIANAPOLIS, Nov. 9.—Both parties are claiming Indiana. The vote on the state is close. Secretary Reilly, of the Democratic state committee, makes a statement, addressed to Chairman Taggart, that Cleveland will have the state by 5,000. This is based upon returns from county chairmen. Republican state headquarters were not open until late this morning. Chairman Gowley arose with the impression that the state had gone for Harrison. He will not concede that the Democrats have it. The legislature is Democratic, and the Democrats have probably elected eight congressmen, with a possibility of one more. Returns are not entirely satisfactory because the vote is so close. Not enough precincts have been heard from to make an estimate absolutely trustworthy. The Republican gains over 1888 have been constant, and if maintained would give the state to Harrison by a few hundred. There are 2,665 precincts in the state. The gain must be given to the prospect over 1890 to give Indiana to the Republicans. The News (Ind.) says that the indications are that the Democrats have been successful in the state by a small majority. Marion county will be Democratic by 500 to 700. This figure may be greatly changed by later returns.

### Massachusetts.

BOSTON, Nov. 9.—Returns from Massachusetts are unprecedentedly slow in coming in. The Republican electoral ticket will probably pull through. Returns in Springfield indicate that Harrison will have about half of his plurality of 33,000 in 1888. The Democratic committee claims Governor Russell's re-election by from 1,500 to 2,000 plurality. Returns from the congressional districts indicate a gain of four congressmen for the Republicans. General Draper defeated George Fred Williams in the Eleventh district. Gillett in the Second, Walker in the Third, Cogswell in the Sixth, Lodge in the Seventh, Morse in the Twelfth and Randall in the Thirteenth—all Republicans—are elected. In the Tenth McEitick (Ind. Dem.) is elected, and in the Fourth Apsley (Rep.) is thought to have defeated Coolidge. Crosby (Dem.) and Stevens (Dem.) are probably elected in the First and Fifth districts, and the Eighth district is claimed by both McCall and Andrew, with the chances apparently in favor of McCall (Rep.).

### Michigan.

DETROIT, Nov. 9.—In Michigan the Republicans carry the state for Rich for governor by 3,000, the whole Republican ticket having the same majority. The probabilities are that the Republicans have the legislature, though the Democratic and Populist fusion may give them a majority. In congress districts the following are elected: First, Chipman (Dem.); Second, Gorman (Dem.); Third, Burrows (Rep.); Fourth, Thomas (Rep.); Fifth, Richardson (Dem.); Sixth, Aitken (Rep.); Seventh, Whiting (Dem.); Eighth, Linton (Rep.); Ninth, Wheeler (Dem.), probably elected; Tenth, both sides claim congressmen; Eleventh, disputed by both parties; Twelfth, Republican elected. Cleveland gets the Eastern, First, Second, Third, Fifth and Ninth electoral districts. Wayne county, in which Detroit, a Democratic city, is located, elects possibly one Democratic county officer. All others elected by Republicans by majorities of from 2,000 to 6,000.

### Illinois.

CHICAGO, Nov. 9.—Illinois has probably gone Democratic by from 15,000 to 20,000. Chicago gives the Democratic ticket a plurality of 30,000. Altgeld is elected governor over Pifer (Rep.). Chairman Clark, of the Democratic state committee, says, "Cleveland has carried Illinois by 15,000, and Altgeld (Dem.) is elected governor." The News special gives Cleveland the state by 20,000. The history of the state. Apatly prevailed in every precinct throughout the state during the campaign, but this morning gave way to an unprecedented activity. All parties polled practically their entire vote. The surprise of the day is the little disparity between the Cleveland and Altgeld vote. It was expected that Altgeld, the German Democratic candidate for governor, would lead the presidential ticket by many thousands, but returns as far as received do not indicate this result.

### Connecticut.

HARTFORD, Nov. 9.—The vote in this state, with one town missing, gives Cleveland, 82,406; Harrison, 76,988; Weaver, 3,904; scattering, 1,095. Cleveland's plurality, 5,417. Four years ago it was 899. The entire Democratic ticket is probably elected, the vote on governor being: Morris (Dem.), 549; 266; Merwin (Rep.), 75,402; Angur (Pro.), 549; scattering, 113. Morris' majority (required by the constitution), 1,115. Lewis Sperry (Dem.) is re-elected to congress from the First district by 547. James P. Pligott (Dem.) is elected in the Second district by 2,840. Charles M. Russell (Rep.) is re-elected in the Third district by 527, a falling off of 465 votes from two years ago. Robert E. DeForest (Dem.) is re-elected from the Fourth district by 2,601. The state senate is a tie and the Republicans have about 20 majority in the house.

### Maine.

PORTLAND, Nov. 9.—One hundred and seventy-seven towns in Maine give Harrison 48,698; Cleveland, 31,405; scattering, 4,084. The same towns in 1888 gave Harrison 48,947; Cleveland, 23,690; scattering, 2,597. Republican plurality now, 10,734; Republican plurality then, 11,287. If the remaining towns come in with the same ratio of loss the total vote will stand: Harrison, 64,000; Cleveland, 42,500; scattering, 5,000; a total vote of 118,500 and a Republican plurality of 14,500, against 24,258 in 1888, when the vote stood: Harrison, 73,790; Cleveland, 59,472; scattering, 4,095; total, 128,357. The Republican plurality in September was 12,413, so that the gain will be 2,000.

### Minnesota.

MINNEAPOLIS, Nov. 9.—The returns received up to a late hour are meager, but the indications are that the Republicans have elected Nelson governor. The Democrats claim the election of four fusion electors. They concede Nelson's election. The legislature is in doubt, but is likely to be controlled by the fusionists. The Republicans claim a majority for Nelson of 15,000 to 20,000. Cleveland ran ahead of the Democratic state ticket. The Democrats concede defeat in this city. The returns show a falling off in both Populist and Democratic votes.

### Alabama.

BIRMINGHAM, Nov. 9.—The latest figures in Alabama are that Cleveland has won by 20,000. The Democrats have made gains in all the other counties except two, and in some have overcome majorities of 1,000. The black belt will give a smaller majority than in August, the vote of the negroes being divided between Cleveland, Weaver and the straight Harrison ticket. The

Democrats have elected six congressmen. The Populists seem to have elected Frank Hartzel in the Second and William Whitley in the Fifth. The Fourth district is in doubt.

For instance, Mrs. Chas. Rogers, of Bay City, Mich., accidentally spilled scalding water over her little boy. She promptly applied De Witt's Witch Hazel Salve, giving instant relief. It's a wonderfully good salve for burns, bruises, sores, and a sure cure for piles. W. S. Rishton, Drug-gist. 10-14-17

### How Dignitaries Were Brought.

MAGNIFICENT TRAINS RUN OVER THE PENNSYLVANIA SYSTEM.

One of the most important and successful features in connection with the dedicatory exercises of the World's Fair grounds, and one which fully illustrates the wonderful progress which our country has made within the last half century, was the movement made by the Pennsylvania Railroad Company of the cabinet officers, the supreme court justices, and the diplomatic corps from Washington to this city and back. It required three special trains to perform this function, and Vice-President Frank Thomson, to whom the credit of the achievement is due, made requisition on the Pullman Palace Car Company for the finest equipment which those famous car builders could produce. The result was a triple section train such as has never before glided over the rails in any country. A crew of twenty-five persons, including stewards, cooks, waiters, porters, maids, electricians, and machinists, in addition to the usual quota of trainmen, was required to insure proper service. The outfit resembled in a somewhat lessened degree the personal equipment of an ocean greyhound, of which the trains were a duplication on land.

These trains were provided and tendered for the use of the distinguished guests of Chicago by Vice-President Thomson. They were run from Washington to Chicago as sections of the regular "Chicago Limited," of which they were duplicates, and they conformed to the regular schedule of that train. With the thorough organization of the Pennsylvania Railroad Company and its splendid system they came through the entire distance, on the special schedule time arranged for them, without accident or delay of any kind, and this in the face of an extraordinarily increased passenger traffic. The great line is in such excellent physical condition, so well protected by the safeguards of modern invention, and so perfectly managed by a corps of men who have been educated and trained under the eyes of its high officials, that a movement of this kind, extraordinary as it may appear to the public, was effected without interfering in any manner with the routine of everyday traffic.

It is to say that while no other country in the world would be able to move the entire organization of its government a distance of one thousand miles, so there is no other railroad company which could grapple with such a problem and solve it with the ease to the persons in interest and the credit to itself that has distinguished this achievement of the Pennsylvania Railroad. It reflects the utmost credit on Vice-President Thomson, who planned, and his associates, who executed the brilliant feat of railroad transportation, and holds out a bright promise of equally successful work when the resources of this line will be drawn upon next year to furnish adequate transportation facilities to the hosts who will visit the world's greatest fair.

## A DEMOCRATIC WHIRLWIND!

## CLEVELAND SWEEPS THE COUNTRY.

## THE REPUBLICANS KNOCKED OUT.

The Republicans have conducted the campaign just closed with every confidence in their success. The influences in their favor were the fact that they had control of the government, with an army of employees all working for the re-election of Harrison; the wealthy protected monopolists poured out their money like water for the continuance of a system of taxation that has put money in their coffers for years; the country is in a prosperous condition, and it was argued by their speakers and papers that a change of administration would affect business and bring about a stringency in the money market. It was urged that the Democracy if successful would abolish National Banks, and return to the old system of state banks and this bugaboo was flaunted at every political meeting all over the country in the face of the voters.

On the other hand the Democrats acted on their policy of a tariff for revenue only; on the record of their illustrious candidates, Grover Cleveland and Adlai E. Stevenson, on the McKinley bill that taxes the favored classes at the expense of the masses; on the inequity of the Force bill that has received the unqualified endorsement of Benjamin Harrison, and on the principle that public office is a public trust. On these issues the battle was fought, and the people have decided that the views of the Democratic party were those most worthy of support, and the verdict has been so recorded in tones that cannot be mistaken.

Delaware county stands with Broome in having given an increased Republican ma-
